CUMBERLAND COUNTY AGRICULTURAL SOCIETY.

THE Society will hold its first annual meeting on *THURSDAY, OCTOBER 24, 1844*, at 10 o'clock, A. M. at the Court house in Carlisle. The County Hall will be prepared for the reception of all such articles of domestic manufacture as may be exhibited for premiums, and which can be conveniently placed in a room. All others, such as horses, cattle, hogs, sheep, agricultural implements &c. will be exhibited at the farm of P. Watts, Esq. one mile west of Carlisle, where comfortable and safe provision will be made for them. The PLOUGHING MATCH will commence at 2 o'clock, P. M. where farmers are invited to produce their teams and ploughs to compete for excellence in ploughing. The field selected is a clover sod of limestone land free from stone and which has been mowed the season for hay and grain for seed. This being the first public effort of the society to establish itself in the confidence of the farming interests, we do not expect any large or varied exhibition of agriculture and horticultural productions or implements, but we cordially invite all who have any thing of the kind which deserves the approbation of the society at a high rate to improvement, to exhibit it. We trust that our annual exhibition next year we may have all that severity of competition which time will enable us to prepare, and which will prove to be the life of the society and the success of the excellent design it has in view. By order of the Society.

F. WATTS, President.
