COUGHS & COLDS.

THE CAUSE OF CONSUMPTION.—Simple as these complaints are usually considered, no one can deny their being the most common cause of this fatal and distressing disease. It is indeed a melancholy truth, that thousands fall victims to Consumption every year from no other cause than *neglected colds.* Yet we find hundreds, nay thousands who treat such complaints with the greatest indifference, and let them run on for weeks and even months without thinking of the danger. At first you have what you may consider a slight cough or cold; you allow business, pleasure or carelessness to prevent you from giving it any attention; it then settles upon your breast, you become hoarse, have pains in the side or chest, expectorate large quantities of matter, perhaps mixed with blood, a difficulty of breathing ensues, and then you find your own foolish neglect has brought on this distressing complaint. If then you value life or health, be warned in time, and don't trifle with your Cold, or trust to any *quack nostrum* to cure you, but immediately procure a bottle or two of that famous remedy, the "BALSAM OF WILD CHERRY," which is well known to be the most speedy cure ever known, as thousands will testify whose lives have been saved by it.

☞Be very particular when you purchase to ask for "Dr. WISTAR'S BALSAM OF WILD CHERRY," as there is also a SYRUP of this name in use.

CROUP IN CHILDREN.

MOTHERS, BE ON YOUR GUARD!—This is the season when this destructive complaint attacks your interesting little children, often robs you of those you fondly doat on, and carries hundreds to the grave. Every mother should therefore, know its symptoms, watch them closely, and always be prepared with a remedy as many are daily sacrificed by such neglect. At first the little patient is seized with a shivering, it grows restless, has flushes of heat, the eyes become red and swollen, it breathes with difficulty, and then comes that fearful Croup that will surely terminate in convulsions or death unless something is immediately given to check it. In this complaint the "*Balsam of Wild Cherry*" is well known to be the most speedy ever discovered. It is indeed a precious remedy—mild, safe and innocent, and is sure to give the sufferer immediate relief, and quickly restore it to safety and health. Families residing in the country and indeed every mother who loves her children, should always keep this medicine in the house and give it to them early, by doing so you may often save the life of one you fondly love. Remember this is the famous remedy of this distinguished physician, Dr. Wistar, which has cured thousands of CROUP, WHOOPING COUGH, ASTHMA, CONSUMPTION, &c., after every other medicine has failed.

☞Be particular when you purchase to ask for "Dr. WISTAR'S BALSAM OF WILD CHERRY," as there is a SYRUP of this name in use.

DR. GUETTICH, HAAS & CO'S. CELEBRATED MEDICINES

THE OLIVE BRANCH PILLS for the cure of Coughs, Colds, Consumption, Liver Complaints, Asthma, Bronchitis, Sore Throat, Dyspepsia, Shortness of Breath, Pains in the Side, Breast, Back and Shoulders, Ague and Fever, an intallable cure, and all Scarlet and Bilious Fevers, and all diseases arising from exposure and debility, no matter how long standing—in fact all diseases to which the human family are subject to.

These pills are unsurpassed by any medical compound ever offered to the public as a general renovator and family medicine. They are very gentle in their operation, causing neither pain, sickness nor debility by the use of them; but on the contrary they strengthen the stomach and bowels in a wonderful manner, and soon restore nature to its former course and vigor. The person using the Olive Branch Pills soon forgets that he was sick—which is very easily accounted for: there is not that prostration of strength in these pills as in many other remedies of the day, because the materials used in manufacturing them are in harmony with the powers of life and act in concert with the opinions of Dr's. Brown, Bush, Armstrong, Montgomery, Hersey, Kendrick, Shepper and the celebrated Dr. Waterhouse, formerly Lecturer on the theory and practice of Physic in Cambridge University, Massachusetts. Purchase of them, and give them a fair and impartial trial, and you will find that permanent relief, upon which the proprietors depend to make them the most universal family medicine used, and which will stand unrivaled by any other in the known world. Price 25 cents per box.

RHEUMATIC MEDICINE

Is one of the most certain and effectual cures for all rheumatic, chronic and inflammatory Rheumatisms that has ever yet been discovered, and in numerous cases has eradicated that dreadful disease from persons afflicted entirely. All sour drinks and victuals are strictly forbidden, and spiritous liquors must not be taken inwardly by any means whatever, or it will be of no use to take this medicine, as it will destroy the good effects of the medicine entirely. Price $1,50 per package.

AUGSBURG LIFE TINCTURE.

These celebrated drops have acquired the highest recommendations in this country, as well as in Europe for its most valuable proprieties for all inward weaknesses, cramps, colds, agues and fever; and when used with the Olive Branch Pills, never fails to cure the fever and ague. Price 25 cents per bottle.

PECTORAL ELIXIR

Is unrivalled for its curative qualities even when used in cases of maladies which were otherwise incurable. Many recommendations have been given of the beneficial effects it has had in the cure of pleurisy, pectoral and pulmonary consumption; colds, &c. Price 25 cents per bottle.

A certain cure for all Scalds, Bruses, Burns, and the most effectual cure for the piles—it will cure the person afflicted in a very short time, if used according to directions. Price 25 cts. per vial.

SPIRIT DE MEXICO.

This spirit is highly recommended for all sprains, swelling of the limbs, or leaders, sinews, joints and rheumatic; as an outward remedy, it has no equal, and when used with the Rheumatic Medicine, will greatly facilitate the cure. TOOTHACHE DROPS,

FRIDLEY & ROBINSON,

Tin, Coppersmith, and Stove Business.

