## SUBBAT READINGS

#### THE MOTHER'S BIBLE GIFT.

BY MRS. BARON CORNWALL WILSON. When in foture distant years Thou shall look upon this page; Through the crystal vale of tears. That dim our eyes in after age, Think it was a mother's hand, Though her smile no more thou'lt see. Pointing towards that " better land," Gave this sacred gift to thee !-Lightly thou esteem'st it now, For thy heart is young and wild And upon thy girlhood's brow, Nought but sunny hope hath smiled ! But when disappointments come, And the world begins to steal All thy spirits carly bloom, Then its value thou wilt feel !.

To thy chamber still and long, Fly,-and search this sacred page, When earth's blandishments are gone, Every grief it will assuage ! Close thy door against the din Of worldly folly-worldly fear-Only let the radiance in Of each heavenly promise there!

When the bruised spirit bends .'Neath the weight of sorrows chain When of all life's summer friends, Not one flatterer shall remain, Lay this unction to the wound Of thy mnitten, bleeding breast Here the only balm is found That can yield the weary rest!

Not alone in hours of wo " Search the Scriptures," but while joy Doth life's blissful cup o'erflow, Be it oft thy sweet employ ; So remembering in thy youth, Him whose Spirit lights each page, Thou shalt have abundant proof, He will not forget thine age.

THE BOOK FOR THE INTELLECT.

who have received his Spirit and life, in a The bible must be brought into action. It must shape the intellect and inspire the continued consciousness of his presence heart of the young. Its treasure must be and his love ; to whom there is no need thrown open to their view. The nature, that they should pray for the sky to be oextent, and value of its history must be enpened, that they may see and hear God .graved upon their memories. they must God dwelloth in them already and they in be taught to sit on the brow of the sacred God. The Heaven is opened, and the anmount, and listen to the philosophic sages | rels of God are every hour ascending and of inspiration, while they expound to their descending on that son of man, who, through opening faculties the sublime theory of a living faith in Christ, nath been adopted nature. They must be permitted to soar through him to be a son of God. So perupon-the-pinions of a heaven-illuminated feetly may the Prophet Jonah, the sign of fancy, and explore the broad limits of the Christ's death and resurrection, be renderuniverse, and celebrate with the Psalmist ed to each one of us, all that we-bould dethe character of the great Creator, and with sire in a sign from Heaven.—Dr. Arnold. The prophets pursue the destinies of the deathless spirit, as it rises to the dignity XI ELADERIA VILLETA and enters upon the fruition of immortality. Dr. I. C. Loomis, Dentist, Everything, in a word, should be attempt-Everything, in a word, should be attempt-ed to render the Bible more engageing to Spermanently located in Carlisle, and will per-form all operations that are required in the the young. RECOMMENDATIONS

ave been published frequently, in the papers, from Physicians and Clergymen, Members of Congress and State Legislatures,

spectable private citizens, and among them many of the most distinguished members of churches and other institutions, reference to Dr. Leidy's Medicines, and it is hop-

In setting forth the virtues of this truly great me-dicine, we have no desire to deceive those who are haboring under affliction, nor do we wish to culogise it more than it justly deserves. Yet when we look around and see the vast amount of suffering and dis tress occasioned by many. of the difference in which this medicine has proved so highly successful, we feel that we cannot urge its claims too strongly, or say too much in its favor. Various remedies it is true have been offered and puffed into notize, for the cure of diseases of the Lungs, and some have no doubt been found very useful, but of all that have yet been discovered, it is admitted by physicians and all who have withessed its effects, that none has proved as successful as this. ed from the numerous certifications into to 18 for-ed from the numerous certificates and rear, that all that is now necessary is to keep them before the public, that they may be reminded of them, where they may obtained genuine, &c. &c. One of the most valuable is

DR. LEIDY'S

Sarsaparilla Blood Pills. These celebrated Pills are daily recommended in Diseases of the Stomach | Impurities of the Blood

