Gerald & Expositor

For the Repeal of the British Tariff of 1846! FOR CANAL COMMISSIONER. JAMES M. POWER, OF MERCER COUNTY

Whig Standing Committee Meeting.

COUNTY CONVENTION.

At a meeting of the Whig Standing Com-____ mittee of Cumberland county, held at the public house of Mr. Henry Rhoads, in Carlisle, August 10th, 1846; the Committee was organized by appointing L. H. WILLIAMS, Esq., of West Pennsborough, Chairman, and THOMAS CRAIGHEAD, Jr., of East Pennsboro', Secretary. The following resolutions were unanimously adopted, viz:

Resolved, That the Whigs of the county be requested to meet in their respective town-ships and boroughs, on SATURDAY the 29th instant, and elect *two Delegates* to represent them in a County Convention, to be held in Carlisle, on FRIDAY the 4th of September next, for the purpose of nominating candi-dates for the different offices to be filled at the approaching General Election. Resolved, That in the selection of candidates, it is highly important to select such men as are qualified by capacity and moral courage to do their duty judiciously and

L. H. WILLIAMS, Chairman. THOMAS CRAIGHEAD, JR. Secretary.

Or Don't forget the Delegate Meetings, Whigs, on the 29th inst. Send good men, and let "union and harmony" be the motio

We hope the communication signed "Shippensburg," on our first page, will receive, as it morits, an attentive perusal. It is written with decided ability and evinces workingmen? In the debate in Congress, the author's thorough acquaintance with the Mr. Payne, of Alabama, when asked where subject.

TA most provoking mistake occurred in the packing of our papers last week, by which the packets for Kidderminster and Shepherdstown, were through mis-direction thrown off their route, and did not reach our subscribers at the proper time. We shall endeavor to

prevent a like blunder in future.

nor It is said that the aggregate amount of all the Appropiation Bills . that have passed the present session of Congress, is something like \$61,000,000! Pretty fair work that for one year, and a democratic "economical Admustration !

C- The Whig Press throughout the State have, without exception, raised the standard of "" Repeal," and speak encouragingly of the prospect of developing such an expression from the honest-hearted people of the State might not be cordially swallowed by the at the October elections, as shall alarm the miserable demagogues, that have been so long deluding them.

that if the meeting dated to denounce Dallas, CAMP MEETINGS !- A Camp Meeting will that he for one would not remain quiet, but be held near Newburg, in this county, to would boldly speak out and charge home commence on the 21st of the present month. upon them the deception and fraud they had Another will be held by the United Congrepractised upon the party in 1844, by holding gations of the "Churches of God"-of Shipup Polk as a Tariff man. No sooner had the penshurg, Orrstown, and Fayetteville, on the uling clique heard of this determination than premises of David Malion, about 14 miles one of their number was deputed to call upon West of Shippensburg, to commence on the him on the morning of Monday, to solemnly 27th instant. ssure him that there would be no resolution

Employment brings Prosperity ! JAMES M. POWER WM. B. FOSTER The following just sentiment was utter 13 The following, just semininent was by Damiel Webster, in his late. Tariff speech in the Senate of the U. States. If should be held in everlasting temembrance, by every Whig Tariff of British Tariff of People of Pennsylvania, says the Reading held in everlating femembrance, by overy American Mechanic and workingman: Sin-1 sayit is employment that makes the people happy. Sir, this great that makes the people happy. Sir, this great that hough never to be longotten; it ought to be placed upon the tille-page of every book on pollical economy intended for America, and such countries as America. It ought to be placed in every farmer's almanaó. It ought to be placed in every farmer's almanaó. It ought to head the columns of every farmer's imgazine and mechanic's magazine. It should be pro-claimed every where, notwithsfanding what we fiear of the usefulness—and I admit the high nefulness—ot cheap food, notwithstan ournal, here is the issue fairly stated. The election of JAMES M. POWER will be re garded all over the Union as evidence not to be misuiderstood; that PENNSYLVANIA is not to be PROSTRATED IN THE DUST or her honest voters CHEATED and HUM BUGGED with impunity-while every vote high usefulness-of cheap food, notwithstan-ding that, the great truth should be proclaim-

ding that, the great truth should be proceasing ed every where should be made into a pro-verb, if it could, that where there is work for the hands of men here will be work for their teeth. Where there is comployment there will be bread; and in a country like our own, above Our exposure last week of the disgraceful scenes of the locofoco County Meeting, and the account of the severe but well-merited l others, will this truth hold good : a count castigation which the leading demagogue try like ours, where, with a great deal. o received at the hands of Mr. Miller; has cre ated a great stir, and the last Volunteer teems

