Mr. A. ROOT'S

Gallery of Daguereotype Portraits and Family Groups,

No. 140 Chesnut St., 3d door below Fifth St.

PHILADELPHIA.

(ADMISSION FREE.)

THE pictures taken at this establishment are pronounced by artists and scientific men, unrivalled for depth of tone and softness of light and shade, while they display all the artistic arrangement of the highest effort of the painter.

Citizens or strangers visiting the Gallery, can have their Miniatures or Protraits taken in this unique style, and neatly set in Morocco cases, Gold Lockets or Breastpins &c, in a few minutes. We copy the following from the Philadelphia Saturday Courier:

AMERICAN SUPERIORITY.

The public journals have at different periods announced, as a remarkable proof of the skill and proficiency of American Artists, that Daguerreotypes are now made in this city superior in every respect, to those made in any of the European cities. The success of American artists was confirmed in a very gratifying and conclusive manner, by Mr. Barnum's publicity stating at the close of his Tom Thumb exhibition in this city, that Mr. Root had made fifty-one good pictures with only a single failure. In addition to which Mr. R. has been furnished with the following conclusive certificate, signed it will be perceived by the parents of Tom Thumb, by Mr. Barnum, his teachers and secretary, all of whom were with him in Europe:

PHILADELPHIA June 4 1847.

The Daguereotype of Tom Thumb and his family, including his several teachers, footman, driver, equipage &c. and his various costumes and characters, made by Mr. A. Root, (FIFTY-ONE in all) present a degree of accuracy and truthfulness to Nature, with a bold charm of outline, softness, expression, beauty and delicacy of finish and uniform brilliance that we have never seen equalled. They are decidedly superior to any thing of the kind witnessed by us either in this country or in London, Paris or any of the cities of Europe which we have visited. We take pleasure in bearing testimony to the courtesy and skill so uniformly manifested by Mr. Root, the eminently successful Daguerreotypist.

Signed S. E. STRATTON (the Father)
CYNT. STRATTON (the Mother)
P. T. BARNUM
(Exhibitor of Tom Thumb in England and America and Proprietor of the New York and Baltimore Museum.)
W. W. WEBSTER (Secretary)
THEODORE CATLIN
(Advertiser and Secretary of Tom Thumb in Europe)
H. G. SHERMAN (his Preceptor)

This is certainly very striking testimony in favor of American superiority, coming as it does from those who have examined specimens of the best productions in the art in most of the principle cities of Europe.

To Volunteers for Mexico!

CARLISLE, July 19, 1847.

I am this day informed that the President of the United States has accepted the services of the VOLUNTEER COMPANY enrolled here. I would therefore inform the members of said company and others, that the Act of June 18th, allows to each Non-commissioned officer, Musician and Private, of Volunteers, 50 cents, in lieu of subsistence for every twenty miles by the most direct route, from their homes to the place of general rendezvous; and $3,50 per month for clothing during the time he shall be in the service of the United States. The Volunteers must however furnish his own clothing, and cannot receive it in kind.

To enable the Volunteers called into service to provide themselves with good and sufficient clothing, the Secretary of War has authorized the commutation allowance for six months, (twenty-one dollars) to be paid in advance to each non-commissioned officer, musician and private, after being mustered into service; but only with the express condition that the volunteer has already furnished himself with six months clothing, which fact is to be certified to the Paymaster by the Captain of the company, or that the amount thus advanced, shall be aplied under the super vision of his Captain to the object contemplated by law. In this latter case, the advance commutation for clothing will be paid on the Captain's certificate that he is satisfied it will be so applied.

The Great English Remedy.

Dr. Barber's Liniament

FOR HORSES.

This most valuable Embrocation has been used with wonderful success in the cure of some of the most troublesome diseases with which the horse is affected, (without destroying the hair) such as old strains, swellings, stiffness of joints, galls produced by the collar and saddle, strains of the shoulders, stifle, hoof, pastern and coffin joints, strains of the whirl bone, knee, and fetlock, poll evil, fistules, curbs, splints, spavin, windgalls, puffs, &c.

It very soon cures old or fresh wounds, cuts, bruises, fistules, poll evil, curbs, etc., and gives instant relief in the scratches, grease, etc., and the diseases incident to horses having white feet and noses produced by St John's Wort, which so often destroys the hoofs and bones of the feet, and resists the action of sulphur and vitriol ointments, and other remedies equally powerful.

No application has heretofore proved so useful in relaxing stiffness of the tendons and joints, and producing such immediate and beneficial effects in cracked heels, brought on by high feeding, splints and sprains.

This Embrocation is highly recommended to farriers, keepers of livery stables, wagoners, stage proprietors, and private gentlemen owning horses, as an invaluable remedy, and should be constantly kept in their stables.

Also farmers, whose horses are so liable to kicks, cuts and wounds, will find it equally advantageous to keep it constantly on hand.—It is equally beneficial in the treatment of working cattle, for galls, sore necks, cuts, wounds, etc.

Notices.

SEWELL,

DAGUERREAN ARTIST, late of Plumbe's celebrated National Gallery, would inform the citizens of Carlisle and vicinity, that he has taken rooms over Miss Moore's, confectionary store, where he will be happy to wait on them and continue to take the most perfect Daguerreotype Likenesses. As his stay is limited for a short period only, those wishing likenesses are requested to give him an early call.

Mr. S. has spared no expense in procuring the very best apparatus, chemicals, &c. that can be furnished. Many persons are prejudiced against Daguerrotype Miniatures, he says, as they say, they will fade. The idea is absurd—those taken at this establishment are warranted to remain permanent, and are both as regards perfection of likeness and the faithful copying from nature, alike the wonder and admiration of all.

Secure the SHADOW ere the substance fade,
Let Nature copy that which Nature made.

Ladies and gentlemen are respectfully invited to call and examine his pictures, whether they contemplate sitting for a likeness or not, which they will be able to judge for themselves.

Likenesses of deceased persons taken at request.

Terms only Two Dollars!

Notice to Taxpayers.

THE Commissioners of Cumberland county feel much gratified in being able to announce to the citizens of the county, that by their prompt payment of the State and County Tax, they have enabled the County Treasurer to pay over to the Treasurer of the Commonwealth the State Tax assessed upon this County, so as to receive an abatement of five per cent upon the amount thus paid, agreeably to the act of Assembly. But while they would congratulate the citizens of Cumberland county that a majority have evinced a laudable spirit in thus promptly affording to the State Treasurer the means to meet the engagement of the Commonwealth and to pay the interest upon the State Debt at maturity, they would remind the few, who are yet in arrearages in the payment of heir taxes, that there is a debt due by the county and bearing interest, which renders it very desirable that those yet in arrears should make payment to the County Collectors as soon as practicable.

The commendable promptness with which the majority have paid their State and County Tax, has enabled the Treasurer to pay over the State tax without the necessity of the Commissioners obtaining a loan for that purpose, which has hitherto been required—and the prompt payment of the balance of the State and County Tax yet due, will place in the hands of the Commissioners the means to pay the annual interest of the County debt and also about twelve thousand dollars of the principal.

Notice!

I WOULD hereby notify all persons concerned, who are in arrears either by bond, note, book account, to call and settle up their respective dues, as I have disposed of my entire stock of Hardware to Messrs. Fisher & Forney of Harrisburg. I have sold for no other reason, than to settle up my books, and the sooner calls are made the better, as by July next all the accounts will be left in the hands of a legal officer for collection. Several attempts have heretofore been made to settle up my books but failed, so we now give fair warning that if one way fails there's a way that will not fail. Those having business with me will find me at my residence, corner of Louther and Pitt streets.
