On Friday the 17th of October, inst.,

THE IRON WORKS known as the "Mary Ann and Augusta Furnaces," situated at the base of the South Mountain, three miles from Shippensburg, Cumberland county, Pa., will be sold at public sale, on the premises. The property consists of

TWO FURNACES,

on the same stream, with a MANSION HOUSE, Chopping Mill, Saw Mill, a large Coal House, two large stables, offices and houses for workmen, smith and carpenter shops, and other buildings, with about 6000 Acres of Land, a portion of which is susceptible of cultivation. Also a small Tract of Land with a good Dwelling House, and other buildings. The Furnace stacks, castings, bridge and bellows houses are in good order. One of the Furnaces is now in operation. The Ore Banks are of the best quality, and convenient to the furnaces. The Iron made at these works is of a superior quality, suitable for either castings or bar iron. The Works being situated in the Cumberland Valley, one of the richest agricultural districts in the State, only three miles from the Cumberland Valley Railroad, and having great facilities for obtaining supplies, and for transporting the iron to market, offer great inducements to persons wishing to engage in the iron business.

The subscribers will also offer at public sale, at the same time and place, two valuable

LIMESTONE FARMS,

situated about half way between the above mentioned Furnaces and Shippensburg, containing each about Three Hundred Acres. On each Farm there is about one hundred and eighty acres of cleared land, the balance being timber land covered with Chesnut, White Oak, &c. The cleared land is of the best quality of Limestone, under good fence and in a high state of cultivation, with a valuable apple orchard on each farm. On one of the farms there is a large stone house, a large stone barn, wagon shed, corn house, and other out houses; a good spring and a stream of water passing through the meadow. There is about twenty five acres of natural meadow. On the other farm there is a good plastered house, a good bank barn, one small tenant house, smith shop and other buildings, with a well of water. These farms being situated in an excellent neighborhood, convenient to churches and schools, and near the borough of Shippensburg where a good market can always be had for their productions, make them well worthy the attention of farmers.

The charter of the Carlisle Bank having expired on the 7th of May last, the Directors are under the necessity of winding up the affairs of the Institution with as little delay as practicable, they, with Jacob M Haldeman, who owns an undivided interest in the Iron Works and farms above mentioned, will therefore sell the same on moderate terms.

Persons wishing to view the above properties or obtain further information respecting them, are requested to call on Mr. JOSEPH W. PATTON, of Carlisle, who is well acquainted with the premises, and who will show them to any one who will call on him for that purpose.

Terms—One third of the purchase money for the furnaces to be paid on the 1st of January, when possession and deed will be given. The balance to be paid in three equal annual payments, with interest, secured by judgment bond. NOTICE.

IN the case of the petition of James McKeehan to the Court of Common Pleas of Cumberland county in the State of Pennsylvania, for a rule to show cause why a commissioner should not be appointed to take the testimony of witnesses "in perpetuam memoriam," in reference to the title to a tract of land situate in West Pennsborough township, in the county and State aforesaid, bounded by lands of Samuel McKeehan, Rev. Robert McCachren, James McCullough, Jacob Sites and others, containing about one hundred and seventy-six acres which said tract of land was devised by James McKeehan, sr. deceased, by a certain paper writing purporting to be the last will and testament of said deceased, and the title to which the aforesaid James McKeehan the petitioner avers was vested in him at the time and before the execution of the aforesaid paper writing purporting to be the last will and testament of the aforesaid James McKeehan, sr. deceased,

And now, to wit: 19th August, 1845, the Court grant a rule on all the parties interested, to wit: Samuel McKeehan, James McClure, Jos. McClure, Mary McClure, Nancy McClure, Jane McClure and Ann McClure, children of Margaret McClure, deceased, John McKeehan and Elizabeth McKeehan his wife, Henry Adams and Mary Adams his wife, also on James Reed, William Reed, Samuel Reed, John Reed, and John Creigh and Sarah his wife, late Sarah Reed, children of William and Nancy Reed; the said Nancy being now deceased. Also, on the following named minor children of the aforesaid William and Nancy Reed, by their father and next friend, the aforesaid William Reed, to wit: Alexander Reed, George Reed, Richard J. Reed, Margaret Reed, and Nancy Reed, to appear at a Court of Common Pleas to be held at Carlisle in and for said county and State, on the ninth day of December, Anno Domini, 1845, and show cause, if any they have, or know why a commission shall not issue under the seal of the Court to such person or persons as the Court shall appoint for the examination of witnesses "in perpetuam rei memoriam" for the proof of the matters aforesaid.

BY THE COURT

STATE OF PENNSYLVANIA, }
CUMBERLAND COUNTY, ss. }

I, Thomas H. Criswell, Prothonotary of the Court of Common Pleas of said county, do certify that the foregoing is a true copy of the original petition and proceedings had thereon as full and entire as the same remains of record in this office.

Given under my hand and the seal of said Court at Carlisle, the twenty-fifth day of August, Anno Domini, one thousand eight hundred and forty-five.

For THOMAS H. CRISWELL, Prothonotary.
JOHN MAIN.

TO COLLECTORS AND TAX PAYERS!

THE recent payment of the State Tax by the Commissioners of Cumberland county, out of the funds in the County Treasury, renders it necessary to require immediate and prompt payment of the State and county taxes to enable the Commissioners to meet the current county expenses, and the payments becoming due under the contract for the erection of the Court House.

Under the provisions of the Act of 29th April, 1843, if the State tax of any county be not paid to the State Treasurer before the 2d Tuesday in January in each year, the Collector is required to be paid out of any money in the County Treasury, and any State tax remaining unpaid by any individual or corporation after said tax is payable by the county to the Commonwealth, shall bear an interest of SIX PER CENT., and *be a lien on the estate on which it is charged,* till fully paid and satisfied.

From the foregoing it will be seen that, although the State tax has been paid to the State Treasurer, every tax payer who does not pay the Collector before the 15th of January next, must be charged six per cent. interest thereon till paid, which interest every Collector must calculate and collect from each individual named in his duplicate who does not pay his tax prior to that date, and said tax together with the interest thereon, is made a lien on the real estate of the payer.

It is therefore hoped that every Collector and tax payer will see the importance and necessity of paying the whole tax charged in the duplicates, prior to the 15th of January next, to avoid the trouble and inconvenience of calculating and collecting interest on every individual tax, which must be done if not collected before that date.

ROBERT CLAIRD,
CHRISTIAN TITZEL,
J. WORTHINGTON,
Commissioners of Cumberland county.

Commissioner's Office, Carlisle, }
