COUGHS & COLDS.

THE CAUSE OF CONSUMPTION.—Sim ple as these complaints are usually considered, no one can deny their being the most common cause of this fatal and distressing disease. It is indeed a melancholy truth, that thousands fall victims to Consumption every year from no other cause than neglected colds. Yet we find hundreds, any thousands who treat such complaints distressification for weeks and even months without thinking of the danger. At first you have what you may consider a slight cough or cold; you allow busiple as these complaints are usually considered, no one can deny their being the most common cause of this fatal and distressing disease. It is indeed a melancholy truth, that thousands fall of the second control of the second control
