Notice to Tax Payers. UNDER the provisions of the act of 1844 any county paying into the State-Treasury the State tax levied on such county, pior to the 15th of July in any year, is entitled to an abatement of 5 per cent on the amount so paid. The undersigned, Commissioners of Cumberland county, in view of the above provisions, consider it equitable and proper that those who by the prompt payment of their taxes prior to the above date, enable the Treasurer to pay over the State tax, so as to receive the aforesaid abatethe State tax, so as to receive the afores the State tax, so as to receive the aforesaid abatement of 5 per cent, the benefit of which has hitherto been enjoyed by the citizens of the county generally, should be allowed a deduction of that amount by the collector—have authorized the different collectors to make said 'abatement from the State tax, in all cases where the Mate and County tax-is paid to the collector prior to the 15h of July, 1847, when said abatement shall amount to one cent or notice no fiver no five tone of amount to one cent or more, no fractrons of cent to be credited.

amount to one cent or more, no fractrons of a cent to be credited.

Since the act of 1844, the Commissioners have paid the State tax of this county amoually to the State Treasurer, within the time prescribed by the act, and the county has received the benefit of an abatement of five per cent. thereon, but to-meet said payment they have found, it necessary heretofore to appropriate a part of the county funds to meet the deficiency occasioned by delinquents, until the balance of the State tax was collected. It therefore becomes necessary to require the payment f both State and County tax to entitle the payer to the aforesaid abatement upon the aforesaid State tax.

The undersigned therefore confidently anticipate that the above arrangement, and the inther inducement of enabling Cumberland county to maintain the character for promptness and fidelity which she has required in the discharge of her obligations to the Commonwealth, will induce every chizen to discharge their State and County tax prior to the 15th day of July.
