FRENCHMAN AND PIGS.—A Frenchman one day seeing a sow and litter of pigs pass, stood for some time admiring them, till he had an opportunity of popping one under his coat, and running off with it. This he attempted, but was pursued by the hostler, who overtook and seized him, with the pig in his possession. He was taken to jail, and fully committed. When the trial came on, the circumstances of the theft being clearly proved, he was found guilty, and asked what he had to say why sentence should not be passed?

'Me lor, I vil trouble your attendez two tree yord I sal say: I. French gentilman—I no understand vat you call de tief in dis country. Mais I vil tell you tout d' affaire, an you vil find dat I am innocent. Me lor, I never tief a pig in my lile time.'

'Why, it was found upon you.'

'Oh, certainly, but I take vid his own consent.'

'How do you mean.'

'Vy, ven I see the mamma pig, and his childrens, I vas vere much in love vid him; and dis littel pig, I look in his face I say: you pretty littel fellow vil you come liv vid me for von month? He say—*a week*! *a week*!! So, I have take him for a week dat's all.'

KEEPING UP APPEARANCES.—The following anecdote forcibly illustrates the folly of endeavoring to keep up appearance without the means to do so. There are a great many poor Debbies about town.

'Debby, the door bell rings, and you must run, light the match and touch the shavings, and let the burnt stick and bran get on fire in the fire place, or they will think we don't keep fire in the sitting room, and that would not be genteel.'

'Yes'm—there—it's all roaring, and the bell rings again—shall I go now?'

'Yes.'

'Oh Lordy, marm, it was only a pedlar.'

'A pedlar, confound him—take the fire a part and get ready for another alarm.'

'Yes'm.'—*Boston Athenæum.*

QUAINT RESEMBLANCES.—Some philosopher has remarked that every animal when dressed in human apparel, resembles mankind very strikingly in features. Put a frock bonnet and spectacles on a pig, and it looks like an old woman of eighty. A bull dressed in an overcoat would resemble a lawyer. Tie a few ribbons round a cat, put a fan in its paw, and a boarding-school miss is represented. Dress a monkey in a frock coat, cut off his tail, and trim his whispers, and you have a city dandy. Donkeys resemble a good many persons.

HEAVEN.—A negro woman at the South was elating her experience to a gaping congregation of her own color; among other things she said she had been to heaven. One of the brethren says—

'Sister, you see any black folks in heaben?'

She replied, 'Oh, go way, Sam, don't put a out 'spose I go in the *kitchen* when I was dar?'

Angelina—"Will my darling Edwin grant his Angelina a boon?"

Edwin—"Is there anything on earth her Edwin would not do for his pet?—Name the boon, oh, dearest—name it!"

Angelina—"Then love, as we dine by ourselves to morrow, let us have pork with plenty of sage and onions!"

THE BETTER WAY.—The sons of the poor die rich—while the sons of the rich die poor. What encouragement to toil through life in acquiring wealth to ruin our children? Better to go with our money as we go along—educate our sons—ensure their virtues by habits of industry and study, and let them take care of themselves.

NEW SOURCE OF PROFIT.—"Hallo, Dutch, where did you get those clothes?" "Why, you see, I plagued a rich fellow till he gave me a slap on the jaw; I prosecuted him—his friends bought me off and I agreed to drop the matter up. I'm going to set up business in that line now, and I expect to make a fortune at it soon."

A GALLANT IRISHMAN.—An Irish gentleman remarkable for his devotion to the fair sex once remarked, "never be critical on the ladies. Take it for granted that they are all handsome and good. A true gentleman will never look on the faults of a pretty woman *without shutting his eyes*?"

A young gentleman paid his addresses to a young lady, by whose mother he was unhonorably received. "How hard," said he to the young lady, "to seperate those whom love has united!" "Very hard indeed replied she, with great innocence, at the same time throwing her arms round his neck, 'and so mother will find it.'"

Ooh, honey, that every should come to America to see a snuff box walk!" said an Irishman on seeing a terrapin.

"Whist! don't be either makin' fun of the bhist, said the wife.

A lady who was a strict observer of etiquette, being unable to go to church one Sunday, sent her card.

Medicines.

To the Sick and Afflicted.

LET all those who are CONSUMPTIVE, or afflicted with Coughs, Colds, Asthma, Bronchitis, Spitting Blood, Pain in the side or Breast, Sore Throat, Hoarseness, Palpitation of the Heat, whooping Cough, Liver Complaints, &c., remember that it is

THOMPSON'S COMPOUND SYRUP OF TAR & NAPATHA that is daily effecting such wonderful cures in all these diseases.

Therefore beware of all other mixtures that contain, or professes to contain Tar, and purchase of them only who are known not to deal in Spurious articles.

Read the following testimony to the value of the above medicine, from a well known citizen of Cumberland county.

DICKINSON TOWNSHIP, Nov. 26, 1847.