SURPRISING VIRTUES. Of this Balsam, that even in the advanced stage of Consumerrors, after all the most esteemed remedies of physicians have failed to effect any change, the use of this medicine has been productive of the most astonishing relicf, and actually effected cure after all-hopes of recovery had been despaired of. In the first stages of the disease, termed "Cataf" had Consumption." originative from neglected Colls. minutes of the block, generating diseases of the Stomach, Liver Heart the Spleen, Kid-neys, Bones, &c. &c. Ulcerous Sores of the and Bowels, Illious Affection Billious Affe Inbitual Costiveness, In the first stages of the disease, termed "Catar-bal Consumption," originating from neglected Colls, thas been used with undeviating success, and har-lreds acknowledge they owe the restoration of lefi-balth to this invaluable medicine alone. In the orm of Consumption so prevalent amongst defiate young females, commonly termed debility, or dignation, Flatulency, Want of Appetite, Sourness of the Stomach, Nose, Throat & Body Scaly, Eruptions and Blotches of the Sking Waterbrash, Heartburn, Foul and offensive breath,

Bad taste in the mouth, Inward Pains, Pains of the Dry and watery pimple of the face and body Stomach, the Sides, and Headache, Giddiness, A complaint with which thousands are lingering, it has also proved highly successful, and not only pos-seasos the power of checking the progress if this alarming complaint, but also atrengthens an invig-orates the system more effectually than an medialong the Back; Rheumatic Pains, Gont, ALSO IN

ALSO IN Constitutional discases, produced by Mercury and other mineral preparations, as well as the dangcroup consequences resulting from the improper treatment of Syphitis, &c. &c. "The Life of the Flesh is in the Blood." orates the system more effectually than ap medi-cine we have ever possessed. Besides its surprising efficacy in Constitution, it is equally efficacious in *Liver Complainfa-dathma*, *Branchitis*, and all affections of the Longs and has curted many of the most obstitute cases, shere every other remedy had failed. for For particulars see Dr. Wistar's Trefise on Consumption, to had or the Arcents.

"The Life of the Flesh is in the Blood." Leviticus, ch. XXII, v. 11. Be ye purified in your Blood, And health will attend you. "The great principles advocated by Dr. Leidy, and in which he is supported by scripture, are ist. That vitality is contained in the Blood. 2d. The Blood, becoming vitiated or impure, gives rise to numerons diseases of the organs of the body, the stomach, the liver, the heart, &c. &c. 3d. That whatever has the effect of purifying the Blood, possesses the power of re-establishing health-ful action to the body. 4th. That Purgation and Starvation, or, in other words, purging to the extent that is too frequently

words, purging to the extent that is too frequently done, and at the same time enjoying low diet, and abstinence from food almost entirely, are productive of much more mischief than is generally supposed and in proof of it will only remark, that By Purgation—The human system is more or less

debilitated, for the very simple reason that in the process of purging all is carried off from the stommo-rom which nourisinnent is derived and distributed

throughout the system. By Starsation—Nourishment is absolutely with-held from the system so necessary to it, both for su-atining visal action and aiding instance in bearing up

against that progress of disease. It gener the consequences of too much purging, and a continue d der must be to produce such a condition of the sy tem as will enable disease to make more

of the system as will enable this as to basic hore rapid prefress, and extend it, solution more easily, and in a briat sime throughout the system. Admitting the foregoing, is becomes necessary to inquire how is the Blood to be purified? and in em-ploying the means, how is the system to be guarded against any serious consequences? "It's easily answered— Ken all sour ille WE HAVE STILL MME HOPE.

Take-Dr. Licidy's Blood Pills.

These Pills operate gently, though effectually ey do not produce prostration of the system, as moy

Is do. They require no restraint either, from occupation or the regular mode of living. No fear need be en-terthined of taking cold from their use, and may be

TO FAMILIES & INVALIDS

The following indispensable family remedies may be found at the village drug stores, and soon at every country store in the states Remember and never get them unless they have the fac-simile signature of

Cometa heres on the wrappers, as all others by the same names are base impositions and counter. feits. . If the merchant nearest you has them not, urge him to procure them at 71 Maiden-lane, the next time he visits New York, or to write for them, No family should be a week without these remedies.

fect order, the bowels regular, and a determination to the surface. COLDS COUCHS

pains in the bones, hoarseness, and DROPSY are quickly cured by it. Know this by trying.

