A ROWDY MEMBER OF CONGRESS .- The predictions of the editor of the Louisville Journal, says a Washington letter writer, as to the degree to which Mr. Sprigg, of Kentucky, would reflect honor upon the constituency that returned him to this Congress, seem to have been realized. Toward the close of the last session he signalized himself in a fracas at the enting-house under the House of Representatives, and received a severe wound in his hand from collision with broken gainst the Governor. glass : and on Friday night last, at an eatinghouse on Pennsylvania avenue, he got into a fight with a person named Drudge, a miller's cart driver, which terminated in his opponent's biting the largest portion of his car off ! Dr. Sewall did his best to repair the injury, but the fragment of Mr. Sprigg's ear, (which is now in the Doctor's pos-

session) was too much lacerated to be restored, and the Mon, member will of course carry the mark of the scuffle to cis erave.

si blass' al To Miss J. M.C. . Our life is a fast-fleeting dream-A period of constant concern. To the soul that is still out of Christ, Whose doom, like the tares, is to burn.

*Earth's pleasures may charm for awhile, Her pliantoms delude the young mind; But balanced in reason's just scale, They prove to be empty as wind...

When the brow even noble in death, Is balled in affection's warm tens.

In prosperity, sunshine and health, How loth we're to pay God our vow; Will He, by affliction and death; Makes gay youth in humility bow.

But gldry to Gad ! fer Death's sting is gone, but The guare of its vietory even; By faith in the Saviour alone, if Through whom we have access to Heaven.

May this a memento remain Of Jesus our Saviour ind ced-

ENRY L. ELDER, No. 493, Market List steer, above 5th, North side, Philadelphia, having reduced his prices of HARDWARE, to the lowest rates for Cash and in his advertisement named some of the articles with the prices annexed, he finds that others in the same line of business, have offered that others in the same line of business, have offered those particular articles at the same prices, saying they sell as low as ELERA. Now the object of this Card is to invite purchasers to ascertain the lowest prices for which they can purchase every description of Hardware elsewhere, and then enquire at his store, and they will be convinced that he is selling all his goods at similar low prices,—and that he is doing, what he professes to do—*buying only for Cash*, and *selling only for Cash*, which enables him to do busi-ness at such rates as cannot fail to make his store the depot for those who wish to get the most for their money.
