Medicines,

DR. WOOD'S SARSAPARILLA AND WILD CHERRY BITTERS

ARE an Infallible Medicine for Dyspepsia or Indigestion, the universal complaint, Headache, Depression of Spirits, Pimples and Pustules on the face, Habitual Costiveness, Rheumatism, Affections of the Bladder and Kidneys, Bilious Fevers. It is a perfect preventative of Bilious and Western Fevers, and the best remedy ever used in restoring the patient, after being prostrated by Fever, &c. Erysipelas, Enlargement of the Bones, Fever and Ague, Flatulency, Foulness of Complexion, General Debility, for general prostration, caused by disease, medicine, or indiscretions committed in youth, aberration of mind, confusion of ideas, loss of memory, dimness of vision, a hopeless expression of countenance; and for this class of disease generally, this medicine has never had its equal. Gout, Giddiness, Gravel, Impure Blood; Jaundice, Loss of Appetite; Liver Complaint; Leprosy, Looseness.

MERCURIAL DISEASES.—Never fails to eradicate entirely, all the effects of Mercury infinitely sooner than any other medicine. Night Sweats; Nervous Debility; Nervous Complaints of all kinds; Neuralgia; Organic Affections; Palpitation of the Heart; Painter's Cholic. Pains in the head, side, back, limbs, joints and organs; Rush of blood to the head; Scurvy; Salt Rheum; Swellings; sick Headache; Stiffness of the Joints; Scorfula or King's Evil; Syphilis in its worst forms; Ulcers of every description, and the Erysipelas, Exposure and Imprudence in Life.

FEMALE COMPAINTS.—Ladies of pale complexion and consumptive habits, and such as are debilitated by those obstructions which females are liable to, are restored by the use of a bottle or two to bloom and vigor. It is by far the best remedy ever discovered for weakly children, and such as have had humors, being pleasant they readily take it. It immediately restores the appetite, strength and color.

Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude before taking it, at once become robust and full of energy under its influence. It immediately counteracts the nerveless ness of the human frame, which is the great cause barrenness.

The following are some of the certificates and complimentary notices that have been received by the proprietor, of the efficacy of this medicine.

Mr. Philip Wilcox, of the well known firm of Wilcox & Richmond, shipwrights, of New Bedford, was entirely cured of a confirmed canker of the stomach, throat and mouth, with sore lips usually accompanying this disease, and his general health much improved by the use of only one bottle. Mr. Wilcox has suffered severely for a number of years with this disease, and attributes his cure entirely to the use of the Bitters.

Col. John Bayliss, Deputy Sheriff of Bristol county, Mass., has voluntarily certified that he was cured by the Bitters, of Jaundice, Indigestion, Headache and Vertigo.

Col. Gibbs, of Sandwich, testifies that several persons in that town, well known to him, have been benefitted by the use of the Bitters, and in every case they have given the most perfect satisfaction.

J. R. Perkins, Esq. Attorney at Law, of New Bedford, was cured of an unpleasant eruption of the face, by the use of the Bitters.

[From the Daily Evening Bulletin.]

It is not our custom to puff Patent Medicines unless we know them to be really excellent.—Having ourselves a knowledge of Dr. Wood's Sarsaparilla and Wild Cherry Bitters, and having several friends who have been benefitted by their use, we do not hesitate to recommend them to the public. Both Sarsaparilla and Wild Cherry are articles of established reputation in the medical world, and this preparation is made with great care and appears to combine all the medicinal qualities of both in an unusual manner. For sale by the proprietor, E. Thornton, Jr. Water street, and by the Druggists generally. Any one suffering from diseases of the blood, indigestion, or headache, would do well to give these Bitters a trial.

Prepared by E. Thornton, Jr. Sold Wholesale and Retail by WYATT & KETCHAM, 121 Fulton street, New York; SAMUEL ELLIOTT, Carlisle, and Druggists generally throughout the United States. Price 1$, large bottles.

I HAVE frequently used Fahnestock's Vermifuge, with good effect; but recently I have administered in one or two cases in which the effects were astonishing. 1000 PERSONS in Philadelphia alone can testify to the wonderful efficacy of that powerful remedy THOMPSON'S COMPOUND SYRUP OF TAR AND WOOD NAPTHA Read! Read! Astonishing cure of Chronic Bronchitis!

Philadelphia, May 23, 1844.

Mr. S THOMPSON.—Dear Sir. For more that four years past I had been dreadfully afflicted with an affection of the throat, which my physician pronounced "Chronic Bronchitis," caused by repeated and neglected colds. The distress suffered is indescribable. My throat was litterally raw with violent coughing, so that blood would come from it; also great oppression, pain and tightness at the chest, ann fever—in short all the usual palmonary symptoms showed themselves, showed themselves, causing entire loss of necessary reposo—my throat was leached and blistered over and over again. I made trial of every known remedy, and at different periods had the advice of six physicians, and all with no avail. About two months since I made trial of your Compound Syrup of Tar and Wood Naptha, and before I had taken the first bottle I felt relief. I continued until I had taken seven bottles, which completely removed the disease and restored me to perfect health, and I firmly believe I should not now be living, had it not been for your invaluable medicine.