JACOB FRIDLEY & ELIAZER ROBINSON, having entered into Co-Partnership, in the Tin, Copper and Stove Business, under the firm of FRIDLEY & ROBINSON, respectfully inform the public that they intend carrying on their business in all its branches, at the old stand of Jacob Fridley, North Hanover street, Carlisle, where they will at all times, be prepared to serve purchasers with any article in their line, on the *most reasonable terms.*

In addition to all other varieties of stoves, which they will constantly have on hand, they have purchased of Mr. J. G. Hathaway, the exclusive right to manufacture and sell, in the counties of Cumberland and Dauphin

Hathaway's Patent "Hot Air Cooking Stoves."

And being aware that the people in this place and vicinity, have been much imposed upon by the introduction of new and highly recommended articles which they have been induced to purchase, and which have been so slightly made, and of such bad material, that in a short time they have failed and become useless. We, therefore, do not intend offering stoves for sale until they are fairly tried in this community, and pronounced more durable in their construction, better adapted to the purposes of boiling, baking and all the varieties of cooking than any other stove; also, that they are a great saving of fuel as well as labour.

☞We earnestly invite farmers as well as residents of this place and the neighboring villages, to call on us at S. Wunderlich's hotel, or notify us by letters (postage unpaid) that they are willing to try our stove—and the stove shall be placed in the kitchen of every person giving us such notice, and taken away after trial, without any expense to persons making the trial.

The stoves will be kept for sale at the Tin Shop of Mr. Jacob Fridley, and at the Foundry of Messrs. Lay & Stouffer, in Carlisle.

Having contracted for *One Hundred Tons* of Castings, we will, in a few days, supply stove dealers with all the different sizes, on the most liberal terms.

ELEAZER ROBINSON, of Carlisle, is agent for selling the right to make and vend the HOT AIR STOVE, and will dispose of counties in this and the adjoining States.

We publish the following recommendations from some of those who are using the stove, to encourage others to try it.

CARLISLE, Sept. 12, 1841.

I have in use in my kitchen one of Hathaway's Patent Hot Air Cooking Stoves, and can recommend it as a very superior article. The one I have is No. 3. It has 5 boilers and an oven sufficiently large to bake six loves of bread. The baking, roasting and broiling can all be done at the same time and with much less wood than is required for any stove which we have used.

This size appears to be peculiarly calculated for Farmers, and for their benefit I invite them to call and see this stove in use, as I shall take pleasure in showing this stove to all whom interest or curiosity may induce to examine it.

SIMON WUNDERLICH.

CARLISLE, Sept. 11, 1841,

Messrs. E Robinson & Co.—Gentlemen, I have during the few days I have had your Hathaway's Hot Air Stove in use, become convinced of its great superiority over all other stoves I have used or seen. I find by the trial that boiling, roasting, baking and broiling may all be done at the same time, in a most perfect manner, and with less than one fourth the fuel I have ordinarily used for the same purposes. I have heretofore been of the opinion that bread could not be well baked in a cooking stove, but I am convinced upon trial that it can be done as well in your stove as in a brick oven.

I believe that the general introduction of your stove into use will be very beneficial to the public, therefore I shall take pleasure in recommending it to my friends. Yours respectfully,

WILLIAM MOUDY.

CARLISLE, Sept. 10, 1841.

Messrs. E. Robinson & Co.—Gentlemen, I have fairly tested the "Hot Air Stove" which you put up at my house, and can recommend it as possessing principles of economy and convenience far surpassing any other store which I have ever seen.

The boilers coming in immediate contact with the fire gives great facilities for boiling, and the oven is heated on such a principle that bread is baked in as fine a manner as in a brick oven. I find it also a great saving of fuel and labor, and would advise all to adopt it.

MITCHEL McCLELLAN.

CHAMBERSBURG, Sept. 6, 1841.

Medicated Extract of Sarsaparilla.

ONE HUNDRED DOLLARS

WILL be forfeited by Dr. N. B. LEIDY, for a preparation of Sarsaparilla equal to his *Medicated Extract of Sarsaparilla.*

It is positively the strongest preparation of Sarsaparilla in existence. ONE BOTTLE is equal to six pints of any other Syrup that is made, and is bought by numerous persons throughout the city and country for making therefrom, and who sell it at seventy-five cents or one dollar per bottle (about half a pint.)

The efficacy of Sarsaparilla is well known in Scrofula or King's Evil, Erysipelas, Diseases of the Liver, Affection of the Skin and Bones, Ulcers of the Nose, Throat and Body, as well as an Antidote to Mercury and the Minerals, Constitutional Diseases, and a general purifier of the Blood and Animal Fluids. Comment upon its virtues is unnecessary, every body knows its efficacy. It is only necessary when using it to get a good preparation of it, and then there will be no disappointment in its effects.

Dr. Leidy would refer to the most respectable physicians in Philadelphia, as well as throughout the United States, for the character of his preparation, as well also to the numerous certificates from physicians and others, that have been from time to time published, now deemed unnecessary, as the character of his preparation is firmly established. Throughout the Southern States it is used altogether, and throughout the North takes the precedence over all others, particularly among the physicians, who, for the benefit of their patients, always recommend it.

The reader is referred to the directions accompanying each bottle, for recommendations, certificates, and further certificates.

☞PRICE ONE DOLLAR PER BOTTLE.

Prepared and sold, wholesale and retail at Dr. LEIDY'S HEALTH EMPORIUM, No. 191 North Second street, below Vine, sign of the Golden Eagle & Serpents, Philadelphia; and for sale in Carlisle, by

STEVENSON & DINKLE,

Agents for Cumberland County.
