The Albany Argus, now enjoying the patronage of the Government, says-"The effort; from whatever mouve, to organize a 'Tyler party,' having been begun in inherent weakness, must end in dispersion. It can have neither cohesion, nor strength of numbers, nor force of position!"

A Petition to the throne. The following putition signed by upwards of 200 citizens of Columbiana County, Ohio, was forwarded to a member of Congress, with a request that he would have it presented at the White House. The request has been complied withbut with what effect will never be known we presume. We learn from the "True Whig" that the petitioners are a fair representation of the freemen of that county:

To JOHN TYLER, President of the United States of America.

We, the undersigned citizens of Columbina County, Ohio, who voted for GENERAL Janusson and you, at the Presidential ection in 1840; (Gen. Harrison for the office of President and your for Vice President,) believing you to be a true Whig, as City of Philadelphia, when and where the Creditors of the said Petitioners, who have proved their Debts, and all other persons in interest, may appear and show cause, if any they have, why such Discharge and Certificate should not be granted.

Treason against the People.

The Washington correspondent of the Unied States Gazette, Oliver Oldschool, gives the folowing piece of information, which developes the progress of the treason contemplated against the cople, by the confirmed powers of Tylerism to Locofocoism. No effort will be left untried halls will be made the scene of as brutal outrage as when New Jersey was disfranchized. But as

The country will notice with no little surprise the fact, that upon the person of a Mr. Hoskins, an emissary of Dorr, lately arrested in Providence; were found letters rid-46 from Mr. Buchanan, Woodbury, Allen, and others! The spy and emissary bro't To the Heirs and legal Representatives letters from fugitive Donn, to some of his of Margaret Quigley, deceased, late friends, in Rhode Island, exhorting them Margaret Crocket and daughter of to persevere and hold out, for that the next Congress would be a "Democratic" Congress; which would enable them to effect the Revolution, they have so lately failed to accomplish !!! So, then, we Tailed to accomplish!!! So, then, we see that the success of the rebellion in Rhode Island; the overturning of her government, and the elevation of incendiaries at 10 o'clock A.