Attending the use of this medicine indiscases of the Lungs, and the many singular cure it has ef-fected, having naturally attracted the itention of many physicians, (as well as the whole aternity of quacks) various conjectures and surmiss have arisen respecting its composition; some physicians have supposed it to contain *Iodine*, other igrant preten-ders asy it must contain *Mercure*, and some such ers say if must contain Mercury, an uers say ir must contain *Juercary*, and some such substance they each attribute its singur efficacy.— As such opinions are altogether errorsous, and cal-culated to prejudice many persons signat it, we -PLEDGE-OUR-HONR That it contains nothing of the kld, or any thing the least injurious; on the contrart is composed of the most simple substances, the inciple of which are the extracts of TAR and pd Cherry Bark, are the extracts of TAR and the Cherry Bark, and the whole secret of its effort consists in the mode by which they are prepared. As we have already, publisher amerous certifi-entes from the highest authors which prove its virtues beyond all doubt, we confer it unnecessary to exhibit a long list of them if is place, and will only mention a few cases, to shy what it has done.

WHILE LIFE RMAINS

modern poet has correctly and beautifully said-\*As into seven softer bues Shivers the silvery beam of light, As all the seven rainbow hues

Run back into the dazzling white ! So round the swimming eyes of youth

With all your glancing witcheries play ; So flow into one bond of truth, Into one stream of perfect day."

Can the reader evade the poet's touching sppcal ? What exertions should be regarded as arduous in comparison of so happy a result! Let the Sabbath school be made a nursery of little plants extracted from the paradise of revelation, Let the smaller gems of the Bible be transferred to the coroner of all juvenile readers .. Let the pulpit become radiant with the literature of the Spriptures. Let the halls of education emit the twofold splendor of classic and Biblical learning. Let the fireside the family circle, be aderned and hallowed by choice recollections of the history, philosophy, and posity of inspiration. How many youth- JOHN' JOHNSON, formerly Merchant of ful; straying feet, might be allured to the noblest walks of piety and duty, if the parent only, the mother, would take the pains to display the flowers which in-spiration has thrown upon, these paths of nave proved their Debre and all deticioners, who peace !. For himself, the writer will take occasion at this moment to render a tribute of gratnude to divine Providence, that a mother was allotted him who loved and appreciated withe Bible r who stored his young lancy with such height ima-ges and lavely pictures as a boy could re-baying. Thus and a boy could re-Course and any set is inductive to the such as a boy could re-course the such as a boy could re-course the such as a boy could re-taine the such as a boy could re-course the such as a boy could re-course the such as a boy could re-taine the such as a boy could re-taine the such as a boy could re-course the such as a boy could re-taine the such as a boy could re-course the such as a boy could re-taine the such as a boy could re-taine the such as a boy could re-taine the such as a boy could re-course the such as a boy could re-taine the such as a boy could re-course the such as a boy could re-taine the such as a boy c ceive. Thus early was he induced to reverance that religion, the record of which to had been taught to admire ; and how,

"Before Dyrivysie aller, measurie Truth, I kneel in manhood, sa'i kneel d inyouth; Thus let me kneel, till dis dull form denay. And life's list shade be brighten'd by thy ray ; Then shall my soul, now lost in alouds below. Spar, without bounds, without community, glow!

Whapyer is, bonest:genetons, courteons,

Woodstown, Sept. 4, 1841.

Dear Sir-Augh your invaluable medicine has already found adreads of powerful advocates, it may still be gying to you to receive a communi-eation from Done that has been relieved by it. Such, Sir, iffy my case. I have been a victim fo, that terr disease Consumption, for many months, and e suffered so much, that I had be-come alméveary of my life. Heating your Balsalm schily praised, I began taking it a few weeks bached ean assure you it.has relieved me more than thing I have ever used before, and I gonfident lieve it will cureme effectually. Please give the for the worth of the enclosed, and oblige Your spectfully, Joury PEAUSON.

on for weeks and even months without thinking of the danger. At first you have what you may consider a slight cough or cold; you allow busi-ness, pleasure or carelessness to prevent you from Chester County, Sept. 6, 1841. istar-It gives me much pleasure to in-hat my wite's health has improved very she has been using thy Balsalm of Wild d we think there is no doubt but that it a. She bits taken the trop bottleat numgiving it any attention; it then settles upon your breast, you become hoarse, have pains in this er. She has taken the two bottles I put side or chest, expectorate large quantities of matter, perhaps mixed with blood, a difficulty of the speer. She has taken the two bottles I pur-hassign thee a short time since, and her cough s minetter she also sleeps well at night, and availas found nothing to give her so much re-iendice will please give the bearer two bottles breathing cusues, and then you find your own foolish neglect has brought on this distessing complaint. If then you value life or health, be warned in time, and don't trifle with your Conn

TION, &c. aftersvery ether medicine has failed. ( \_\_\_\_\_\_He particular when you purchase to ask for . Dr. WITTAD's Harsan or Witto Contury.)

