The open profligacy of a portion of the watch before she could utter a single sylceeding days in which life flickered in the press-the direct attack which it makes lable, and then she said with precious tears of humor rolling down her good natured socket, as they were the last moments of upon the character of citizens---its unchecks--- And who is it you want to marpoor Mary. She gave me, as the intervala guarded false statements of what if true of weakness would permit, the particulars would destroy the character of any man,

ry, General ?' · You,' said Uncle Toby, flourishing of her sad story. Her husband, Charles, and its attendant inability to repair the inhis sword arm in the air, and assuming amilitary attitude of defiance, as if he exsacrificed, and he was then imprisoned for enough of good sense to sit still under a pected an assault from the widow immediately.

> . Will you kill me if I marry you ?' said the widow

"Madam !' replied Uncle Toby, in a most serious and deprecating tone, as if to assure her that such an idea had never en. tered his head. " Well, then, I guess I'll marry you,' aid the widow.

"Thank you ma'am,' said Uncle Toby; but one thing I'm bound to tell you of,

nadam-I wear a wir. The widow started, remained silent a noment and then went off into a longer and merrier laugh than she had indulged. in before ; at the end of which she drew; her seat nearer the General, gravely laid her hand on his head, gently lifted his wig off, and placed it on the lable ! General Uncle Tobey had nover known fear in a hot battle, but he now felt a most decisive nclination to run awayas The widow source is the quiet of the grave—that only hope the calm bright perce of Heaven. Sitis 1 remember that the man who bows, smiles, and says soluthings to you, has no gentius love ; while he who loves ness of bis heart, and frequently appears until these libels or attacks reach them. Her five fingers, pulled of the whole head of fine glossy hoir, and placing it upon the table by the side of the General's remain

Dhesterfield ways, never hold any one produced, check, or at least disapprove of her accepted lover, guite beld. by the builon, or the hand, in order to be the evil-causes. It is in vain that the viry As may be expected. Uncle Toby not need only for if people are unwilling to these complain of the violation of the law, soon grew so merry over the affair, then bear you, you had better hold your tongue when they, by their continuance or approve the maid servant peeped through the key than them. This is good advice. Willight frogality none can be right and cause of the effect deplored. with it few would be poor.
