## DR. WOOD'S SARSAPARILLA AND WILD CHERRY BITTERS

ARE an infallible Medicine for Dyspepsia or Indigestion, the universal complaint; Headache, Depression of Spirits, Pimples and Pustules on the face, Habitual Costiveness, Rheumatism, Affections of the Bladder and Kidneys, Bilious Fevers. It is a perfect preventative of Bilious and Western Fevers, and the best remedy ever used in restoring the patient, after being prostrated by Fever, &c. Erysipelas, Enlargement of the Bones, Fever and Ague, Flatulency, Foulness of Complexion, General Debility, or general prostration, caused by disease, medicine, or indiscretions committed in youth, abberration of mind, confusion of ideas, loss of memory, dimness of vision, a hopeless expression of countenance; and for this class of disease generally, this medicine has never had its equal. Gout, Giddiness, Gravel, Impure Blood, Jaundice, Loss of Appetite; Liver Complaint, Leprosy, Looseness.

MERCURIAL DISEASES.—Never fails to eradicate entirely, all the effects of Mercury infinitely sooner than any other medicine. Night Sweats; Nervous Debility; Nervous Complaints of all kinds; Neuralgia; Organic Affections; Palpitation of the Heart; Painter's Cholic, Pains in the head, side, back, limbs, joints and organs; Rush of blood to the head; Scurvy; Salt Rheum; Swellings; sick Headache; Stiffness of the Joints; Scrofula or King's Evil; Syphilis, in its worst forms; Ulcers of every description, and the Erysipelas; Exposure and Imprudence in Life.

FEMALE COMPAINLTS.—Ladies, of pale complexion and consumptive habits, and such as are debilitated by those obstructions which females are liable to, are restored by the use of a bottle or two to bloom and vigor. It is by far the best remedy ever discovered for weakly children, and such as have had humors, being pleasant they readily take it. It immediately restores the appetite, strength and color.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude before taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the human frame, which is the great cause of barrenness.

The following are some of the certificates and complimentary notices that have been received by the proprietor, of the efficacy of this medicine.

Mr. Philip Wilcox, of the well known firm of Wilcox & Richmond, shipwrights, of New-Bedford, was entirely cured of a confirmed canker of the stomach, throat and mouth, with sore lips usually accompanying this disease, and his general health much improved by the use of only one bottle. Mr. Wilcox has suffered severely for a number of years with this disease, and attributes his cure entirely to the use of the Bitters.

Col. John Bayliss, Deputy Sheriff of Bristol county, Mass., has voluntarily certified that he was cured by the Bitters, of Jaundice, Indigestion, Headache and Vertigo.

Col. Gibbs, of Sandwich, testifies that several persons in that town, well known to him, have been benefitted by the use of the Bitters, and in every case they have given the most perfect satisfaction.

J. R. Perkins, Esq. Attorney at Law, of New Bedford, was cured of an unpleasant eruption of the face, by the use of the Bitters.

[From the Daily Evening Bulletin.]

It is not our custom to puff Patent Medicines unless we know them to be really excellent.—Having ourselves a knowledge of Dr. Wood's Sarsaparilla and Wild Cherry Bitters, and having several friends who have been benefitted by their use, we do not hesitate to recommend them to the public. Both Sarsaparilla and Wild Cherry are articles of established reputation in the medical world, and this preparation is made with great care and appears to combine all the medicinal qualities of both in an unusual manner. For sale by the proprietor, E. Thornton, Jr. Water street, and by the Druggists generally. Any one suffering from diseases of the blood, indigestion, or headache, would do well to give these Bitters a trial.

Prepared by E. Thornton, Jr. Sold Wholesale and Retail by WYATT & KETCHAM, 121 Fulton street, New York; SAMUEL ELLIOTT, Carlisle, and Druggists generally throughout the United States. Price 1$, large bottles.

## DR. DAVIS'S COMPOUND SYRUP OF WILD CHERRY AND TAR.

*For the cure of Pumonary consumption, Coughs, Colds, Asthma, Influenza, Bronchitis, Pleurisy, Difficulty of Breathing, Pains in the Breast or Side, Spitting of Blood, Croup, Whooping Cough, &c.*

THIS Medicine is rapidly gaining a deserved popularity in Affections of the Lungs The following certificates from respectable citizens of Philadelphia fully attest its merits. It has performed numerous cures in severe cases and where the usual remedies had failed to give relief.

