HERALD & EXPOSITOR.

E PLURIBUS UNUM

Carlisle.

WEDNESDAY, OCTOBER 13, 1841.

Persons indebted to the Herald for subscription, or for job-work are requested to make payment to *S. Dunlap Adair Esq.* who is authorized to collect the out-standing debts.

PUBLIC LEDGER.

Our thanks are due to the Philadelphia Public Ledger for advising us by Daily *Extras* of the progress of McLeod's trial.

THE ELECTION.

We have been most essentially used up in this county. Our returns from all the districts but three, give to

Porter	698 maj.
The Loco Senators	703 maj.

The returns yet to come in, will increase the average majority against us probably to 800. All this comes of Whig apathy. The chances are, that we are defeated in the Senatorial district. If so, the Locos will have a majority in the Senate next Session.

We are astounded at the result in this Cumberland. We had set down 400 as the greatest possible majority against us, and we pretty sure that we were safe. [illegible]

It is too cold up here at the head waters of Salt River to write more.

We have a report that Franklin county has gone for the Locos. If true, and we fear it, the success of the Loco Senators is certain.

☞The election being now over, we shall have a respite from things political; and it shall be our care to essay the amusement and instruction of our readers with more profitable mental aliment than the ebullitions of party strife. Whilst the Herald, under its *late* and *present* editor, claims the acquittal of giving publicity to the burden of exceptionable matter with which the columns of party sheets are too apt to be loaded, yet we are ready to admit that in the heat of party feeling it *may* have been made the conduit of *some little*, which, in the estimation of the impartial reader, was reprehensible, although at the time, its offensiveness was imperceptible to the more biased editor.

Under the influence of such a consciousness, it is to us a delight that we have emerged from the vortex of political warfare, where the passions are inflamed and reasons runs wanton

☞Francis Thomas, the Locofoco candidate, has been elected Governor of Maryland. The House of Delegates is loco, but the Senate whig.

McLeod.

The trial of this faithful subject of her Majesty has been by this time concluded. The result, however, has not yet reached us. The New York Herald thinks that the Jury will not be able to agree because of the contradictory evidence. There is enough on the part of the prosecution to hang a dozen men, and as much on the other side as would acquit a score. The trial has been very productive of perjuries.

We think the probabilities are that the prisoner will be acquitted and *knighted*.

GENERAL ORDERS, No. 58.

HEAD QUARTERS OF THE ARMY,
Adjutant General's Office,
Washington Oct. 2, 1841.

I. The 5th regiment of infantry will proceed to the Detroit frontier and Upper Lakes without delay, and take post as follows:

At Fort Brady,	one	Companies.
Fort Mackinac,	two	
Fort Gratiot	two	
Detroit & Dependencies five		

II. As soon as relieved by the 5th infantry, the five companies of the 4th regiment of Artillery on the Upper Lakes, (including Capt. Munroe's) will proceed to Buffalo, New York, and will be stationed as follows.

Two at the head quarters, Buffalo.
One at Fort Niagara.
One at Fort Oswego, and
Two at Madison Barracks.

III. Six companies of the 2d regiment of dragoons, with the Major, will be withdrawn from Florida, and under the Colonel proceed without delay to the South-western frontier, and take post as follows:

Four companies at Fort Towson, and
Two at Fort Jesup.

Col. Worth will direct the six companies, on leaving Florida, to proceed *via* Tallahassee to Mount Vernon Arsenal, Alabama, where they will be concentrated.—Four Companies of the regiment will continue for the present on duty with the Florida army, under the Lieut. Colonel, who will join the squadron without delay.

IV. The companies of the 4th infantry, now stationed at Forts Townson and Jesup, on being relieved by the dragoons, will take posts at such stations as the Commanding General of the second military department may direct. By COMMAND OF MAJOR GEN. SCOTT. R. JONES, *Adjutant General.*

THE GROGAN CASE.—The Montreal journals, we are pleased to see, put forth more rational opinions than they did at first, touching the gross impropriety of Grogan's capture. For instance, the Herald—pre-eminent, among all the Canadian papers, since the death of Mr. Dalton, for its Yankee-phobia—now condescends to say that "the individuals who were the aiders and abettors of it [the arrest] deserve the severest censure for their imprudent conduct!" and that Grogan "will assuredly be given up to the American authorities."

The other Montreal papers use similar languuge.

