HERALD & EXPOSITOR

CARLISLE, PA.

Wednesday Morning May 22, 1844.

☞ Our thanks are warmly tendered to E. Joy Morris and Hon. A. Stewart, of the House of Representatives, for valuable public documents.

Speech of Mr. Frelinghuysen.

The admirable speech of Mr. Frelinghuysen, on our first page, will well repay the time spent in its perusal, and enhance still more the admiration of every one who reads it for the distinguished and accomplished nominee on the Whig ticket for the Vice Presidency.

Temperance Procession.

☞ It will be seen by a notice in our advertising columns that the Washington Temperance Society of this borough, will meet on Friday afternoon next for the purpose of forming a public procession. We hope every member will be on the ground that the strength and usefulness of this flourishing Association may be fairly exhibited.

Balloon Ascension!

☞ Mr. Crever announces in to-day's paper, that his Balloon Ascension will take place on the 1st day of June next. We are glad to learn from his notice that the liberality of our citizens has enabled him to give the public *free admission* to the enclosure, during the interesting process of the inflation of the Balloon. The ascension, presenting as it does a spectacle of the most beautiful and thrilling character, will no doubt attract crowds of persons to our borough.

Distressing Casualty.

☞ We regret to learn that during the violent storm of Monday afternoon last, a Mr. Brown, of South Middleton township, while working in a corn field, on the Liaburn road about two miles from this borough, was instantaneously killed by lightning. His body, we understand, was shockingly marked and mutilated by the severity of the electric stroke. Truly "in the midst of life we are in death."

Daring Outrage.

☞ Much commotion was caused in our streets on Saturday night last, by a most daring outrage committed by some unknown desperado, upon Mr. Ephraim Steel, a watchmaker of this borough. Mr. Steel was returning about nine o'clock from his shop to his residence, with a case of watches and other valuable articles, which according to his usual practice he was taking home for more safe-keeping. While passing along Pomfret street near the corner of Hanover, some ruffian unperceived dealt him a severe blow on his head with some heavy instrument, which felled him to the ground. Mr. Steel's loud cries of "murder!" soon drew to his assistance the citizens in the neighborhood, and the perpetrator of this bold outrage was obliged to make his escape without securing any of "the spoils" he desired. The darkness of the night made all pursuit unavailing, leaving the rascal still at large. An attempt of this kind is something new in our borough.

Whig Mass Meeting.

It will be seen by the proceedings of the Clay Club this borough, held on Thursday evening last, that a committee was appointed to make arrangements for a grand MASS MEEPING or "Harvest Home," of the friends of CLAY, FRELINGHUYSEN and MARKLE, to be held in or near this borough at some early period. The arrangements will be on an extensive scale and ample preperations entered into for the display of an "army with banners," besides any quantity of Whig eloquence and song! It is designed to have a representation of the entire Congressional district, and it is hoped thousands will be on the ground to swell the loud acclaim for CLAY, FRELINGHUYSEN and MARKLE! Our friends in Perry and Franklin are requested to be on the alert! Due notice of the time will be given hereafter.

The Work goes bravely on!

☞ In addition to other Clubs which have been formed in this County, we are gratified to see that the spirited young Whigs of Dickinson township have taken the preliminary steps towards forming a CLAY CLUB! Their proceedings will be found in another column. We hope soon to have an active and efficient Clay Club in every district in this county. Whigs! awake to *action*! The time for discussion as to our duty has passed—the time for *work* has arrived! Our candidates are in the field. The campaign is opened,

"And shame on him who falters now."

Mr. Frelinghuysen.

☞ The 'Volunteer' has found out that the whig candidate for the Vice Presidency, "is a rank Abolitionist," while on the other hand the rabid Abolitionists of the East are trying to make him out a Slaveholder, because instead of allowing an old negro woman, who had been a slave of his father to go to the Poor-house, he kept and maintained her in comfort at his own house! This is the only charge as yet against Mr. Frelinghuysen!

Tariff Meeting.

☞ We learn from the Shippensburg 'News,' that a large CLAY and TARIFF meeting was held in Orrstown, Franklin county, on the 11th inst. at which appropriate resolutions were passed and addresses delivered by Messrs. Brady, Denny and Madden, of Franklin county, and Messrs. Brandebury and Fulwiler of Cumberland county. The spirit that knows no slumbering is abroad!

Improvements.

