CHAMBERS MCKIBBEN has been appoint ed Post Master at Pittsburg.

dollars worth of dimes and half dimes of the Treasury, to be voined at the Philat Uncle Sam. It is stated that Capt. Wag- vide right on all the leading subjects that be an honor to his architectural genius, delphia mint, to meet the exigencies of the new postage laws

The city papers announce the appearance of a patent letter balance, of English invention, that actually trips up the heels of Yankee ingennity. It is, in exterior form, exactly like a common pencil case, and yet contains an accurately adjusted letter balance for the 5 cents, 10 cents, 15 cents and 20 cents rates of postagewith or without pen, holder, pencil, toothpick, and gauge-a plain or chequered seal-reserve of leads at the top of the A CONTRACTOR OF THE PARTY OF TH саве, &с.

of property, and largely concerned in manufacturing in a town in Massachusetts, became a convert to Millerism, which Here it is: included the belief that the end of the world was nigh at hand. He accordingly conveved all his property to his eldest son. binding him to pay certain sums to his other children. The Millerite predictions having failed. he now brings suit against his son for the recovery of the property, on the ground that when he disposed of it he was laboring under a delusion, and was therefore not in a sound state of mind.

The N. Y. Journal of Commerce says: A gentleman who was yesterday versation about Dorr; and what should be And now we learn from the Union that the any very weighty anxiety about the matter, must be reduced to a revenue standard." seemed to be, that he had been confined mation to the faithful. It must be made things stop? Shall we despair? no, never triumph for him if they like.

The Georgetown Advocate states oriculation a letter, the original of which 28th of June, another dreadful fire ravaged Buchanan dig at the roots of our govern-The moving cause of the displeasure of before, and raged nearly 20 hours, with a o'er the land of the free and the home of the General with the President, is said to violence against which no human power the brave! Our own county must do her ship, after repeated pledges from the Pressuch removal was not contemplated and should not be made.

College on Wednesday last, on the Origin of Government and the source and Limitations of Authority, pointedly condemned the conduct of Gov. Dorr, and his followers in Rhode Island; in attempting to overturn The loss of property is not attempted to be them; they unfurled their flag amidet Dorr has been tried and imprisoned. Mr. Elmer-was one of the four Locofoco mem-

A Locofoco paper in Mississippi says that in Kentucky "there are four hondred and thirteen idiots under the public charge." Upon which the Louisville shelter for the destitute fugitives from the wo must. One and all come up to the Jonrnal remarks: "The difference between city. Kentucky and Mississippi as, that, in the former, the public have charge of idiots, when in the latter, idiots have charge of the public."

Mr. Joel W. Andrews, of Nortisbrick with stone coal. He burned a kiln last week, containing 258,000, which are use of coal as fuel, the expense is much zeduced, and the time required to burn it reduced one half.

The Rengious Recorder manificantly waks - "Which is the cheepest to hire a room and buy a library, and organize a school for children or pay the damage which such a troop of vagabonds will in a dew years inflict in society ??

There is a cabinet maker in Philadelphis who has a sett of chamber furnitare, made of rosewood, gothic pattern, the Prior of which is \$8000, the bedsteed alone being held at \$2 500.

New Hampshire House o tienves, on the 24th inst, formed a resolution, and others along with A profession.

Very late and important from

Texas.
By the United States Steamer Prince have Texas dates to the 23d of June from Washington to June 21, from Galveston to June 23. The news comes to us in a ostscript to The Union. The President The United States received the official

napolis. By this news we learn that the Annexa-Texan Congress unanimously, and that prise at the knowledge my children have man, whose editor I had understood to be ion Resolution passed both Houses of the the Senste had also unanimously rejected of our country, its government, and the a man of truth, inclined me to the belief the proposed Treaty with Mexico. They rights of man. All I have to say is, they that Mr. Bryan was indeed an arghitect of Two hundred and fifty thousand judge correctly that they would be fools to read good papers, those that never dissem- more than ordinary skill, and that our new have been, ordered, by the Secretary they have so great a goose to pluck as friend, or traduce a foe, therefore they de- ence and direction would when completed gaman had arrived at Washington, Texas, agitate our country. I think I can see one proud memorial of our Commissioners the Executive to surrender all posts, navy such a paper as yours. In schooling manner in which the contract was allotted, yards, barracks, &c. to the authorities, of children, it is one half at least, -by read was not characterized by the strictest regard the United States.

