LANCASTER, Nov. 14, 1842.

Drab Sin:—A large inajority of the Anti-Masonic party of Pennsylvania admire your political character, and appreciate your public services.—They think with you on those great leading measures of National policy which you have long ably and successfuly advocated.—I have been requested by several respectable gentlemen (members of the Anti-Musonic party) respectfully to ask you in what relation you stand to the Institution of Free-Musonry.

MR. CLAY'S ANSWER. ASHLAND, Nov. 25th, 1843.

Dear Sin:—I have duly received your letter requesting me at the instance of several respectable gentlemen of the Anti-Masonic party in Pennsylvania, to state what are my existing rela-

I entertain great repugnance to appearing be forr the public at all, on any subject, and espe-cially upon one which, according to my humble apprehension, is not necessarily connected with the administration of the General Government; but the respectful terms in which you have been leased to address me, and the conscientious mo tives by which I presume you to be actuated, en-title you to a frank and full answer to the inquiry
