D. A. & A. C. FETTER.

Feb. 3, 1847.

About six years since, in consequence of the sedentary matre of my business, I was attacked with severe pains in the breast, pall pitation of the heart and shortness of breath, which were soon followed by a faiture of appetite, extreme wakefulness at night and pa tin, in a palests of my limbe—these aronature of the property of the contract of the property of the p parelysis of my limbs—these symptoms of a gent for Carlisle, deranged system being frequently attended with spitting of blood. Fer about two years I was also occasionally thrown into convolving was also occasionally thrown into convulsions which left me in a miserable state of feeble-ness and began to affect my mind. From time to see and organ to ancect my mind. From time to time my sufferings were more or less severe until at length they increased to such a degree, and the violence of the symptoms were so augmented, that for a whole year-I-was-unable to attend to attend to any business. During this time I consulted some able physicians and attended to their prescriptors. attended to their prescriptions; but all their attended to their prescriptions; but all their. skill was unavailing to procure me relief, and at length they regarded my recovery as entirely hopeless. In this condition I was informed of the salutary effects of Thomson's Compound Syrup of Tar and Wood Naphtha, in a cuse somewhat similar to mine, and though I had given up all expectations of a recovery of my former health by human means, yet being strongly advised to try the medicine, I was at length prevailed upon to do so, and I have now to say, that by the two of it was at to say, that by the use of six bittles my health has been restored, and I am now able to attend to business with as much facility as usual.
