CAR MARKET HOUSE. FIRE ASURANCE.

The following beautiful description of THE SOU is from Byrni's Hebrew Molodies. When coldness wraps this suffering olay, Ah, whicher stays the immortal mind/ R count die, it cannot stay, But heaves its darken d' rust behind. Then, unembodied, doth it trace By steps each planet's heavenly way?. Or fill at once the realms of sp A thing of eyes, that all survey ? Eternal, boubdless, undecay di A mought unseen, but seeing all, All, all in each, or skies diaplay de

THE SOUL.

Shall it survey, shall it recall. Eaph Julater trace that memory holds Boldarkly of departed years, In one broad glaine the soul beholds, And all, that was, at once appears.

Before creation peopled earth, Its eye shall roll through chaos back i And where the farthest heaven bad birth, The spirit trace its rising track. And where the future mars or makes, Its glance dilate o'er all to be, While sun is quench'd or system breaks, Fix'd in its own eternity.

Above or Love, Hope, Hate, or Fear, An age shall passionless and pure : Its years as moments shall endure. Away, away, without a wing, O'er all, through all, its thoughts shall fly A nameless and eternal thing, Forgetting what it was to die.

"THE FAITH AND ENERGY."

BY ROBERT MORRIS, ESQ.

Perhaps there never was a period in off from the rail road to send their produce to mar-set in this way, who would bring it to the stores of depots along the rail road, should such be establishour history, when greater necessity existed for the exercise of the recuperative depots along the rail road, should such be establish-ed, and sell to storekeepers or dealers of produce-ulong the line, who would always be prepared to buy and forward it to the ear market. It is desirable that suitable persons should estab-lish, such depots for the reception and forwarding of such produce, either on commission or on own ac-count. Storekeepers in the interior might thus find, ready suits and quick returns for produce received by them. The Sure brings the cars to the Market ilonse by steam, so that horse power will not be re-quired. energies of the people and of the country, than at this present moment. Thousands have been injured by the vicissitudes of trade and change of fortune. The rich have become poor, and the independent have lost their means of support. Many under such circumstances are disposed to quired. despond. They fear that their chance has gone by, that the tide in their affairs April 12, 1843. has been at its flood and is subsiding; that the future has little hope, or no encourage? BALSAN OR LIVERVORD ment for them. Not so, however, in a From 375, Bowery, N. York. country like ours; if we possess health and

From 37.9, Bowery, A. Fork. For the cure of Coughs, Pain in the side, diff-culty of breathing, Brouchitis, and all those affec-tions of the Throat, Lungs and Liver, which are a source of so much suffering and which unarrested as often-terminate in Consumption. So extensively has this remedy been used and in so many cures has it proved successful, the proprietor feels no hesi-tance in recommending it to all who unfortunately large or to some m ans of recovery. energy, and are on the sunny side of fifty, ingenuity, industry and perseverance,"time faith and energy," will accomplish much. Some of the most eminent men that ever lived were comparatively obscure in early life. Adversity not only tested their energy Multitudes who have experienced its happy effects, an testify to its utility, and very many recycled from a testify to its utility, and very many recycled from a premature death, point to it as the means of their gies, but it roused and excited their minds. They saw the necessity of an extraordina-

restoration: —The originator of this remedy wrs well versed in the science of medicine, and a skillel practicioner. Physicians familiar with its effects not unfrequently ry struggle ; and nerving themselves to the trials and temptations of life, they rushed on boldly and in most cases with success. prescribe it in their practice, and with the Medical Faculty generally it has met with a larger share of approbation than is common with exclusive pre-The truth is, that experience, although a Revere, is a most excellent task-master. No one knows better how to onjoy wealth were taken from the last number of the Medica Were laken from the has a sum Magazinet "The surprising effect produced by the genuine Dr. Taylor's Balsam of Liverwort, made at 375 Bowery, in consumptive cases, cannot fail exciting a deep and thrilling interest throughout the world. We deep had built of this disease (consumption) inthan the individual that has acquired it through the sweat of his brow. Few understand the real mutations and the true nive so long believed this disease (consumption) in urable, that it is difficult to credit our seases when

