CONSUMPTION,

Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spiting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenzia, Croup, Sore Throat, Nervous Debility, and all Diseases of the Throat, Breast and Lungs, the most effectual and speedy cure ever known for any of the above diseases, is DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY—ANOTHER WONDERFUL CURE OF CONSUMPTION.

PROVIDENCE, R. I., Sept. 20th, 1845.

DR. SWAYNE—Dear Sir,—I feel called by a sense of duty I owe to suffering humanity, to acknowledge my grateful thanks for the wonderful effects of your "COMPOUND SYRUP OF WILD CHERRY" on me, after having suffered months after months with the most afflicting of all diseases, Consumption, with scarcely a ray of hope, as a "beacon light" to guard me against my own horrible forebodings. The circumstances which first led me to the awful, state of debility, was from taking a very heavy cold, which seemed to fix itself upon the lungs, which gradually grew worse, with profuse night sweat, a hacking cough, oppression in the breast, spitting blood, with great general debility. My constitution seemed broken down, and nervous system very much impaired, with all the symptoms of confirmed Consumption. I went to Philadelphia, and was treated as there by physicians of the highest respectability, but still grew worse, until they gave me up incurable, and advised me to go South, but being very poor, at losing so much time from my work, and having spent all my money on the various "Patent Medicines" which were recommended so highly through the medium of the press, I was unable to take their advice. Being a member of the Order, Odd Fellows, they supplied me with money gratuitously to send me to my friends in Saco, Maine. I was treated by physicians of the highest standing there, but received no benefit whatever from them, but gradually grew worse, until my physicians and myself gave all hopes of my ever recovering, and I felt like one who is about to pass through the valley of the shadow of death. At this "awful juncture," I got a trial of your COMPOUND SYRUP OF WILD CHERRY," and knowing you to be a regular practising physician in Philadelphia, gave me more confidence in the medicine, so I concluded as a last resort, to make a trial of it. I sent to your agent in Boston, and purchased one bottle, which relieved me very much. I then procured two bottles more, which I am happy to say entirely cured me, and I am now enjoying better health than I ever have before in my life. It seemed to have a beneficial effect at once, raised strength rapidly although reduced to a mere skeleton, and I feel satisfied from its salutary effects in my own case, that Dr. Swayne's Compound Syrup of Wild Cherry will cure any case of diseased Lungs, if taken according to the prescribed rules contained in the pamphlets accompanying the medicines. Even the physicians who witnessed my case are highly recommending it in similar cases—and I wish you to make it public, so that others who are suffering as I have been, may know where to procure a remedy at first, which will reach their disease, without tampering with and ruining their constitutions with the many "quack nostrums" with which the whole country is flooded, prepared by persons who have no knowledge of the science of medicine in theory or practice, but are got up merely with a mercenary view.

I am a Scarlet member of the Hope Lodge I.O. of O.F., in Providence R. I., and will be happy to give any information in regard to the efficacy of your medicine, and can give ample proof that my case is not exaggerated in the least.

ALBERT A. ROSS.

To Dr. H. SWAYNE, N. W. corner Eighth and Race streets, Philadelphia.

CAUTION—The public should be on their guard against the many "Balms" and "Mixtures" of Wild Cherry, which have sprung up in all parts of the country, purporting to be prepared by physicians, all of which will be found to be "false" by a little inquiry in the towns and cities where they originate. All certificates and statements in regard to Dr. Swayne's Compound Syrup of Wild Cherry are "strictly true," and the proprietor is daily recieving them from persons who have been cured by the celebrated remedy. The (original and only) genuine article is only prepared by DR. SWAYNE, N. W. corner of EIGHTH and RACE Streets, Philadelphia.

Remember, all preparations of Wild Cherry are fictitious and counterfeit except that bearing the written signature of N. SWAYNE. The only agents in Carlisle are MYERS & HAVERSTICK, and STEVENSON & MEHAFFY, and MARTIN LUTZ, Harrisburg.

THOMSONS COMPOUND SYRUP OF TAR

D WOOD NAPTHA.

1000 PERSONS in Philadelphia alone can testify to the wonderful efficacy of that powerful remedy THOMPSON'S COMPOUND SYRUP OF TAR AND WOOD NAPTHA Read, Read! Astonishing cure of Chronic Bronchitis!

Philadelphia, May 23, 1844.

Mr. S THOMPSON—Dear Sir. For more that four years past I had been dreadfully afflicted with an affectio nof the throat, which my physician pronounced "Chronje Bronchitis," caused by repeated and neglected colds. The distress suffered is indescribable. My throat was litterally raw with violent coughing, so that blood would come from it; also great oppression, pain and tightness at the chest and fever—in short all the usual pulmonary symptoms showed themselves, showed themselves, causing entire loss of necessary repose—my throat was leached and blistered over and over again. I made trial of every known remedy, and at different periods had the advice of six physicians, and all with no avail. About two months since I made trial of your Compound Syrup of Tar and Wood Naptha, and before I had taken the first bottle I felt relief. I continued until I had taken seven bottles, which completely removed the disease and restored me to perfect health, and I firmly believe I should not now be living, had it not been for your invaluable medicine. DR. WOOD'S SARSAPARILLA AND WILD CHERRY BITTERS.

