Porular Remedia.—The most popular remedies of the present day are those which purify and cleanse the blood, and which are known to be innocent in their qualities. Such remedies as Antimony, Mercury, Zind and the having recourse to Hiseding in disease, are now, it is hoped going out of fashion, and Vegetable Remedies will be soon the popular medicine. Then Brandreth's Vegetable Universal Pills will be used and appreciated.—They are known to act beneficially on every part of the body, being taken up by the chyle they pass into the blood, which they purify; and it should be remembered that they only remove those parts from the blood which were the cause of inflammation or disease of any kind. Nothing is equal to ridding the vitiated humors which a vegetable medicine of this kind, which eight, four years have proved agree to do hijury, but always good.
