CONSUMPTION OF THE LUNGS Affections of the Liver, Asthma, Bronchitis, s'ams or Weakness of the Breast or Lungs, Chronic Coughs, Pleurisy, Hemorrhage of the Lungs and all affections of the Pulmonary Organs.

NATURE'S OWN PRESCRIPTION A compound Balsamic preparation of the Prums Virginiana or "Wild Chergs Back," combined with the Extract of Tar, prepared by a new chemical process, approved and recommended by the most distinguished physicians, and universally acknowledged the most valuable medicinee ever discovered. NO QUACKERY!!! NO DECEPTION.

In setting forth the virtues of this truly great medicine we have no desire to deceive those who are labouring under affliction, nor do we desire to eulogize it more than it justly deserves. Yet when we look around and see the vast amount of suffering and distress occasioned by many of the diseases in which this medicine has proved so highly successful, we feel that we cannot arge its claims too strongly or say too much in its favor.

Such, indeed, are the

SURPRISING VIRTUES.

Of this Balsam, that even in the advanced stage Consumerion, after all the most esteemed rem of physicions have failed to effect any change, the use of this medicine has been productive of the most astually effected cures after all hopes of recovery had been despaired of.

In the first stages of the disease termed "Catarrial Commenters" in the manual comments of the commenters of the commen In the first stages of the disease termed "Catarrhal Consumption," originating from neglected COLDS, it has been used with undeviating success and his directly acknowledge they owe the restoration of their health to this invaluable medicine alone—In that form of Consumption so prevalent amongst delicate young females, commonly termed debility,

"GOING INTO A DECLINE." A complaint with which thousands are lingering, it has also proved highly successful, and not only possesses the power of checking the progress of this alarming complaint, but also strengthens and invigorotes the system more effectually than any medicine we have ever possessed.

DE LEIDY'S SATISATAREELA. Extract of a letter from J. B. Whitmore, of Easton,
in relation to Br. Leidy's Sarsaparilla.

"My little boy and girl, the former now three years and the latter now seven years old, have been afflicted with a scroful cus tumor from the time they were three months oc. Three months ago I was induced to make trial of your Extract of Sarsaparilla, and have given it to built to the present time. They are now entirely free from any appearance of Scrofula and never were in better health."

Dr. Leidy's Saasaparilla is efficacious in all diseases arising from impurities of the blood and other fluids of the system. All invalids who may have been under a mercerial influence, will find that by using a few bottles of Dr. Leidy's Sarsaparilla, their usual vigor and clasticity of their frame and system will be restored, and be again permitted to enjoy the sweets of life.

DR LEIDY'S SARSAPARILLA. OF LEIDY'S SARSAPARILLA.

()—"This article appears to be doing wonders at the South, and from the high character of the recommendations, we are fully persuaded it is a most capital medicine for all impurities of the blood. We know many Physicians who have given their testimony on this subject, and we know they would not give a character to any medicine that did not really deserve it."—Charleston Enquirer.

Extract of a letter from Dr. Warren, Natchez.

"Having for the last year in my practice used your Sarsaparilla with much satisfaction to myself and benefit to my patients, I have no hesitation in declaring it to be one of the most useful preparations in diseases for which Sarsaparilla is prescribed."

DR. LEIDY'S SARSAPARILLA DR. LEIDY'S SARSAPARILLA.

(This preparation may be depended upon as being the strongest (consequently more efficacious) of any-in existence; all fluid preparations must possess similar virtue, in proportion to their strength, being prepared from the same article. Dr. Leidy's Compound Extract of Sarsaparilla, however, possesses properties not possessed by others, from its manner of preparation, and combination with other vegetable extracts recommended by the medical faculty—and hence the reason why it is so generally recommended by the Physicians of Philadelphia and elsewhere.

recommended by the Physicians of Philadelphia and-elsewhere.

From the extraordinary virtues of this prepara-tion and a knowledge of its composition by Physi-cians (the reason why they so generally use it, as they would not use or recommend any preparation they did not know the composition of,) it has been introduced in many of the Hospitals throughout the U.S. and is highly recommended by Physicians and Surgeons of those Institutions.
