M'ALLISTER'S OINTMENT.

IT has power to cause all external SORES, SCROFULOUS humors, SKIN DISEASES, POISONOUS WOUNDS, to discharge their putrid matters, and then heals them.

It is rightly termed All-healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption and liver; involving the utmost danger and responsibility, and I declare before heaven and man, that not one single case has it failed to benefit when the patient was within the reach of mortal means.

I have had physicians learned in the profession, I have had ministers of the Gospel, Judges of the bench, Aldermen, Lawyers, gentlemen of the highest erudition, and multitudes of the poor use it in every variety of way and there has been but one voice—one universal voice—saying, "McAllister, your Ointment is GOOD."

CONSUMPTION.—It can hardly be credited that a salve can have any effect upon the lungs seated as they are within the system. But, it placed upon the chest, it penetrates to the lungs separates the poisonous particles that are consuming them, and expels them from the system.—It is curing persons of Consumption continually.

HEADACHE.—The salve has cured persons of the headache of 12 year's standing, and who had it regular every week so that vomiting often took place.

Deafness and Ear Ache are helped with like success.

RHEUMATISM.—It removes almost immediately the inflamation and swelling when used in this case. Read the direction around the box.

COLD FEET.—Consumption, Liver Complaint, pain in the chest or side, falling off of the hair, one or the other always accompanies cold feet. This ointment is the true remedy.) It is a sure sign of disease to have cold feet.

In scrofula, old sores, erysipelas, saltrheum, liver complaint, sore eyes, quinsy, sore throat, bronchitis, broken or sore breast, piles, all chest diseases such as asthma, oppressions, pain—also, sore lips, chapped hands, tumors, cutaneous eruptions, nervous diseases and of the spine, there is no medicine now known as good.

SCALD HEAD.—We have cured cases that actually defied every thing known, as well as the ability of 15 or 20 doctors. One man told us he had spent $600 on his children without any benefit, when a few boxes of ointment cured them.

BALDNESS.—It will restore the hair sooner than any other thing.

BURNS.—It is the best thing in the world for them. Read the directions around the box.

WORMS.—It will drive every vestige of them away.

There is probably no medicine on the face of the earth at once so sure and so safe in the expulsion of worms.

CORNS.—Occasional use of the Ointment will always keep corns from growing. People need never be troubled with them if they will use it.

PILES.—Thousands are yearly cured by this Ointment.

JAMES MCALLISTER & Co.

Sole proprietors of the above medicine.

CAUTION.—No OINTMENT will be genuine, unless the names of James McAllister & Co., are written with a pen upon every label.

Hovey's Patent Spiral STRAW CUTTER;

The only Straw Cutter which has knives that are adjusted on the Cylender.

AN examination of these justly celebrated Cutters is alone deemed sufficient to recommend them to public favor. During the past year they have drawn the first premium from the New York State Agricultural Fair, from the Mechanics' Fair at Boston, from the Massachusettts State Cattle Fair at Worcester, and at every Fair where they have exhibited. These Machines combine every improvement necessary to make them excel all machines for cutting Hay, Straw, or Cornstalks. The knives being supported by wings cast on the cylender are rendered sufficiently strong to cut the largest kind of corn stalks with ease and great dispatch—and as the knives are regulated by set screws, it gives them a great advantage over all other cylender cutters.

Notice to Tax Payers.

UNDER the provisions of the act of 1844 any county paying into the State Treasury the State tax levied on such county, prior to the 15th of July in any year, is entitled to an abatement of 5 per cent. on the amount so paid

The undersigned, Commissioners of Cumberland county, in view of the above provisions, consider it equitable and proper that those who by the prompt payment of their taxes prior to the above date, enable the Treasurer to pay over the State tax, so as to receive the aforesaid abatement of 5 per cent. the benefit of which has hitherto been enjoyed by the citizens of the county generally, should be allowed a deduction of that amount by the collector—have authorized the different collectors to make said abatement from the State tax, in all cases where the State and County tax is paid to the collector prior to the 15th of July, 1847, when said abatement shall amount to one cent or more, no fractions of a cent to be credited.

Since the act of 1844, the Commissioners have paid the State tax of this county annually to the State Treasurer, within the time prescribed by the act, and the county has received the benefit of an abatement of five per cent. thereon, but to meet said payment they have found it necessary heretofore to appropriate a part of the county funds to meet the deficiency occasioned by delinquents, until the balance of the State tax was collected. It therefore becomes necessary to require the payment of both State and County tax to entitle the payer to the aforesaid abatement upon the aforesaid State tax.

The undersigned therefore confidently anticipate that the above arrangement, and the further inducement of enabling Cumberland county to maintain the character for promptness and fidelity which she has acquired in the discharge of her obligations to the Commonwealth, will induce every citizen to discharge their State and County tax prior to the 15th day of July.
