A desperate washed in a "family way" by his wife; but re-appears in another portion of the Union, payment for negotiating a portion of the struggle will be made by the Loco Focos, the correspondent of a dismissed locofoco as a locturer before some village lyceum.— Public Loan.

'In contradicting this charge, we are authorized to state that the amount of loan people maintain eternal vigilance, the only effected by Mr. P. B. Ewing, was half a million of dollars, for which he was paid by the Treasury Department one twelfth of one per cent. The whole amount recoived by him, therefore, in payment of his services, dwindles down to \$416 16. This is the sum which has been very unjustly magnified into thousands."
