PROTECTION AGAINST LOSS BY FIRE.

THE CUMBERLAND VALLEY MUTUAL PROTECTION COMPANY, being incorporated by an act of the Legislature of the present session, and fully organized and in operation under the direction of the following board of Managers, viz: Thomas C. Miller, John Moore, David W. McCullough, James Weakly, William Moore, Samuel Galbraith, Thomas Paxton, Al G. Miller, Philip Spangler, Samuel Woods, Abraham Kurtz, George Brindle, Scott Doyle, call the attention of the inhabitants of Cumberland Valley to the cheapness of their rates and the many advantages which this kind of insurance has over any other.

1st. Every person insured becomes a member of the company and takes part in the choice of officers and the direction of its concerns.

2d. For insurance no more is demanded than is necessary to meet the expenses of the Company and indemnity against losses which may happen.

3d. The inconvenience of frequent renewals is avoided by insuring for a term of five years. But policies can be taken for any period from one to five years.

4th. Any person applying for insurance must give his premium note for the cheapest class at the rate of five per centum, which will be $50 on the $1000 for which he will have to pay $2,50 for five years and $1,50 for survey and policy; and no more need be ever sustained to a greater amount than the sum on hands will cover, and then no more will be required than a pro rata share. These rates are much cheaper than those of other companies, except such as are incorporated on the same principles.

1000 Persons in Philadelphia alone, can testify to the wonderful efficacy of that powerful remedy, THOMPSON'S COMPOUND SYRUP OF TAR AND WOOD NAPTHA—Read, Read! Astonishing cure of Chronic Bronchitis!

Philadelphia, May 23, 1844.

Mr. S. THOMPSON—Dear Sir. For more then four years past I had been dreadfully afflicted with an affection of the throat, which my physician pronounced "Chronic Bronchitis," caused by repeated and neglected colds. The distress suffered is indescribable. My throat was litterally raw with violent coughing, so that blood would come from it; also great oppression, pain and tightness at the chest ann fever—in short all the usual pulmonary symptoms showed themselves, showed themselves, causing entire loss of necessary repose—my throat was leached and blistered over and over again. I made trial of every known remedy, and at different periods had the advice of six physicians, and all with no avail. About two months since I made trial of your Compound Syrup of Tar and Wood Naptha, and, before I had taken the first bottle I felt relief. I continued until I had taken seven bottles, which completely removed the disease and restored me to perfect health, and I firmly believe I should not now be living, had it not been for your invaluable medicine.

WHITE HALL NURSERY.

CARLISLE, PA.

THE season for transplanting FRUIT, and indeed all deciduous TREES of the hardy kinds, is fast approaching. The reason for this preference for fall planting, is obvious; when trees are transplanted at that season, the earth becomes during the winter, properly settled about the roots, and they are ready to throw out fibres in the spring. The proprietor of the above establishment has, for this fall's market, the following trees, to wit:

12,000 APPLE TREES,

Comprising the choicest varieties;

1,000 CHERRY TREES,

including all the most approved kinds.

Also a very choice collection of

PEACH, PEAR, PLUM & APRICOT

Trees, as well as a large assortment of

Evergreen and Ornamental

Trees, such as Balm of Gilead Fir, Arbor Vitæ American Juniper, Norway Fir, all the different kinds of Linden, Sugar Maple, Silvery Maple, Red Flowering Maple, Yellow Flowering Maple, English Elm, White Elm, Slippery Elm, Silvery Abele, Chinese Ailanthus, Tulip tree, Black Ash, Balsam Poplar, European Mountain Ash, Horse Chesnut, White Flowering Horse Chesnut, Prickly Ash, Osage Orange, low growing Quaking Aspin, &c. All his trees are in the best state of cultivation, flourishing, and in the most healthful condition. Great care has been taken in selecting the most choice varieties of fruit from the most popular Nurseries in the Union, and such as is best adapted to our soil and climate. Identity is strictly preserved. A scientific department of the Nursery is under the immediate direction and supervision of the proprietor, all may rely upon each kind being true to name. He has some very choice new varieties of

APPLES,

this fall, obtained from Prince's Nursery, equalled by none; he knows of in their season.

Farmers and all others look around, among others give US a call. If our trees and establishment be not equal, and a little over, to any other west of the Susquehanna, and our prices as low as those of any other regular establishment for trees of equal quality, do not buy from us.

The proprietor further offers

3,000 APPLE TREES,

engrafted on Crab stocks, the durability of which will exceed those worked upon the usual plan at least 100 per centum; which fact is well established by all European and accoeded to by our best American writers on fruit trees. The time for transplanting is from the middle of October till the frost sets in.

Buyers will be furnished with directions for planting, as much of their success depends on the proper management in planting their trees.

All orders and communications, post-paid, will be strictly attended to.

IT CANNOT BE DENIED

(For Truth is Mighty) that

Dr. LEIDY'S SARSAPARILLA

Is the purest, strongest, and most efficacious of any other preparation of Sarsaparilla that is made.

It is warranted to be stronger than 6 bottles of MOSE, others stronger than four, of ST ME, and stronger than three of the STRONGEST prepared by any other in the United States.

Dr. Leidy's Sarsaparilla is recommended by all respectable physicians in preference to any other. All who have ever used it, have derived more benefit from one bottle than three to ten of others; and those who, after having used other's preparations, without benefit, will use Dr Leidy's, will soon be convinced (as thousands have already been) of the foregoing assertion.

The apparatus with which Dr. Leidy's extracts used in his preparation of Sarsaparilla as prepared, is the only one in the United States imported by Dr. Leidy himself from the celebrated house of Pelletier & Caventou, in Paris, at a great expense, and is capable of extracting the medical virtues of Sarsaparilla and other roots, more effectually than by any other process.

AS SEVERAL HUNDRED CERTIFICATES OF remarkable cures, and recommendations from clergymen and physicians have been from time to time published in different papers, it is only thought necessary to keep the public acquainted as to where Dr. Leidy's Sarsaparilla can be obtained, in this city genuine, namely, at Dr. Leidy's Health Emporium, 191 north Second street, near Vine st. (sign of the Golden Eagle and Serpents). Fred. Brown's James Boud's and Fred. Kleit's Drug Store. Price ONE DOLLAR per bottle, 3 bottles for $2,50.
