Medicated Extract of Sursaparilla. It is positively the strongest preparation of Sarsa-parilla in existence. ountry for making therefrom, and who sell it at seventy-five cents or one dollar per bottle (about half a pint.)

The efficacy of Sarsaparilla is well known in Serofula or King's Evil, Erysipelas, Diseases of the Liver, Affection of the Skin and Bones, Ulcers of the Nose, Throat and Body, as well as an Antidote to Mercury and the Minerals, Constitutional Diseases, and a general purifier of the Blood and Animal Fluids. Comment upon its virtues is unnecessary, every hody knows its efficacy. It is only necessary when using it to get a good preparation of it, and then there will be no disappointment in its effects.

Dr. Leidy would refer to the most respectable physicians in Philadelphia, as well as throughout the United States, for the character of his preparation, as well also to the numerous certificates from physicians and others, that have been from time to time published, now deemed unnecessary, as the character of his preparation is firmly established. Throughout the Southern States it is used altogether, and throughout the North takes the precedence over all others, particularly among the physicians, who, for the benefit of their patients, always recommend it. The reader is referred to the directions accompanying each bottle, for recommendations, certificat s, and further certificates.