We observe, however, that a parallel is drawn between the case of Grogan and that of McLeod. No such parallel can exist until Grogan shall voluntarily go into Canada and be there arrested. Then the two cases will be identical, so far as the question of arrest is concerned; and then, if our Government demand his release, the precedent of the case may fairly be set up against it.—*New York Com.*

BRANDRETH'S PILLS.—A Vegetable and Universal Medicine, proved by the experience of thousands to be, when properly persevered with, a certain cure in every form of the only one disease, all having the same origin, and invariably arise from the universal root of all disease, namely impurity or imperfect circulation of the blood.

In a period of little more than five years in the United States, they have restored to perfect health and enjoyment, over four hundred thousand persons who were given over as incurable by Physicians of the first rank and standing, and in many cases when every other remedy had been resorted to in vain.

The great secret is to have the medicine by you when you are first attacked with sickness; one dose then will have more good effect than twenty, if put off until disease has enfeebled the bodily powers; therefore every individual who considers health a blessing, should always keep a box of *Brandreth's Vegetable Universal Pills* where they can be sure to [illegible] times [illegible] they cannot possibly be taken disposed of. A valuable life may be saved, or a long fit of sickness prevented

LIVER COMPLAINT.—This disease often terminates in another of a more serious nature, if proper remedies are not resorted to in time. In all forms of this disease, Dr. Harlich's *Compound Strengthening and German Aperient Pills*, will perform a perfect cure; first, by cleansing the stomach and bowels, thus removing all diseases from the Liver, by the use of the German Aperient Pills, after which the Compound Strengthening Pills are taken, to give strength and tone to those tender organs which require such treatment only to effect a permanent cure. These pills are neatly put up in small packages, with full directions.

Valuable Real Property at

ASSIGNEE'S SALE.

WILL be sold at Public Sale, on the premises, No. 1, on Friday the 5th day of November next, at 10 o'clock, A. M. in Paradise township, York county, on the road leading from the Spring Forge to York Haven, and about 200 yards from the road leading from York to East Berlin, the following property, viz:

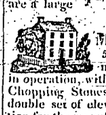
No. 1.

A Tract of First-rate Land,

adjoining lands of Henry Stouffer, Henry Leinaugh, and others, containing about

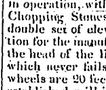
Thirteen Acres,

(or more can be had if wanted.) The improvements are a large



FOUR STORY BRICK MERCHANT MILL,

56 feet in front and 52 feet deep newly built and only about 3 years in operation, with two pair of Burs and two pair of Chopping Stones, a SMUT MACHINE, and a double set of elevators. The mill is in full operation for the manufacturing of flour, it is situated near the head of the little Conewago—a stream of water which never fails, and has 25 feet fall. The water wheels are 20 feet in diameter—in short it is the best established mill in the county of York, perhaps in the State, and what makes this property more valuable, is that there is no other mill south or west nearer than about 6 miles, and it has a great run of custom. The gears in the mill are all cast and made of the best materials—every thing in it is new and finished in the best mech inical manner. It is deemed unnecessary to say more on this subject, as purchasers will view the same before purchasing. The other improvements are a two story brick



DWELLING HOUSE,

with a large two story back building, all well finished. There is a well with never failing water at the Kitchen door with a pump in it, Bank Barn, Brick Still House, 40 by 25 feet, a stable which will contain 60 head of cattle, large Wagon shed, and other necessary out buildings.

No. 2.

situate in West Manchester and Dover township, York county, adjoining lands of Boose and Stover, Jacob Emig, sen. Michael Yessler and others, containing

Two Hundred and Ten Acres,

more or less, of which there is about 60 acres under first rate timber, and about 20 acres Meadow and more can be made. The residue is in a good state of cultivation—there is water in nearly all the fields, and a stream of water passes through this plantation which also has the advantage of being convenient for the erection of almost any kind of machinery. The improvements are a large two story birck

Dwelling House,

with a two story back building attached thereto, a large Bank Barn, and a large two story stone Still-house, two never failing springs of good water near the house, and two

Apple Orchards.

This plantation is divided into convenient fields, and all under good fences; it can conveniently be divided into separate tracts, and will be sold separate or together to suit purchasers.

Persons desirous of purchasing will do well to call and examine for themselves, and may call on Peter Smyser residing on No. 1, who will point out that property, while those wishing to view No. 2, will call on John Smyser residing thereon. Nos. 3, 4, 5 and 6 are four lots of first-rate timber land, lying about a half mile from No. 1, adjoining lands of Henry Stouffer, Henry Ramer, Henry Jacobs and others, each lot containing about six acres. These lots will be sold with No. 1, or separate to suit purchasers. A clear title will be made, and possession given on the first day of April next. Due attendance will be given and terms made known on the day of sale by

HENRY BOOSE,
ADAM BOTT,
Assignees of Peter Smyser.
