TOR nine years this medicine has stood unrivated for the cure of Coughs, Pain in the side, difficulty of breathing, Bronchitis, and all those affections of the Throat, Lungs and Liver, which are a source of so much suffering and which unarrested so often terminate in Consumption. So extensively has this remedy been used and in so many cures has it proved successful, the proprietor feels no hesitancy in recommending it to all who unfortunately have occasion to resort to some means of recovery. Multitudes who have experienced its happy effects, can testify to its utility, and very many rescued from a premature death, point to it as the means of their restoration.