Thy Friend. EDWARD HOLMES. Lancaster county, July 18, 1844.

or trust to any quack nestrum to cure you, but immediately procure a boldle or two of that fa-mous romedy, the "Bazsasi or WILD CHERRT," which is well known to be the most speedy cure The second secon ever known, as thousands will testify whose lives have been saved by it. IIT Be very particular when you purchase to ask for "Dr. WISTAR'S BAISAN OF WILD CHERRY," reveral doctors, yet I could not find any thin lieve me until I used some of your Balsalm. me bottle from a neighbor of mine who is usin as there is also a synup of this name in use. Prepared, wholesale and retail, by WILLIAMS Co., Chemicts, No. 33 South Fourth street

and have found such wonderful relief from it the we no doubt it will cure me effectually. Philadelphia. Wery respectfully yours, &c. Robert Homman. Sold in Carlisle by

Read the following fram Dr. acob Hoffman sician of extensive practice in Huntingdo June 22, 1842.

Dear Sir--- I procured one bottle of Dr. Wiston GROUP IN CHILDREN. Balsaim of Wild Cherry, from Thomas Reed, Esq f this place, and tried it in a case of obstinat Asthma on a child of Paul Schwebie, in which man MOTHERS, BE ON YOUR GUARD!-This is the season when this destructive complaint attacks your interesting little childron, other remedies had been tried without any relief. The Balsaim gave sudden relief, and in my opinior the child is effectually cured by its use. Yours, &c. Jacon Horman, M. D. often robs you of those you fondly doat on, and carries, hundreds, to the grave. Every mother

gs - Dear Sir--Your Balsalm of Wild Cherry has af-feeted some astonishing cures here. One of which is an old lady, Mrs, Russell, who had been suffering for a long time with shortness of breathing, and gen-eral werkness, initi she was finally obliged to keep her bod. After various other remedies had been resorted to in various other remedies had been ther bod. After various other remedies had been salm and after taking two bottles, wass far resorter. alm and after taking two bottles, wass far resorter. alm and after taking two bottles, wass far resorter. alm and after taking two bottles, wass far resorter. as far the incomes that far full Cowar that will surely ter-incuss, and on taking two bottles. 5 first the little patient is seized with a shivering, it growsrestless, hasfushes of heat, the eyes become rod and swollen, it breathes with difficulty, and then comes that fearful Cover that will surely ter-minate in convulsions or death unless something with it be the const speedy ever dicovered. It is indeed, be the most speedy ever dicovered. It is indeed, precious remedy—mild, safe and indeed every mo-ther who loves her children, should always keep the sure to give the sufferer immediate relief, and guickly restore it to safety and health. Fami-ther who loves her children, should always keep the who has so you may ofted are the life and you fondly love. Rememberthis is heatman of the same the is also and give it is is faffmens ther who haves and give it is sheat are the life and you fondly love. Rememberthis is heatman of the same the solid be dence. Town of the same the boase and give it is sheat and give it is a state for the same with early by doing so you may ofted are the life more you fondly love. Rememberthis is heatman of the same the solid be dence. Town to may and indeed overy mo-ther who loves her children, should always keep the sup of the same and give it is the family which will be sure to do good if they have no worms i and if they have, it will destroy and endiese the will be sure to do good if they have no worms i and if they have, it will destroy and endiese the will so they have, it will destroy and endiese the will so the sure to do good if they have no worms i and if they have, it will destroy and endiese the will so they have it will destroy and endiese will so they have it will destroy and endiese will and STEVENSION & DINKILE-and in Harris-ter, which half are and thous of the word with a date with a strict which will a strict who word with a strict with opping to you may ofted a strict who word is the strict weet in the strict with a strict with the strict who word with a strict who word with the strict weet is the strict weet is the strice word with and strict who who word wi ed as to be able to attend to all the duties of her house, and on taking two bottles more was entirely oured. Respectfully, So. John S. C. MARTIN

JOHN S. C. MARTIN. Pottsville, Pa. CAUTION.—As there is a spurious mixture called Syruh of Wild Cherry, purchasers should be very particular to ask for DR. WISTAR'S BAL-SAM, and observe his signature on the Bottle.
