From 375, Bowery, N. York.

From 375, Howery, N. York. For the cure of Coughs, Pain in the side, diffi-culty of breathing, Bronchitis, and all those affec-tions of the Throat, Luigs and Liver, which are a source of so much suffering and which unarrested so often terminate in Consumption. So extensively has this remedy been used and in so many cures has it proved successful, the proprietor feels no hesi-tancy in recommending it to all who unfortunately have occasion to resort to some means of recovery. Multitudes who have experienced its happy effects, can testify to its utility, and very many rescued from a premature death, point to it as the means of their restoration. The originator of this remedy was well versed in the science of medicine, and a skilful practicioner. Physiciaus familiar with its effects not unfrequently prescribe it in their practice, and with the Medical Faculty generally it has met with a larger share of approbation than is common with exclusive pre-parations. FOR PHILADELPHIA AND BALTIMORE. THE proprietors of the Susquehanna Line will run their Cars and Boats as usual to Philadelphia and Baltimore during the present season. Medicated Extract of Sarsaparilla. It is positively the strongest preparation of Saras-parilla in existence. f country for making therefrom, and who sell it at seventy-five cents or one dollar per, bottle (abouthalf a pint.) The efficacy of Sarsaparilla is well known in Serofula or King's Evil, Erysipelas, Diseases of the Liver, Affection of the Skin and Bones, Ulcers of the Nose, Throat and Body, as well as an Antidote to Mercury and the Minerals, Constitutional Diseases, and a general purifier of the Blood and Animal Fluids. Comment upon its virtues is unnecessary, every hody knows its efficacy. It is only necessary when using it to get a good preparation of it, and then there will be no disappointment in its effects. Dr. Leidy would refer to the most respectable physicians in Philadelphia, as well as throughout the United States, for the character of his preparation, as well also to the numerous certificates from physicians and-other's, that have been from time to time published, now deemed unnecessary, as the character of the Southern States it is used altogether, and throughout the North takes, the precedence over all others, particularly among the physicians, who, for the benefit of their patients, always recommend it.
