The value of Maple Sugar, manufactured in Vermont this season exceeds ne million of dollars.

Among those recommended to suced Mr. Rives in the United States Senate, we notice the name of Ex-President Tyler.

The villiage of Anderson, (S. C.) was recently visited with a configgration, by which goods and property to the value of \$50,000 were destroyed. There were but three hundred inhabitants, white and black, in the village, and the fiery destruction swept the place literally into ashes and cuin.

Governor Jones of Tennessee, was announced as a candidate for Congress in his District, but he declined at once when he learned that Col. Gentry had determined to stand. This is like the man-indicative of his generous devotion to the whig cause, and his secrificing zeal for its best interest.

At a meeting of the Historical Society of Maryland, held at Ballimore lest week, a most interesting paper was read by J. H. B. Latrobe, being a memoir of Benjamin Banneker, a free colored man of Maryland, who distinguished himself about fifty years ago by his attainments in tics and astronomy, and who died

Chief Justice Hornblower, at the sitting of the Supreme Court of Now Jersey, on Thursday last, passed sentence of death upon Joseph Carter and P. W. Parke, convicted of murdering John B Parke and John Castner, in Warren County, some time since. The prisoners were directed to be retained in the jail of Mercer and 22d of August, and then to be transferred to the custody of the Sheriff of Warren county where the execution is to take place on the 22d of August next. Carter was much moved while listening to the sentence, but Parke, who was a younger man bore himself with firmness.