try like ours, where, with a great deal of spirit and activity among the masses, if they if can find employment, there is always great willingness for labor. If they can obtain fair compensation for their labor, they will have, good houses, good clothing, good food, and the means of educating their families; and if they have good houses and good clothing and good food, and means of educating their children from their labor that labor will be chearful and they will be a contented and cheerful, and they will be a contented and happy people. The truth of this will be conceded at once

and workingmen now see that by blindly following these men the Pariff-has been destroyy every Mechanic and workingman. Stea ly work at fair prices is all the industrious prostrated at the feet of the British monoponan wants, and these every one knows were lists and aristocracy. More than one honest without it, took the floor and effectually stransecured by the Tariff of 1842. But we ask workingman has been heard to declare his gled it by speaking until 12 o'clock, the hour our American Mechanics in all seriousness deter aination to " come out from among the at which, by joint resolution, both Houses had to you think you can have this under the foul party," since the locoloco. Meeting - agreed to adjoint. Of course the Bill could British Tauiff of 1846, which proposes to in-Rally under the standard of REPEAL, work-REASE foreign importations by reducing the ingmen! duties? This new tarifl of 1846 reduces the luties at least one half on "iron, coal, hats

God, we're not all Iron-masters,' said a little one of his own schames. cadymade clothing, cabinet ware, iron-ware, in-ware, boots and shoes, and a variety of legal official at the locofoco meeting last other articles. Now do you suppose British week. This disinterested remark by an officeholder elicited from the faithful a roar of has resigned his seat in Congress. His ad-Manufacturers will lose this fine chance of applause, which was increased by Judge flooding our country with their fabrics made by workmen who receive not one half the wages Stuart bellowing out, as he flourished l is fi ts you get? But what sympathy have the nain the air, "yes, WE WANT NO PROTECTION

bob slaveholders of the South, who passed from the government !" There is one thing this Tariff of 1846, for Northern freemen and however which the Judge does like, but forgot to mention. He does like to hire his "Pittsburg team" to the government at five the country would get revenue, replied "Ea sy enough; we shall consume FORMEN goods instead of goods made at home - We shall derive a revenue of \$100,000,000, if need be, by IMPORTING FIVE TIMES AS MANY AS WE NOW

Mr. McDuffio, in replying to Mr. Webster made use of this extraordinary language " It was represented that the labor of the country

Mr. McDutlie, contemptuously.) is BUT A SMALL MATTER H Remember these things. CLIQUE-MANAGEMENT!-The diquentity go

ern the locofoco' party of this-county and upply them with new sets of principles to suit the rapid changes of the party, were in great

commotion previous to the County Meening, for fear the compromise " principles" which they had got up expressly for that occasion friends of the Tariff. One of our neighbors-a democrat who voted for Polk as a Free Trade man-had been heard to declare publicly

A Russian sorf might as well boast of freedom!

The Herald intimates that our paper is

Mr. Polk & Peace Proposition. The Elections. Wo were a little too tast last week in saying hat Congress and granted the \$2,000,000 Glory Enough for one Campaign! North CAROLINA, The sum total of the re-sults of the North Carolina election is a Whig Governor ' a Whig Senate!! a Whig Com ion asked for by the President Polk, for the purpose of opening negotiations with Mexico. The bill was lost in the Sen-

nons !!! and two Whig United States Senaale. 7 On the Saturday before the adjournment. the President transmited to both Houses a tors !!!!. Governor Graham's majority will reach 10,000, and in the Senate, the Whigs Message requesting an appropriation of \$2,,

000,000 to enable him to negotiate a Treaty will have a majority of fiom two to four-in of Peace with Mexico, leaving it to be infer- the House, a majority of sixteen, ministerior KENTUCET.-So for as heard from, the returns of the election show that the, Whigs red that California was to be looked after ---polled for WILLIAM B. FOSTER will be found and the solution of TRADE and the BRITISH TARIFF of 1846; was progressing finely until Mr. Wilmot, of ten elected this year.) and made a nel gain this State, availing himself of a thin house of four members of the House of Representaand the absence of a number of Southern lives, which will give them on joint ballot of

members, suddenly spoiled all by proposing the two Legislative branches a majority of profits on the covenant of the defendant exand carrying an amendment providing that forty-six ! with fat salaries, and they therefore require Protection and will have it. What do you say, Mechanics? Shall British and French workshops supply the United States by your would be affected by this bill-THAT (said consent? Will you beggar yourselves to enrich the officeholders ?-Reading, who had voted for Polk, held a

lected by the Democratic Conference from this Congressional District, our united and zealous support.--- Resolution of the Locofeed

Now, let intelligent people read and ponder over that resolution. Could an arrogant and unscrupulous clique make a more degrading gon. The seat of Government is to be loca-DEMAND, or could blind and slavish adherents ted West of the Rocky Mountains, and Slato party enter into a more servile pledge that very is to be forover excluded.

