TO TAX-PAYERS.

The tax party that nominated BARR and CULVER carefully avoided passing resolutions or adopting principles for the "public eye!" But not so with those who nominated KENNEDY and BRINDLE. The Whig Convention, among other resolutions, adopted one defor the "public eye!" But not so with claring that the TAX LAW passed by our last Legislature is ONEROUS and UNJUST; that we are unequivocally in FAVOR
OF ITS REPEAL, and hostile to the imposition upon us of ANY INCREASED
TAXATION, until provision shall have been made for the ABSOLUTE AND gives you, for having violated those laws in an important particular, involving the rights of others UNCONDITIONAL SALE OF THE PUBLIC WORKS; and for the RE-DUCTIONS OF ALL EMOLUMENTS OF PUBLIC OFFICERS."

Should Messrs. Kennedy and Brindle be elected, they will therefore vote for a repeal of the infamous double tax law, and against any further unjust taxation; an ablaving become the wife of one Harris, a chosen solute sale of the Public Works; and for a friend of Joe Smith; and who is now dwelling solute sale of the Public Works; and for a reduction of the salaries of Judges and other Public Officers-as well as for a reform in every Public Department.

Should Barr and Culver be re-elected. they are pledged to rote for an INOREASE | Not content with MURDERING the husband, but the OF TAXES and AGAINST the sale of the Public Works; Judge Hepburn and Judge Stuart, will no doubt, expect and the Orphan!! Brother Chandler says so, and have their salaries doubled, and thousands of the article above quoted from his paper, is the only dollars will be voted away-all of which "proof" we have to "offer in evidence" of the must be raised by taxation!

Tax-Payers of Cumberland! Choose ve who shall represent you in the next Legislature-BARR and CULVER, who will vote away your property, earned by the went of your brow; or Kennedy and Brindle, who are the friends of the Farmers, Laborers and Mechanics, and pledged to go against the madness ond folly and extravagance of your late representatives!

THE INFAMOUS TAX BILL.

That the county commissioners of each county of this Commonwealth shall be, and they are hereby authorized and required at the time of assessing county rates in the present year, and at the usual period of making the same, annually thereafter, IN ADDITION TO THE INCREASE AT PTESENT REQUIRED BY LAW, to add to the county rates and lexice for the use of the Commonwealth. PTESENT REQUIRED BY LAW, to add'to the county rates and levies for the use of the Commonwealth, UPON ALL REAL AND PERSONAL PROPERTY NOW TAXABLE for State purposes. Don't forget, Taxpayers, that BARR voted for this infamous measure, and that, if elected, he and CULVER will both go for

Redemption of Pennsylvania!

Our prospects for obtaining a majority in the next Legislature are most encouraging, and give strong assurance that the second Tuesday of October next will see good - old Pennsylvania entirely released from the thraldom of Locofocoism. Stung to the quick by the betrayal of their trust in the last Legislature, which instead of attempting to relieve the Commonwealth of its difficulties, only added to the embarassments of the people, by neglecting to pay the interest due on our State debt in Au- at GRAY's news office. You who wish a treat go gust, and Doubling THE Taxes-the people seem every where aroused, to a sense of the gross wrongs which have been heaped upon them, and are preparing to send men to the next Legislature who will introduce honest, substantial RETRENCH-"MENT AND REFORM into every department of the Government.

Tax-payers of Cumberland! the people in all parts of the Commonwealth are looking earnestly to you to assist in this good work by sending representatives to the Legislature who are in favor of this Reform .-Let not your action at the ballot-boxes disappoint them !

REVIEW OF THE MARKETS,

PHIADELPHIA, Sept. 24, 1842.

FLOUR AND MEAL.—The Plour Market this week has been unsettled, with a gradual tendency upwards, we quote to-dry, as the ruling price of Flour, of Standard brands, at \$4.50 per bbl., and Rye Flour \$3.37) per bbl. The stock receipts of both are light, with a fair export demand. Corn Meal is steady at last quotations.

GRAIN.—Wheat comes to market slowly, and prices are firmly maintained at 76 a 85 c for Southern, and 85 a 92c per busitel for Pennsylvania—according to quality. Oats are rather better, and command 23 c per bushel; Southern White flat Corn. 50 cts., Yellow, do. 51 a 52c—receipts light.

WHISKEY—In bbits on the Delaware is selling in lots at 21c per gallonn.

BALTIMORE Sept. 24, 1842.

FLOUR.—Prices have advanced about 124 cents, per bbl. since the close of last week. City Mills is steady at \$4 124 per bbl., cash, and Howard street sold at the same price carly in the week, but subsequently holders have advanced rates to \$4 25, and one or two lots have probably been disposed of at that price—and some at a fraction less. The receipt price is \$4.

GRAIN.—The receipts of Wheat are light, and not adequate to the denand. Sales of Maryland reds at 60 to 85 cents for inferior to prime quality. Oats have slightly improved, and may be quoted at 21 to 23 cents. White Corn has sold at 51 cents, and yellow at 52 to 53, the latter for Pennsylvania; these prices are something better than those at the close of last week.

WHISKEY.—21 to 22 cents, in bbls. Demand limited.