About six years since, in consequence of the sedentary nature of my business, I was attacked with severe pains in the breast, palpitation of the heart and shortness of breath which were soon followed by a failure of appetite, extreme wakefulness at night, and partial paralysis of my limbs—these symptoms of a deranged system being frequently attended with spitting of blood. For about two years I was also occasionally thrown into convulsions which left me in a miserable state of feebleness and began to affect my mind. From time to time my sufferings were more or less severe until at length they increased to such a degree, and the violence of the symptoms were so augmented, that for a whole year I was unable to attend to attend to any business. During this time I consulted some able physicians and attended to their prescriptions; but all their skill was unavailing to procure me relief, and at length they regarded my recovery as entirely hopeless. In this condition I was informed of the salutary effects of Thomson's Compound Syrup of Tar and Wood Naphtha, in a case somewhat similar to mine, and though I had given up all expectations of a recovery of my former health by human means, yet being strongly advised to try the medicine, I was at length prevailed upon to do so, and I have now to say, that by the use of six bottles my health has been restored, and I am now able to attend to business with as much facility as usual.

'GARLEGAN'S BALSAM OF HEALTH:

An Approved Remedy for Dyspepsia, Colics &c., &c.

THERE are two reasons why this medicine can be recommended to the public,—one is, that most persons who have so right it buy it again thereby showing that they regard it as a valuable Family medicine; the other is that certificates are in the possession of the Proprietor of permanent cures having been effected not only in persons afflicted for a short time, but also in cases of long standing

It is composed altogether of a vegetable matter, is perfectly harmless, can be taken at all times, and is no hindrance to business. It restores and revives the animal spirits, cleanses the stomach from all morbid humors which cause indigestion and acidities. It also removes nervous tremors, rhumatic pains, and prevents their return; cures all colics of the stomachs and bowels, almost immediately takes away palpitation of the heart, and promotes the free circulation of the blood.

The direction accompanying each bottle contains a number of certificates one of which is given in this advertisement.

DEAR SIR:—about two years ago I was severely afflicted with dispepsia, which I had for the last fifteen years previous to the above named time, which was very much increased by my having a blood vessel ruptured upon my lungs, occasioned by lifting—which increased my complaint, dispepsia and general debility and weakness, to such a decree, that two or three years previous to my using the Garlegant's Balsam, I never ate a meal but my stomach became so painful that I had immediately to throw it up. Seeing 'Garlegant's Balsam advertised I was induced to try a bottle; after taken the very first dose it appeared to strengthen my stomach; and every dose of the first bottle helped me so much that in the course of a few days my stomach began to retain and digest every thing I ate. I continued to use the Balsam until I used several bottles, which cured me entirely, and restored me to perfect health, which I have enjoyed ever since, and not before for fifteen years. I cheerfully recommend it to all persons who are afflicted with dispepsia or debility of stomach.

DR. LE ROY'S VEGETABLE UNIVERSAL PILLS.

THE only known medicine that at the same time purges, purifies, and strengthens the system. Dr. Le Roy's Pill are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one through its admixture with other substances, purifying and purging, while the other is strengthening the system. That those pills are at the same time, tonic and opening; a desideratum long and eagerly sought for by medical men, but never before discovered. In other words they do the work of two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities, so that while they purge they strengthen, and hence they cause no debilitation, and are followed by no reaction. Dr. Le Roy's Pills have a wonderful influence on the blood, they not only purify, without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus make impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines, which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner, and hence persons taken them do not become pale and emaciated, but the contrary, for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations.

Medicines.

Dr. Wood's Sarsaparilla & Wild Cherry Bitters.

ARE an infallible Medicine for Dyspepsia or Indigestion, the universal complaint, Costiveness, Depression of Spirits, Pimples and Eruptions on the face, Habitual Costiveness, Rheumatism, Affections of the Bladder and Kidneys, Bilious Fevers, and in short a preventative of Bilious and Western Fevers, and the best remedy ever used in restoring the patient, after being prostrated by Fever, &c., Erysipelas, Enlargement of the Bones, Fever and Ague, Flatulency, Fouiness of Complexion, General Debility or general prostration, caused by disease, medicines, or indiscretions committed in youth, aberration of mind, confusion of ideas, loss of memory, dimness of vision, a hopeless expression of countenance, and for this class of disease generally, this medicine has never had its equal. Gout, Giddiness, Gravel, Impure Blood, Jaundice, Loss of Appetite, Liver Complaint, Leprosy, Looseness.

MERCURIAL DISEASES.—Never fails to eradicate entirely, all the effects of Mercury infinitely sooner than any other medicine. Night Sweats; Nervous Debility; Nervous Complaints of all kinds; Neuralgia; Organic Affections; Palpitation of the Heart; Painter's Cholic. Pains in the head, side, back, limbs, joints and organs; Rush of blood to the head; Scurvy; Salt Rheum; Swelling; Sick Headache; Stiffness of the Joints; Scrofula or King's Evil; Syphilis in its worst forms; Ulcers of every description, and the Erysipelas; Exposure and Imprudence in Life.