A Camp Meeting will also be held near Shepherdstown commencing on the 21st instant, under the charge of the Methodist Episcopal denomination.

Mr. SHEFHERD, of Philadelphia, at extensive dealer in Ready-made Clothing announces through the papers of that city; he is making arrangements to have all his goods manufactured in Belgium, inasmuch as the new Law will enable him to throw the article thus prepared into our market at lower rates than he has hitherto done ! . What say the Tailors to this feature of the operation of the new Tariff Bill?

. C The Volunteer denies, (as a matter of course,) our assertion that Mr. Graham called managed by a clique? " question," after Mr. Miller had commenced his speech. Now it is not a matter of much importance, but as our veracity is impeached, we will say that we were standing within three feet of Mr. G. at the time and distinctly heard him.

Gr A hale hearty man has been going about our streets begging this week, on pretence of losing his property by an earthquake or some other calamity some where in Europe. Such fellows ought always to be kicked out as impostors.

The Chambersburg Whig states that orders for iron to the amount of \$18,000 have been withdrawn from Whatton's Iron Works. in Southampton township, since the passage of the new Tariff law. "Thank God, we are time when you think not. Others have felt not all iron-masters !".

The Volunteer and Statesman are turning State's evidence against each other .-The first charges the latter with a sly attempt at picking his pocket, and the Statesman intimates that there is no more " honor among thieves? or the attempt would not have been

OT William A. Kinsloe, of Philadelphia formerly of this county, has issued proposals for publishing a weekly paper, to be called "The Home League and Tariff Advocate?" at \$2 per annum, Mr. Kinsloe is a ready writer, and assisted awhile in editing the "Spirit of the Times,"

arJ. Eune Bonstan, Esg., has been re cappointed Deputy Attorney General, for, this county, by John M. Reed, Esci, Attorney General

Another gentleman, a prominent fron-master, was also called upon, on the other hand, by another member of the elique, and solemny assured that the resolutions would not take

ground in favor of the British Tariff of 1846 nor against the Tariff of 1842! The clique having a lawyer or two in its number had patched up a set of resolutions which dexerously evaded everything and were declaratory of nothing ! They were not in favor of the Tariff of 1842 nor against it-against the Tariff of 1846 but not for its Repeal !---What a beautiful compromise !.. These circumstances are fucts which cannot be denied.---

Who will say that the locofoco party is not

The Volunteer's very indignant denial of the existence of a clique, who govern the locoloce party of this county, and control the course of that paper, has rather amused the knowing ones. It may be that the clique has not yet drawn the coltur so tightly about the

neck of our neighbor as to tutlle his temper, but let him have a care how he provokes a whipping-in ! Another - ontbreak against dictation" like that in the last Volunteer, and a few more unguarded and imprudent coasts of "freedom," and you will feel the

muzzle and chain in short metre! Have a care, neighbor, don't get yourself into trouble. The dog-whip of the alique may fall on your back and wake you from your dolusion at a it and so will you, unless you are stricily submissive. It is only about three years since this clique fell toul of a little "Jersey, lawyer," who talked loudly against, "dictation," and the lashing he received should be warning to all luture offenders. Take warning by him, and make yourself as pliant and. obedient as he now is, -only lie still and you

aflected by it. cur snapping and snarling, and we can afford

to smile at the violent outbreak of your ca nine indignation. But have a care, neigh bors, that you don't bark too loud---your mas are not in the habit of allowing their obedidient spaniels to do much more than wag to remain firm in their devotions to "Dem6their tails! Lie still! is the word with them, or back to your kennel!

The Volunteer is very wrathy. with the Whigs for daring to attend the locofoco meeting, and after giving a very savagerous intimatio : that the next time they do it they of them will be found the ty out for a new will be forcibly ejected, adds; /"remember coons, it is a good distance. from the cour house windows to the ground." Well, all we have to say is that the Whigs will no

loubt take proper care of themselves when it comes to close quarters, and will probably use strong exertions- to relieve the shock-by having plenty of good soft locufocos under them when they touch the ground !

GEN. Scorr .- We have just seen a letter says the National Intelligencer an in-telligent officer of the army, of the Lower Mississippi, to a friend in this city which says Gen. Scott's ciliculations for opening the campaign against the interior of. Mexico are considered, in a high millings quarter, to be sound and Judicious. The writer adds, that

the Kentucky and Tennessee liorse volum teers, supposed by Gen; S. to be, indispensi ble, are not likely to reach the Rio. Grande before the middle of October.