*Philadelphia, September 20, 1845.*

Messrs. Robinson, Collins & Co:—Being afflicted last spring with a very severe cough, with pain in my side and breast, soreness and weakness of the lungs, shortness of breath, loss of appetite, &c., I tried various remedies, but to no good effect, my cough still continuing and growing worse. Such was the distressing nature of the cough that I could not lie in bed night nor day, but was obliged to sit up in my chair, and could not sleep but very little at best, consequedtly, I was wearing out very fast, till you very kindly recommended Dr. Davis's Compound Syrup of Wild Cherry and Tar, the first bottle of which gave me relief, checked my cough, loosened the phlegm, caused me to expectorate freely, restored my appetite, relieved the pain in my side, healed the soreness of my breast, and strengthened my lungs, causing me to breathe freely. I have now taken ten bottles it has entirely cured my cough. I have gained considerably in flesh. I think it a most valuable medicine, and one that ought to be universally known, that those afflicted with colds and coughs may have a medicine both safe and sure to cure, if taken properly. While taking the medicine, I drank freely of molasses and water which I found excellent to keep the bowels open. If this statement can be of any benefit to the afflicted, you are at liberty to make such use of it as you may think proper.

MERRICK BARNES' No. 6, Broad Street.

Several months since, my wife was attacked with a severe cough, attended with a pain in her side, which, from its obstinate continuance began to alarm her. A few doses of Dr. Davis's Compound Syrup of Wild Cherry and Tar relieved the pain and cured the cough; and by the time she had taken half a bottleful she was perfectly cured. She recommended it to an acquaintance, Mrs. Bantister, who was afflicted in about the same manner as herself, and the medicine proved equally beneficial in her case. Mrs. B. also recommended it to several of her friends, who were, I believe cured by it. This is my knowledge of Dr. Davis's medicine, and I deem it sufficient to recommend it as a valuable one. ### *It is Written*

IN THE BOOK OF NATURE AND OF COMMON SENSE, that the natural vegetable productions of every country are, if properly applied, amply sufficient for the cure of every malady incident to each peculiar climate.

### Wright's Indian Vegetable Pills,

of the North American College of health are composed of plants which grow spontaneously on her own soil, and are therefore better adapted to our constitutions than medicines concocted from foreign drugs, however well they may be compounded; and as they are founded upon the principles that the human body is in truth SUBJECT TO BUT ONE DISEASE, viz: corrupt humors, and that said medicine cures the disease on

### Natural Principles

by cleansing and purifying the body; it will be manifest, that if the constitution be not entirely exhausted—a perseverence in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a swamp or morass to fertility, we drain it of the superabundant waters; in like manner if we wish to restore the body to health, we must cleanse it of impurity.

### Wright's Indian Vegetable Pills

will be found one of the best, if not the very best medicine in the world for carrying out this GRAND PURIFYING PRINCIPLE, because they expel from the body all morbid and corrupt humors, the cause of disease, in an easy and natural manner; and while they every day give ease and pleasure, disease of every name is rapidly driven from the body.

BEWARE OF COUNTERFEITS.—The public are cautioned against the many spurious medicines which in order to deceive, are called by names similar to Wright's Indian Vegetable Pills.

The only original and genuine Indian Vegetable Pills, have the signature of Wm. Wright written with a pen on the top label of each box. None is genuine, and to counterfeit this is forgery.

## WONDERFUL DISCOVERY!

**Vegetable Rheumatic Liniment,** INVENTED AND PREPARED BY SAMUEL REED, CARLISLE, PA.

THIS Liniment was prepared principally for the Rheumatism, (and is the only external remedy known) but it has been found experimentally TO CURE PAINS OF EVERY KIND—sick head ache, pains in the back, aching, from acute complaints, especially those, when the symptoms are first developed, and innumerable other acute and chronic pains to which the human system is liable. This Liniment does not require constant application for weeks or months to effect a cure; but on the contrary, one by two applications, or one or two Bottles skillfully used, has been found an effectual remedy in removing the most violent pains. Patients have used it on retiring to rest, and in the morning have awoke freed entirely from the attack of pains, arising from colds or other causes. The subscriber has the assurance that no one after having used the Liniment, will pronounce it a "Humbug," an application appropriately applied to the very many *quack Nostrums* which imposters have put upon the afflicted in the shape of Patent Medicines.—The persons named below are referred to, who may be consulted personally in relation to the curative properties of the Liniment. A majority of them have been cured of Rheumatism, bronic and inflammatory, or any of pain of different kinds.

Thomas J. Stevens, Elizabeth Whisler,
Wesley Miles, Rachel Baker,
Rachel Crop, Levi Patton,
Elizabeth Gest, Elizabeth Baker,
Rev. M. C. Beatty, Henry Beterl.

The Vegetable Rheumatic Liniment is put up in bottles of various sizes, from 25 to 50 cents, and will be sold by the proprietor, at his residence in East Pomfret street, opposite Mr. Dashler's Bakery, Carlisle, Pa.
