Thanksgiving Day,

Tomorrow being the day appointed by the Governor, for the purpose of Thanksgiving and Praise to the Supreme Ruler of the Universe, will be observed as such in our borough. The stores, and places of business generally will be closed; and Religious Services will be held in all our Churches, we believe. This disposition on the part of our citizens to conform to so commendable, and now almost universal a custom, will certainly add not a little to their reputation as a religious and moral com-

Third Lecture.

IJA press of engagements prevented our getting to the lecture-hall of the Alert Fire Company, on Tuesday evening last, until a late hour, and we consequently heard but the conclusion of Rev. Mr. HOFFMAN's lecture upon Schiller's Tragedy of William Tell. The conclusion of the lecture, in which some general remarks were offered upon German Literature, we thought to be in the proper tone and spirit. The preceding portion we have heard highly spoken of.

We regretted to see that the audience was not so large as usual. This we should judge to be owing to a want of popular interest in the subjects rather than to any like feeling toward the lecturer, whose interesting lectures last season attracted large auditories. We observed, however that the larger number of the literati of our borough were attentive listeners, and these with a "smart sprinkling" of ladics, made "a fit audienc

The fourth lecture will be delivered on Tuesday evening next, by S. DUNEAR ADAIR, Esq.-Subject-"Highland Mary."

The contents are made up of tales, sketches and poems, from the pens of Paulding, Willis, Neal, Hoffman, Morris, Herbert, Poe, Peterson, Benjamin, the Counters of Blessington, Miss Sedgwick, Mrs. Stephens, Mrs. Smith, Miss Cushman, Mrs. Welby, Mrs. Osgood, and others. State Central Committee. Rumored Over-issue!

The Harrishurg Intelligencer states that it is rumored that there has been an over-issue of Relief notes, by the Berks County Bank, and that the State has already received and cancelled the amount authorized to be issued. If so, all those in circulation are worthless. They are not received at the Treasury or the Banks here; nor by our citizens.

Another paper speaking of his performances, says : "He then laid his check caressingly upon his instrument; which gradually awoke, and wailed and moaned, like an infant broken of its slumber.
