county: Dear Sin-I procured one bottle of Dr. Wistar's Balsaim of Wild Cherry, from Thomas Reed, Esq., of this place, and tried it in a case of obstinate Asthma on a child of Paul Schwebie, in which many other remedies had been tried without any relief. The Balsaim gave sudden relief, and in my opiniou the child is effectually cured by its use. Yours, &c. JACOB HOFFMAN, M. D. December 22d, 1841.

Dear Siv---Your Balsalm of Wild Cherry has ef-fected some astonishing cures here. One of which is an old lady, Mrs. Russell, who had been suffering for a long time with shortness of breathing, and gen-eral weakness, until alle was finally obliged to keep her bed. After various other remedies had been resorted to in vain, she commenced using your Bal-salm, and after taking two bottles, was so far recover-ed as to be able to attend to all the duties of her house, and on taking two bottles more was entirely cured. Respectfully, &c. Doard S. C. MARTIN.

Pottsville, Pa. CAUTION.—As there is a spurious mixture-ealled Symp of Wild Cherry, purchasers should be very purineular to ask for Dr. WISTAR'S BAL-SAM; and observe his signature on the Bottle;

A tabular statement of the debts and resources of the American States, published in the London Times, has excited some attention in the Metropolis. The

Times says the debt owing by those States that have contracted loans, is \$181,000,000. By letters received in London, it was learned that in a dreadful storm off the Cape of Good Hone, or the 27th of August last, some disastrous shipwrecks had taken place. A large East Indiaman, the Reliance, was lost with one hundred lives. On the same day, the ship Waterloo, with three hundred and thirty English convicts on board, was dashed to pieces and two hundred and fifty of the number perished ! There appears to be trouble in the Ministry o

France. A strong party had formed in the Chambers, with M. de Salvanny and de Lamartine at their head, which would strongly oppose the government.

Mr. Bentón, agrueably to notice, brought in his bill repeal of the law, so that it may not operate in new repeal of the law, so that it may not operate in new eage, and also points out the manner in which it shall effect applications for Bankrupt already pending. The bill was ordered to be printed. Mr. Talfmater submitted a resolution, calling for information relative to the Bankrupt Law-uumber of applications and discharges, information as to its effects and operation, &c. all of which the Secretary of State is to procure and place before the next Con-gress.
