Wright's Indian Vegenble Pills, of the Norda

From Warwarsing, N. Y. Prom Warnarying, N. Y.

DEAR SIR,—I have been ufflicted for several years with inward weakness and general debility, accompanied at times with pain in the side and other distressing complaints. After having tried various medicines without effect, I was persuaded by a friend to make trial of Dr. Wright's Indian Vegetable Pills, which I am happy to 8 ate have relieved me in a most wonderful manner. I have weak the needlein as yet but a short line and relieved me in a most wonderful manner. The following letter is presented with a view of more fully showing the opinions of Physicians in retion to the Medical value of Dr. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

DR. SWAYNE—Dear Sir: Having used your Compound Syrup of Wild Gherry extensively in my practice; I was requested by your Agent Dr. Krutcher, to 16 express my opinion in writing of its properties as a "semedial agent. I most cheerfully comply as I feel by so doing, I will discharge a debt I owe the community at large, and Physicians in particular. As much as I so doing, I will discharge a debt I owe the community at large, and Physician is in particular. As much as I dotest Augack Remedies and Pattent Noajrune, I was induced from a failure of the most potent expectorants recommended in our materia medieus in some cases of Diskabed Lungs, to try your Preparation of Prunts Virginia or Wind Origany. It is sufficient to say that I was so much pleased with the result of that, and subsequent trials that I now prescribe, it in preference to all other Remedies where an expectorant is indicated. In the much dreaded Pneumonia or Discase of the Lungs, in the addrains form in, which it appears in Kenticky, I regard it as an invaluable, Remedy in the treatment of that discase, Total who know me I have issakle nough, but, as this may be seen by persons but of the vicinity of Frankfort, I will briefly add, that I have been engaged in an active practice of my profession of 12 years, and an is Regulat Gradiants of Transylvania and this is the first Patent Medicine I ever thought chough of the expense an opinion in weiting.
