A S the business of MOSES MYERS, who is en-gaged as a Millwright, in Lebanon township, Adams county, has been invired to some extent by the evidence in a late law suit between myself and David Cockley of Lancaster, in which it was repre-sented that the machinery in my mill had not opera-ted properly on account of defects in the wheels constructed by Mr.-Myers...I deem it an act of jus-tice to Mr. Myers to state to the public that I did not and do not believe such to be the case. And I would hereby recommend him as a first rate work-man, the evidence of which can be found by examin-ing the machinery of the mill now owned by me. MiCHAEL G. HELTZHOOVER. Monroe twp.
