Organs, THIS remedy has been used, and its as-tonishing curative qualities testified to by many of the most respectable citizens of the United States. of the most respeciable citizens of the United States. We do not--nay vannot claim, asdoes the BRAZEN FACED QUACK, infalibility for our medicines: but having tested the medicinal qualities of the "Pulmonary Syrup," in an extensive and varied medical practice for many years, with remarkable success, we unhesitatingly pronounce it one of the very best Pannecas in the world for Pulmonary Discases. A single trial will thoroughly satisfy any one that it is not one of the common Quack Nostrims of the day--but that it is a medicine of real value, worthy to be in every family. Its unprecedented low price is another strong recommendation; while other Cough or Pulmonary Medicines are selling for \$1.00 and more, STILLING'S PULMON-ARY SYRUP, sells for only 50 cis. per bottle.