ARE an infallible Medicine for Dyspepsia or Indigestion, Inactivness, complaints, Headache, Depression of Spirits, Pimples and Pustules on the face, Habitual Costiveness, Rheumatism, Affections of the Bladder and Kidneys, Bilious Fevers. It is a perfect preventative of Bilious and Western Fevers, and the best remedy ever used in restoring the patient, after being prostrated by Fever, &c. Erysipelas, Enlargement of the Bones, Fever and Ague, Malaleney, Pouljness of Complexion, General Debility, for general prostration, caused by disease, indolence, or indiscretions committed in youth, aberration of mind, confusion of ideas, loss of memory, dimness of vision, a hopeless expression of countenance, and for this class of disease generally, this medicine has never had its equal. Gout, Goldiness, Gravel, Impure Blood, Jaundice, Loss of Appetite, Liver Complaint, Leprosy, Looseness.

MERCURIAL DISEASES—Never fails to eradicate entirely, all the effects of Mercury, infinitely sooner than any other medicine. Night Sweats, Delirous Debility, Nervous Complaints of all kinds, Neuralgia, Organic Affections, Palpitation of the Heart, Painter's Cholic, Pains in the head, side, back, limbs, joints and organs, Rush of blood to the head, Scurvys, Salt Rheum, Swelling, sick Headache, Stiffness of the Joints, Scorfula or King's Evil, Syphilis in its worst forms, Ulcers of every description, and the Erysipelas, Exposure and Imprudence in Life.

FEMALE COMPAINLTS—Ladesi of pale complexion and consumptive habits, and such as are debilitated by those obstructions which females are liable to, are restored by the use of a bottle or two to bloom and vigor. It is by far the best remedy ever discovered for weakly children, and such as have had humors, being pleasant they readily take it. It immediately restores the appetite, strength and color.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude before taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the human frame, which is the great cause of barrenness.

The following are some of the certificates and complimentary notices that have been received by the proprietor of the efficacy of this medicine.

Mr. Philip Wilcox, of the well known firm of Wilcox & Richmond, shipwrights, of New Bedford, was entirely cured of a confirmed canker of the stomach, throat and mouth, while sore lips usually accompanying this disease, and his general health much improved by the use of only one bottle. Mr. Wilcox has suffered severely for a number of years with this disease, and attributes his cure entirely to the use of the Bitters.

Col. John Baylies, Deputy Sheriff of Bristol county, Mass., has voluntarily certified that he was cured by the Bitters, of Jaundice, Indigestion, Headache and Vertigo.

Col. Gibbs, of Sandwich, testifies that several persons in that town, well known to him, have been benefitted by the use of the Bitters, and in every case they have given the most perfect satisfaction.

Jr. R. Perkins, Esq. Attorney at Law, of New Bedford, was cured of an unpleasant eruption of the face, by the use of the Bitters.

[From the Daily Evening Bulletin.]

It is not our custom to puff Patent Medicines unless we know them to be really excellent.—Having ourselves a knowledge of Dr. Wood's Sarsaparilla and Wild Cherry Bitters, and having several friends who have been benefitted by their use, we do not hesitate to recommend them to the public. Both Sarsaparilla and Wild Cherry are articles of established reputation in the medical world, and this preparation is made with great care and appears to combine all the medicinal qualities of both in an unusual manner. For sale by the proprietor, E. Thornton, Jr. Water street, and by the Druggists generally. Any one suffering from diseases of the blood, indigestion, or headache, would do well to give these Bitters a trial.

DR. DAVIS'S COMPOUND SYRUP OF WILD CHERRY AND TAR.

For the cure of Pulmonary Consumption, Coughs, Colds, Asthma, Influenza, Bronchitis, Pleurisy, Difficulty of Breathing, Pain in the Breast or Side, Spitting of Blood, Croup, Whooping Cough, &c.

THIS Medicine is rapidly gaining a deserved popularity in Affections of the Lungs The following certificates from respectable citizens of Philadelphia fully attest its merits. It has performed numerous cures in severe cases and where the usual remedies had failed to give relief.

Philadelphia, September 20, 1845.

Messrs. Robinson, Collins & Co.:—Being afflicted last spring with a very severe cough, with pain in my side and breast, soreness and weakness of the lungs, shortness of breath, loss of appetite, &c., I tried various remedies, but to no good effect, my cough still continuing and growing worse. Such was the distressing nature of the cough that I could not lie in bed night nor day, but was obliged to sit up in my chair, and could not sleep but very little at best, consequently, I was wearing out very fast, till you very kindly recommended Dr. Davis's Compound Syrup of Wild Cherry and Tar, the first bottle of which gave me relief, checked my cough, loosened the phlegm, caused me to expectorate freely, restored my appetite, relieved the pain in my side, healed the soreness of my breast, and strengthened my lungs, causing me to breathe freely. I have now taken ten bottles it has entirely cured my cough. I have gained considerably in flesh. I think it a most valuable medicine, and one that ought to be universally known, that those afflicted with colds and coughs may have a medicine both safe and sure to cure, if taken properly. While taking the medicine, I drank freely of molasses and water which I found excellent to keep the bowels open. If this statement can be of any benefit to the afflicted, you are at liberty to make such use of it as you may think proper.

MERRICK BARNES' No. 6, Bread Street.

Several months since, my wife was attacked with a severe cough, attended with a pain in her side, which, from its obstinate continuance began to alarm her. A few doses of Dr. Davis's Compound Syrup of Wild Cherry and Tar followed the pain and cured the cough; and by the time she had taken half a bottle of she was perfectly cured. She recommended it to an acquaintance, Mrs. Bannister, who was afflicted in about the same manner as herself, and the medicine proved equally beneficial in her case. Mrs. B. also recommended it to several of her friends, who were, I believe cured by it. This is my knowledge of Dr. Davis's medicine, and I deem it sufficient to recommend it as a valuable one.
