The Cause of Disease. N EARLY all classes of disease are caused by some obstructions in the system which prevent the regular and wholesome operation of the animal functions. This state of the system is disease, which is manifested in a variety of forms, more or less malignant in their character. To restore the system to a state of health then, it is only neccessary to remove the cause of disease and the end is accomplished. The cause is obstruction somewhere. This should be removed by purgation, which is the only means that should be resorted to, because, suggested by reason and by nature. Dr. Harlach's Strengthening and German Aperient Pills are allowed by the thousands who have used them, to be the best purgasands who have used them, to be the best purgative medicine in existence. Because they not only remove all obstructions, and purge the system of its impurities, but because, and which is extremely important, strengthen and give proper tone to the stomach, and produce a healthy action of all the parts. Besides they are so mild and gentle in their operation as to render them at all times a perfectly safe and desirable remedy. The afflicted would do well, then to purchase a box or two of this invaluable medicine, and give it a fair two of this invaluable medicine, and give it a fair of Breath, Wi trial, instead of destroying their systems with oft repeated doses of Calomel, and other drugs so in: Columbiana Bank, New Lisbon, a 6

TOTHERS, BE ON YOUR GUARDI-This is the season when this destructive complaint attacks your interesting little children, often robs you of those you fondly doat on, and carries hundreds to the grave. Every mother should therefore, know its symptoms, watch them closely, and always be prepared with a remedy as many are daily sacrificed by such neglect. At first the little patient is seized with a shivering, it grows restless, has flushes of heat, the eyes become red and swellen, it breathes with difficulty, and then comes that fearful Covon that will surely terminate in convulsions or death unless something is immediately given to check it. In this complaint the "Balsam of Wild Cherry" is well known to Cinginnati,

parilla.

ONE HUNDRED DOLLARS VILL be forfeited by Dr. N. B. LEIDY, for preparation of Sarsaparilla equal to his Medicated Extract of Sarsaparilla. It is positively the strongest preparation of Sarsa-parilla in existence. ONE BOTTLE is equal to six pints of any other Sycup that is made, and is bought by numerous persons throughout the city and country for making therefrom, and who self it at seventy-five cents or one dollar per bottle (about half-a pint.)

The efficacy of Sarsaparilla is well known in Scrofula or King's Evil, Erysipelas, Diseases of the Liver, Affection of the Skin and Bones, Ulcers of the Nose, Throat and Body, as well as an Antidote to Mercury and the Minerals, Constitutional Diseases, and a general purifier of the Blood and Animal Fluids. Comment upon its virtues is unnecessary, every body knows its efficacy. It is only necessary when using it to get a good preparation of it, and then there will be no disappointment in its effects.

Dr. Leidy would refer to the most respectable physicians in Philadelphia, as well as throughout the United States, for the character of his preparation, as well also to the numerous certificates from physicians and others, that have been from time to time published, now deemed unnecessary, as the character of his preparation is firmly established. Throughout the North takes the precedence over all others, particularly among the physicians, who, for the benefit of their patients, always recommend it.

The reader is referred to the directions accompanying each bottle, for recommendations, certificates, and further certificates.

I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has stopped my cough-entirely, checked my night sweats, and I sleep better at night and feel better in every way, than I have for many menths. Yours, respectfully, James Kelly.

As numerous certificates of its very good effects, and wonderful cures in this country, have been frequently published, it is deemed necessary only to remind the public of so valuable a medicine, and inform them where it can be procured genuine.
