If it is said that others Protection. Mr. Clay refers all who desire infor- would pursue the same system, we answer that mation of his opinions to his published speeches the founder of the system is the natural executor of former years, and especially to the exposition which will be found over his name at the head of American iron, lead, hemp, wool, and cotton, our paper., He makes no attempt and has no unteer" lives in a manufacturing county, where cause to evade ar shrink from an examination of tariff; the safest friend to interior commerce, opposition to the Tariff dare not be named, and

his past course on this subject. And now as to his allusion to the "circumstances highly discreditable to American legislation" in the passage of the Tariff bill of 1828. We have be the President who has triumphed over the an explanation furnished to our hand by the New

considerable length, we will endeavor to prove by York Tribune, which says : Mr. Clay's late letter and former public avowals "The Richmond Enquirer is trying to mystify Mu of his opinion on the subject of the Tariff, and Clay's allusion to circumstances highly discreditable cants for treaties with Mexico and South Amer-o American Legislation, which were connected with fica, would be the clonnent advocate of their own by the opinions of Mr. Van, Buren, Mr. Calhoun the passage of the Tariff of 1828. "The facts are thus: The people in that year called for a more efficiently Projective Tariff, and Congress was favor-able. But there was a Jackson mijority in each House, and Messrs. Silas Wright, and Martin Fan and Mr. Buchanan as 1. Jely avowed, that Mr.

present Tariff, while the three latter gentlemen House, and Messrs. Sidas II right, and Martin Van Buren were in Conjeres, from this State. These gentlemen determined to concoct such a Fariff as should compet the New England Members to vote in the negative : and this they effected by imposing extraordinary duties on Molnsses and other raw pro-dacts largely consumed in New England. In this way, they contrived to create an impression through the Middle States that Mr. Adam's especial friends were house to the Partiefity pulier while they are directly opposed to it. And we think from 85-The Boston Atlas gives a detailed account the facts we are able to present upon this subject mesty. It is well known that the parties in the be recognized in those islands. last Legislature of Massachusetts were so nearly were hostile to the Protective policy, while they flourish away as the champions of the *Jackson* Tariff, which was most unequal and ill-digested in its pro-visions. The true triends of Protection found the our manufacturing interests, their only hope for it lies in supporting Whig measures and Whig men, and especially the great Statesman and men, and especially the great Statesman and "author or THE AMERICAN SYSTEM," HENRY CLAY ! Let us first orblish Mr. Clay's last letter on the subject of the Tariff. Locofocoism is triumphing

as it was presented to their it and some of them went one way and some the other. It was the contriving and shaping of the bill to accomplish a sinister pur-pose which Mr. Clay justly prononnece 'discredit-able;' and yet the Enquirer says that if discredit-able; and yet the Enquirer's and yet the Enquirer's and the Enquirer's and yet the Enquirer's and yet the says that if the enquirer's and yet the Enquirer's and the Enquirer's and yet the Enquirer's and yet the says that if the enquirer's and yet the the enduirer's and the enduirer's and yet the enduirer's and yet the enduirer's and the enduirer's and yet the enduirer's and yet the enduirer's and the enduirer's and yet the enduirer's and yet the enduirer's and the enduirer's and yet the enduirer's and yet the enduirer's and the enduirer's and yet the enduirer's and yet the enduirer's and the enduirer's and yet the enduirer's and yet the enduirer's and the enduirer's and yet the enduirer's and yet the enduirer's and the enduirer's and yet the enduirer's and yet the enduirer's and the enduirer's and yet the enduirer's and yet the enduirer's and yet the enduirer's and the enduirer's and yet the end over this letter because instead of a high Protoc. tive Turiff. Mr. Clay only asks for incidental protection in establishing a Tariff. And further, Our article is growing to an enormous length, "the identity of his (Mr. Clay's) views with those but the subject is of vital importance to the peoof the gentlemen from whom a democratic candi- ple and every person ought to know the views date for President will be taken, will convince the held of the Tariff by our public men who are one and all in favor of Henry A. Muhlenberg, for people that governmental action on that measure looking to the Presidency. We have shown that will be the same, let who will be elected." A Mr. Clay is and always has been a Tariff man

great ado is also made about the expression in from principle. Now let us see how the public Mr. Clay's letter that the Tariff of 1828 was avouals of Mr. Van Buron, Mr. Calhoun and Mr. the House, but well known as a doer of the dirty passed under circumstances "highly discreditable Buchanan will bear out the assertion of the "Vol. to American legislation,". All this shall be ex- unteer" that their views are so identical with Mr plained after we give the letter, which is as follows: Clay's, as to "convince the people that govern. ASHEAND, 13th September, 1843.

DEAN SING I received your favor, addressing who will be elected !" Dan Sint" I received your favor, addressing some inquiries to me, in respect to the holicy of pro-teeting American interests. On that subject I have frequently publicly expressed my scattments within the last two years. In the Senate of the United States early has year, I fully expressed my views, and what I said then was published. About the same time, I communicated them in the answer which I transmitted to a letter, addressed to me, by a Committee of the Legislature of New York, which was also published. I again expressed my opinion in reply to a letter which I received from a fellow-retitizen of Philadelphin, requesting me to state the 1 Let us see the "identity" in Mr. Van Buren's Enquirer of the 17th of October. savs : "We seize this opportunity, too, to convey our astonishment that any one should have ventured sitized of Philadelphia, requesting me to state the minciples of the Whig party. A statement of them, o compare the opinions of Messrs. Clay and ment of them, Van Buren upon the tariff. We have a letter be is understool by no, was accordingly much, and it is understool by no, was accordingly much, and it is now conspictionsly published at the head of many geospheres. The last expression of my opinion, is contained in a letter, which I recently addressed to fore us, sent to us by a friend, and addressed to him by Mr. Van Buren, in which Mr. Van Bu-ren denounces and utterly disclaims, the present Solution in a reter which I not transmit a copy. If roulaid seen these various expressions of the opin-ons which I shold on the subject of your letter, I pre-ume you would not have deemed it necessary to adtariff law; and we all know that Mr. Clay, in etter or speech to some of the citizens of Ke

tucky, complains heavily of the prospective de-signs of the Republicans to strike at that law." The sum and substance of what I conceive to be Mr. Culhoun, he is so rampant, fiery and uncom-That's sufficient for Mr. Van Buren ! As for

promising a Free Trade man, that it is an utter absurdity to talk of him having an "identity of ing house, and the bill paid by the conspirators ! views" with Mr. Clay. Some months ago in addressing a letter to a body of his Southern friends, Bell; for in June Governor Morton received a