☞ We are glad to see many of our citizens improving their houses by repairing, repainting and otherwise renewing their appearance, thus adding to the general improvement of the appearance of our goodly borough. Many new buildings are also being erected.

☞ We invite attention to the card of Mr. Burton, who proposes to form a class for instruction in Perspective Drawing. Mr. B. has shown us some specimens of his success in Likenesses, as well as in Perspective, which are really most faithful and life like. We have no hesitation in according him unqualified praise as an artist, and commend him to the patronage of all who desire to acquire a knowledge of drawing.

☞ A letter is published from Gen. Cass, in which he avows himself in favor of the annexation of Texas. It is a small affair from a man who enjoys the reputation of being a great statesman, but as he has done, he has written our Democratic friends quite down.

Whig Ratifications in New York!

☞ The Albany Citizen,' says, an extra from the Rome 'Citizen' brings us the cheering intelligence that the Whigs of that town, at the charter election held on Monday, elected their *whole ticket* by an average majority of *thirty*! Rome is an old strong hold of Locofocoism. Its route there shows plainly—

"The Whigs are rising
For Harry Clay and Frelinghuysen."

And yet Another.

An extra of the Western State Journal comes laden with news of a glorious Whig victory achieved in Syracuse on Tuesday. The whole Whig ticket is elected by the unprecedented majority of 172! This is a splendid *Ratification* of the nomination of *Clay* and *Frelinghuysen*!

The village of Geddes, Onondago county, is also redeemed from Locofocoism! Good again!

Geneva Redeemed!

The Geneva Charter election was held on Monday, and resulted in the triumph of the Whig ticket by a majority of 50! Last year Loco by 60! Whig gain 110! That'll do.

Mr. Clay.

☞ Mr. Clay left Washington some ten days since, and is now on his way to Ashland, to enjoy a season of repose. Hon. Thos. Ewing, of Ohio, accompanied him.

Carlisle, May 6th, 1844.

D. BUCK'S
Patent Cooking Stove.

This new and superior article is now Manufactured and for Sale in Carlisle, at the Foundry of Mr. Abel Keeny, West High Street.

THE Subscriber, being appointed Agent for the sale of D. BUCK'S PATENT COOKING STOVE, wishes to inform the public that he now has on hand and for sale all of the different sizes suitable for Private Families, or of the most extensive Boarding Houses and Hotels. The public are assured that for convenience and economy in fuel, this Stove surpasses all others in use. The Oven, which is the full size of the stove, and twice as large as that of any other stove of the same size, is so constructed that the heat is sent in flues entirely around the oven, and in such a manner as to give it a perfect even heat at top and bottom. The great satisfaction which the use of these Stoves has produced wherever used, for two years past, and their never-failing excellence in doing all the different ways of Cooking, as well as saving of labor and fuel in the use of them, are sufficient to recommend them to the attention of Hotel Keepers and heads of families generally. Proprietors of Hospitals, Asylums, Academys, County Poor Houses, &c. &c. will find this Stove for their use to be far superior to any thing of the kind ever made. All persons therefore who are in want of Cooking Stoves, are respectfully requested to call and examine these before purchasing elsewhere.

This is to certify, That we have for a year and a half past used one of D. Buck's Patent No. 6, Cooking Stoves, which we can recommend to hotel keepers for economy in fuel and labor,

JOHN A JONES, Jones' Hotel, Chesnut st Philadelphia.
J & B MCMAKIN, Atlantic Hotel, C. May N. J.
CLEMENT MCFARLAND, Carlisle, Pa.
JOHN MICHAEL, Lancaster, Pa.
Gen. WILLIS FOULK, Mansion House, Carlisle.
MATTHEW WILSON, Wilson's Hotel, Harrisburg.
GEO. PRINCE, State Capitol Hotel, Harrisburg.

The great demand for, and the unequaled satisfaction which this Stove has given, has induced the Proprietor to spare no pains in making them as much superior in quality and workmanship, as they are superior in excellence for Cooking purposes over all other stoves ever before offered in this market. He therefore takes this opportunity to inform the public, that the patterns have undergone a thorough alteration and improvement since they have come into his hands. The top in particular have been thickened and strengthened—they are now cast at the Foundry above named, and of the best iron, consequently, are far superior to Stoves made at Blast Furnaces; both as regards durability, strength, beauty and the standing of fire. In short, he is determined that he shall not be surpassed in any respect, by any thing that can be produced east or west, north or south.

JAMES M. ALLEN.
