Notice to Taxpayers.

July 14, 1847.

THE Commissioners of Cumberland county feel much gratified in being able to minicance to the entirement of the county, that by their prompt payment of the State and County Tax, they have enabled the County Treasurer to pay over to the Treasurer of the Commonwealth the State Tax assessed upon this County, so as to receive an abatement of five per cent upon the amount thus paid, agreeably to the act of Assembly, But while they would congratulate the citizens of Cumberland county that a majority have evined a laudable spirit in thus promptly affording to the State Treasurer the means to meet the engagement of the Commonwealth and to pay the interest upon the State Debt at maturity, they would remind the few, who are yet in arrerages in the payment of heir taxes, that there is a debt due by the county and bearing interest, which renders it very desit able that those yet in arrears should make payment to the County Collectors as soon as practicable.

All person mowing themselves indebted to said assignee vill please make payment to me immediately and those having claims will hand them in. GEORGE MILLER.
