

while the young ladies are engaged in their exercises; nor will any populs be received for this kind of instruction only "In reference to the boarders, the teachers recognize no suspension of the duties of instruction. The horsehold associate with each other out of school hours, on terms of carsy and respectful familarity; and the errors and ignorances of the pupils are noticed with a kind solicitude for their improvement. On all occasions, in their recreations, walks, or fire-side conversations, young ladies who use provincial, improper, or ungrammatical expressions, are kindly corrected. A vicious pronunciation is especially job to hoticed. The same care is devated to their personal depertment, mich and holis. An awkward ait, an ungraveful stoop, a massi twang, must be expected to call forth from any interess the proper "advice and direction. But the chief vare of the educator, in these hours of relaxation from the severer duties of the school noom, is to be devoted to their personal department, mich advice, alternity, ease, and naturglness of minuters. To do an utually-like thing, calls for authoralive advice, but any violation of the wor Christian kindness and courtey, is to be cliceked by the teacher with the most autions concern"