FEMALE COMPAINLTS.—Ladies of pale complexion and consumptive habits, and, such as are debilitated by those obstructions which females are liable to, are restored by the use of a bottle or two to bloom and vigor. It is by far the best remedy ever discovered for weakly children, and such as have bad humors, being pleasant they readily take it. It immediately restores the appetite, strength and color.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude before taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the human frame, which is the great cause barrenness.

The following are some of the certificates and complimentary notices that have been received by the proprietor, of the efficacy of this medicine.

Mr. Philip Wilcox, of the well known firm of Wilcox & Richmond, shipwrights, of New Bedford, was entirely cured of a confirmed canker of the stomach, throat and mouth, with sore lips usually accompanying this disease, and his general health much improved by the use of only one bottle. Mr. Wilcox has suffered severely for a number of years with this disease, and attributes his cure entirely to the use of the Bitters.

Col. John Bayliss, Deputy Sheriff of Bristol county, Mass., has voluntarily certified that he was cured by the Bitters, of Jaundice, Indigestion, Headache and Vertigo.

Col. Gibbs, of Sandwich, testifies that several persons in that town, well known to him, have been benefitted by the use of the Bitters, and in every case they have given the most perfect satisfaction.

J. R. Perkins, Esq. Attorney at Law, of New Bedford, was cured of an unpleasant eruption of the face, by the use of the Bitters.

[From the Daily Evening Bulletin.]

It is not our custom to puff Patent Medicines unless we know them to be really excellent.—Having ourselves a knowledge of Dr. Wood's Sarsaparilla and Wild Cherry Bitters, and having several friends who have been benefitted by their use, we do not hesitate to recommend them to the public. Both Sarsaparilla and Wild Cherry are articles of established reputation in the medical world, and this preparation is made with great care and appears to combine all the medicinal qualities of both in an unusual manner. For sale by the proprietor, E. Thornton, Jr. Wster street, and by the Druggists generally. Any one suffering from diseases of the blood, indigestion, or headache, would do well to give these Bitters a trial.

Prepared by E. Thornton, Jr. Sold Wholesale and Retail by WYATT & KETCHAM, 121 Fulton street, New York; SAMUEL ELLIOTT, Carlisle, and Druggists generally throughout the United States. Price 1$, large bottles.

IN THE BOOK OF NATURE AND OF COMMON SENSE, that the natural vegetable productions of every country are, if properly applied, amply sufficient for the cure of every malady incident to each peculiar climate

Wright's Indian Vegetable Pills,

of the North American College of health are composed of plants which grow spontaneously on her own soil, and are therefore better adapted to our constitutions than medicines concocted from foreign drugs, however well they may be compounded; and as they are founded upon the principles that the human body is in truth SUBJECT TO, BUT ONE DISEASE, viz: corrupt humors, and that said medicine cures the disease on

Natural Principles

by cleansing and purifying the body; it will be manifest, that if the constitution be not entirely exhausted—a perseverence in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a swamp or morass to fertility, we drain it of the superabundant waters; in like manner if we wish to restore the body to health, we must cleanse it of impurity.

Wright's Indian Vegetable Pills

will be found one of the best, if not the very best medicine in the world for carrying out this GRAND PURIFYING PRINCIPLES, because they expel from the body all morbid and corrupt humors, the cause of disease, in an easy and natural manner; and while they every day give ease and pleasure, diseases of every name is rapidly drive from the body.

BEWARE OF COUNTERFEITS.—The public are cautioned against the many spurious medicines which in order to deceive, are called by names similar to Wright's Indian Vegetable Pills.

The only original and genuine Indian Vegetable Pills, have the signature of Wm. Wright written with a pen on the top label of each box None is genuine, and, to counterfeit, is forgery.

MAP OF

PENNSYLVANIA, NEW JERSEY & DELAWARE

Compiled from the Latest Authorities.

PUBLISHED BY S. AUGUSTUS MITCHELL, 1847.

SOLD by Messrs. THOMAS COWPERWAIT & CO, No. 253 Market street, and S. AUGUSTUS MITCHELL, N. E. corner of Seventh and Market streets Philadelphia.

This is a very handsome Map, well engraved and colored, and neatly mounted on rollers It presents very distinctly the natural features, as well as the cities, towns, villages, roads and, civil divisions of the three States, and contains enlarged plans of Philadelphia, Pittsburg and Lancaster, with their vicinities, and of the principal coal regions, and the route designated for the Central Railroad is marked with dotted lines. Next to the study of Geography in school, the use of maps for reference, has the greatest tendency to diffuse accurate geographical knowledge; and as this map is well suited for general use, and furnished at the moderate sum of $1 50, we should be glad to see one placed in every house in the region to which it relates.
