Table Baring Robbery! broad through our neighboring western and South-orn counties. Robberies of the most daring kind, have recently been frequently perpetrated. By a alip from the Hogerstown Nows, dated Saturday list, we learn that a letter was received by the Post Master at Hugerstown, from Mr. Wason, of Hancock, which contains the defails of an ex-tensive burglary and loss of money which ore unred on night before last. The store of Mr. Wason was entered and about two \$2000 taken therefrom. About \$500 was in specie, and the rest in notes, among which was \$1000 note on the Merchant's Bank, of Baltimore—three \$100 each and the residue not recollected.— Messrs. Shafer & Robinson's store was entered broad through our neighboring western and South-Messrs. Shafer & Robinson's store was entered also, and 7 or 8800 and a gold Watch taken out. The description of monoy is not spocified in the lottor. The store of Mr. John E. Mann was also entered, but the amount taken therefrom is but small. Fine Almond, Palm, Cartile and other qualities of

influence. That decision has been attained in a man ner altogether unexpected. The unsought acknowledgement of its worth has proceeded spontaneously from thousands, who have experienced its benefits abroughout the country. "And why is it so? Beeceased. cause the trial of its qualities in Coughs and Colds, Hoarscness, Irritation of the Throat Croup, Whooping Cough, Asthma, Catarrha, Palpitation of the Heart, Liver Complaint, Night Sweats, difficult or profuse Expectoration, and all discuses leading to Consumption, has given it a value that no other similar medicine has ever reached.

Complaints of the lungs are the most dangerous and at the same time most prevalent of all disenses. Our elimite is most peculiar ; it changes suddenly from extreme warmth to extreme cold, from wet to dry, and it is from this change in the climate that diseases are apt to arise.

When the blood is in an unhealthy state, and the constitution naturally delicate, if a cold sets in and no immediate relief takes place, the chances are altogether against the patient attacked ; it is when remedies are taken in time, that discuse is checked and life sayed. There is no disease but may not be suffered to go such a length that no medicine or physician in the world can save the person attacked. This should be remembered by all; the satety o life is, to be prepared in time. At the symptoms of a Cold, Cough or Chilliness, THE CLARIFIED ESSENCE OF HOARHOUND CANDY, should he freely used according to directions; and in every case where it is so used in proper time, the Cough or Cold will be broken up or stadicated. The following is one of a thousand certificates the. propriator could show, attesting the virtue of his

### WORMS! WORMS!

KOLMSTOCK'S VERMIFUGE.

KOLMSTOCK'S' VERMIFUGE: This remedy for Worms is one of the most extra-ordinary ever used. It effectually eradicates worms-of all sorts, fiver oblikiton and adults. THOUSANDS perish by worms without the real cause being known. Some other reason is assigned for their sickness, until too late to cure the real cause. What immense responsibility then rests upon the parent who does not know, and the dostor who does not understand, the complaint, which is destroying those previous gowers of tile--children. What should be done? The snawer is plain. Give this versafuge, which will be sure to do good if they have ho worms; and if they have, it will destroy and cradicate them with a certainty and prevision. druly astonithing.
