> ALWAYS BEAR THESE IN MIND Dear Sir:—I write to let you know that the Lord has done great things for me, whereof I am glad.—
> When I saw you in Fredericksburg, I think I said I had been afficted with a very acid (sour) stomach, and subject to a violent pain in my head for more than twenty years, for which I took rhubarb and soda three or four times every day for this many years, with little or no relief, and my legs and ankles were so much swelled that I was unable, at times, to attend to my business. little or no relief, and my legs and ankles were so much swelled that I was unable, at times, to attend to my business. But since you made me a present of a box of your Family Pills I have taken one or two of them at night in going to bed, and now my acid stomach is relieved, the swelling in my legs has nearly disappeared, and I do not think that I have been hindered one day with the pain in my head since I began to take your valuable medicine. I think the Lord directed you to Fredericksburg, to administer to my relief. (Blessed be his holy name, I am greatly relieved.) There is living in my neighborhood a poor old woman who had been sick a long time and could get no relief, at length I purchased a box of your pills and gave them to her, after a while I saw her out and about her business, and she said that the one box had cured her. I have spread the fame of your valuable medicine amongst my acquaintances, and muny have purchased. Now, as it respects my-saell, my triends tell me when I go to town, that they have not seen me look so well for many years, and I say to them, 'I will tell you the secret why; a short time ago I met with a Dt. Davies in town, and he gave me a box of pills, and they have made me look as you now see me.' And now, my friend, I hope that the Lord will continue to be with you, and make you useful to your fellow-cicatores, as he has hitherto done. I remain with respect,