> The Texan Congress assembled on the 16th of June according to proclamation.

Down with the Tariff.

istration, against the while Tariff, so as soon if any, let us look at Franklin; Sherman, that the whole affair is a miserable bungle ister in Texas, in rather an unenviable poas there should be a lult in the Texas Wirt, and a host of others. But a de-Messrs. Webster and Choate are storm, We have it at last and in an offici praved newspaper leads to ruin, taking at stone mason, engaged in a singular and important suit al shape; a paragraph from a letter of Mr. along that comes within its vortex, and about to be tried at Boston. A gentleman Polk's Secretary of the Breasnry to an editer in Mississippi, republished in the Union, the Administration schosen organ.

"LETTER FROM HON. R. J WALKER."

Extract from a letter to the senior editor of the Misssissippian; dated June 5th, 1848. "It would be impossible for me to give you any adequate conception of this office Secretary of the treasury) suffice it to say I never have any leisure. At present my chief occupation is with the details of the Tariff. IT MUST BE REDUCED TO REVENUE STANDARD. Ever truly yours,"
R. J. WALKER.

"Polk. Shunk and the Tariff of 1842" was the war-cry under which the Loco Focos carried Pengsylvania. In this State in company with a large number of mem-thousands were induced to vote for Polk bers of the Rhode Island Legislature of all by the assurance of the party leaders that verge of bankruptcy and ruin. The careparties, and participated in a general con- he was 'as good a Tariff man as Mr. Clay.' done with him, tells us that there seemed first onslaught of the Polk Administration to be no favor any where for Dort time nor lis to be made upon the Whig Tariff: "It wither way. On the whole, the opinion Such is the tenor of Mr WALKER's procla- too common for them. Where will these long enough for the purpose of good order public now that the Loco Foco members of despairs the march is onward,—we are neither are they on any thing like a plumb -that there could be no danger from him Congress may know what they are expectin the present state of public sentiment-and ed to do next winter. We wait to see how that he might as well be allowed to run at Pennsylvania will relish this practical the great Whig Congress elected with large, and his Coventry regiment get up a commentary upon Mr. Polk's Tariff letter to Mr. Kane !

DREADFUL FIRE .- Another third of the "that Gen. Van Ness has printed for private City of Quebec .- On the evening of the Polk may hew off a few branches and a he addressed to Mr. Polk, in which he the city of Quebec, destroyed thirteen hun ment, but their tools are dull, and their charges upon the President sundry omis- dred houses, and leaving homeless more strength is nigh spent, and there is a restons and commissions, generally deemed than six thousand persons. It commenced deeming spirit abroad in favor of our own not to be included in the category of qual- on the line where the great fire of the 28th country. P. Lyne & Co., are in my hands, and persons indebted are requested to call and make payment to save further trouble.

JOHN P. LYNE. April 23, 1645.

VALUABLE IRDN WORKS FOR SALE

By virtue-of the powers and authority contained in the last will and testament of Michael Ego, dec'd. I will offer at public sale on SATURDAY the 19th day of JULY 1945, on the premises.

Carlisle Iron Works Situated on the Yellow Breeches Creek 4 1-2

"sists of a first rate, FORGE AND FURNACE. With Ten Thousand Acres of Land. A new MERCHANT MILL with four run of stoner, finished on the most approved plan. A-bont 500 acres of the land are cleared and highly-

THREE LARGE BANK BARNS and necessary

Tenant Houses.

The works are propelled by the Yellow Breeches Creek and the Boiling Spring, which neither fail nor freeze. There are upon the premises all the necessary workmens houses, coal houses, are penter and smith shops, and stabling built of the most substantial materials. The ore of the less quality and inextaustible, is within 2 hiles of the Farnace. There is perhaps no Iron Works in Pennsylvania willich possesses superior advan-tages and offers greater inducements to the investment of capital. The water power is so great that it might be extended to any other manufacturing purpose. Any onedestrous of procuring in-formation relative to the above property can do so by addressing, or calling on Peter F. Ege, Esq., as Carliele Pa. The works are new in successful operation. Possession given on 1st September 1845.