H compound Balaimic preparation of the Prinne symmut or "Wild Cherry Back?combined with a Extract of Tay, pepared by a new ohiemical oces, approved Said recommended by the most ocess, approved and recommended by the most stinguished physicians, and universally acknow dged the most valuably medicine ever insovered NO QUACKERY III NO DECEPTION. NO QUACKERY 11 NO DECEPTION. In setting forth the vigues of this truly great me-dicine, we have no desire to desire those who are laboring under afflication, not desire those who are it more than it justly desarres. Yot when we look around and see the vast timum of bafflering and dis tress occasioned by many, of the diseases in which this medicine has proved so highly successful, we feel that we cannot urge its claims too strongly, or say too much in its favor 3. Various remedies it is true have been offered and puffed into notice for the euror of diseases of the tungs, and some have nov doubt been found very useful, but of all that have yet been discovered, it is admitted by physicians and all who have witnessed its effects, that none has proved as successful as this. Such, infleed, are the

luch, indeed, are the

SURPRISING VIRTUES

SURPRISING VIRTIES Of this Balsam, that even in the advanced stage of Corsesurerion, after all the most esteemed remedies of physicians have fulled to effect any change, the use of this medicine has been productive of the most astonishing rehef, and netually effected cures after all hopes of recovery had been despaired of. In the first stages of the discase, termed "Catarr-hal Consumption," or originating frien ngglected Collas, it has been used with undeviating meess, and hun-dreds neknowledge they owe the restoration of their health to this invaluable medicine alone. In the form of Consumption so prevalent amongst delicate young lemales, commonly termed debility, or "GOING INTO A DECLINE"

"GOING INTO A DECLINE," complaint with which thousands are lingering, i

A complaint with which thousands are lingering, it has also proved highly successful, and not only pos-sessos the power of checking the progress of this alarming complaint, but also strengthens and invig-opates the system more effectually than any medi-tine we have ever possessed... 'Besides its surprising efficacy in Consumption, it is equally efficacious in *Liver Complaints*, Atthma, Brinchitis, and all affections of the Lungs, and has ever of many of the most obstinute cases, after every other remer's had failed. GC-For particulars see Dr. Wistar's Tre ise on Consumption, to be had of the Agents. THE EXTAORDINARY SUCCESS

tending the use of this medicine in diseases the Lingg and the many singular cures it has a ected, having naturally attracted the attention o many physicians, (as well as the whole fraternity o many physicians, (as wen as the whole internity of quarks) within the source of the source of the source of respecting its composition; some physicians have supposed it to coldain *Iodine*, other ignorant preten-ders say is must contain *Mercury*, and to some such substance they each attribute its singular efficiely. As such opinions are altograber erroneous, and cal-culated to prejudice many piersons against it, we

I PLEDGE OUR HONOR

That it contains nothing of the kind; or any thing the least injurious; on the containtyr, it is composed of the most simple substances, the principle of which are the extracts of TAR and *Wild Cherry Bark*, and the whole secret of, its efficacy consists in the mode by which they are prepared. As we have already published numerous certifi-cates from the highest authority, which prove its virtues beyond all doubt, we consider it unnecessary to/establish a long list of them in this place; and, will, oply finention a few cases, to show what it has done-

WHILE-LIFE REMAINS

WE HAVE STILL SOME HOPE.

WE HAVE STILL SOME HOPE. A SURPRISING CURE.—Among the many singular cures which this medicine has effected, there is perhaps none in which its powers are so fully shown as in the case of Mrs. Austin: This lady had been consumptive for several years, and during the greater part of this time had received the best medical Mrention, and tried all the most valuable remedies, set nothing could be found to arrest its progress. She became subject to violent fits of coughing, expectorneed large quantities of. arrest its progress. She became subject to violent fits of cougling, expectorated large quantities of matter occasionally tinged with blood, and step by step this fearful disease continued its course, until all hope of a recovery was entirely despaired of.— While in this distressing situation, lingering upon the very verge of the grave, she commenced the use of this Balsdim, which, to use her own expression, operated almost like a charm. In a few days she expectorated freely, the cough was gradually sup-pressed, and every day appeared to add fresh vigor to her looks, and now, in the place of that emaciated form withering to decay, she is seen minefing in

form withering to decay, she is seen mingling in society, in better health than she has enjoyed fo TA discount to wholesale dealers.

and intellectual nature, determined not to be intimidated by a single blow of misfortune, or to be disheattened because clouds and darkness occasionally obscure the prospect. This at least is the true policy. The Deity has given us many noble attributes. We live in a world which presents 'many means of subsistence. Our country

is rich in soil, in fertility, in health and in enterprise. Millions yet unborn may grow up and prosper upon her bosom; while new sources of industry, of wealth, and of prosperity, are developed with every year of our national existence. Again, then, we say to those who have suffered or are suffering from the mutations of fortunebe not cast down-do not despair ! Gather and glorious vines, which born in dark-ness and obscurity, spring forward and court the sunshine and the light, as essena lesson from some of the frail but green court the sunshine and the light, as essen-

tial to its existence. The gloom of to day may serve but to prelude the glory of tomorrow The thick cloud which hovers above, and darkens our path, may soon pass away and give place to blue skies and golden sunshine, 'Nature,' observes an 'sloquent writer, "scatters the seeds of ge nius to the winds, and though some may perish among the stony places of the world, and some may be choked by the thorns and brambles of early adversity, yet others will now and then strike root, even in the clefte of the rock, struggle bravely up into F sunshing, and spread over their birth-place March 15, 1843. ways offortune. It is a cherished theory Ways of fortune. It is a cherished theory of ourse that sooner or later, even in this the she beings who cling to truth, virtue and integrity who have here in the sooner of PAPER HANGING, in and integrity-who have hope in Heaven,

Woodstown, Sept. 4, 1841. Dear Sir—Although your invaluable medicine has already founit hundreds of powerful advocates, it may still be gratifying to you to receive a communi-cation from any one that has been relievad by it. Such, Sir, is-trolyamy.case. I have been a victim to that terrible disease Gonsumption, for many-months, and have suffered so much, that I had be-come almost weary of my life. Hearing your Balsalm so highly praised, I began taking it a few weeks back, and can assure you it has relieved me more than any thing I have ever used before, and I confidently believe it will cureme effectually. Please give the bearer the worth of the enclosed, and oblige DRY CODDS STORE. No. 771 Market st. North Side .-- above Second ive the bearer the worth of the enclosed, and oblige Yours Respectfully, JOHN PEAUSON. Yours Respectfully, EF Goods for Call-at Auction prices.

Chester County, Sept. 6, 1841. Friend Wistar-It gives me much pleasure to in-form thee that my wife's health has improved very much since she has been using thy Balsalm of Wild Cherry, and we think there is no doubt but that it will enre her. She has taken the two bottles I pur-ehased from thee a short time since, and her cough is much hetter she also sleeps well at night, and says she has foun notning to give her so much re-tief. Thee will please give the hearer two bottles more for Thy Priend, EDWARD HOLMES. HE subscripers have determined to HE subscretzs have determined to conduct their Jusiness upon the CASH System, and will sell their foods as low, if not at a lower grade of profit, the has heretofore been done in Philadelphing—notine article redreted very low, in the expectation of baking it up on other Goods— but their prices shall be all corresponding low. Their prices will be govened by the Auction rates—sell-ing at the same prices, nat Cash, as the Auctions do on time—contenting themselves with the Interest for the time as theil Profit. This cannot but present a strong induceme for buyers, especially from the Country, to call on hem in preference to purch-sing at Auction, where persons do not get the time dis-count, unless their bills reach a certain amount, to which amount it is to always convenient for Coun-try Buyers to purchase; and it will also avoid the disadvantage of large lots, and afford more time to select.

Lancaster county, July 18, 1841. Lancaster county, July 18, 1841. Dear Sir—Please send me two bottles of your genuine Balsalm of Wild Cherry. 1 have Leen af-dicted with Consumption for the last two years, and suffered very much with a serece cough, pains in my breast, difficulty of breathing, night sweats, &c., and having tried numerous remedies, and also been under several doctors, yet I could not find any thing to relieve me until I used some of your Balsalm. I got one bottle from a neighbor of mine who is using it, and have found such wonderful relief from it that I have no doubt it will cure me effectually.

have no doubt it will que me effectually. Very respectfully yours, &c. Robert Houstan.

DRead the following from Dr. Jacob Hoffman physician of extensive practice in Huntingdor unity:

county: Dear Sir--I procured one bottle of Dr. Wistar's Balsalm of Wild Cherry, from Thomas Reed, Esq of this place, and tried it in a case of obstinaty Asthma on a child of Paul Schweble, in which man-other remedies had been tried without any relief The Balsalm gave sudden relief, and in my opinion the schild is effectually cured by its use, Vanna & Ka. JAcon Horzman, M. B. Mechanicsburg Line Between Aechanicsburg and
