cease of his father, returned to Boston, in or-der to pay his respectato his mother who re-sided in that town. The had been absent some years, and at that period of lite when the greatest and most rapid alteration is made in the human appearance—at a time whan the quernlous yoice of the stripling as-sumes the commanding some of the adult, and the smiling features of youth are sne-

knocked together a little while, and their use spheri to the government, and sconnistor to knocked together a little while, and their use haw, they consider as their power, their glo-nited wisdom gave the verdet this time for another sum of a totally different amount. But equally absuid. (It is clear, gentlemen,) miles the destinics of a people adorned by with the two the verdet the star. JUAN LANDO. * Trons the N. O. Picayone, Aug 25, fulle longer and then returned a verdict that the plauntiff was to psy. "The plaintiff to pay You mean the detendent. I suppose, gentle-Intercepted Correspondence. We have before us the Balentin de las No-You mean the defendent. I suppose, gentle-men?" "Eas," said the foreman, "the de-fendent it be," "And how much?" asked the judge. "Fifteen pounds it be." And the verticers of the 6th and 8th of August. This, it will be recollected is a little Mexican paper published at Jalapa. In the number of the 6th we find sunder the head of "Intercepted igh was actually recorded for litteen pounds, the judge telling the parties in plain terms that there was no making such as see order. Stand anything, and that is new trial must be had, A rule his for increasing the damages was granted on Wednesday last. A jury at the new exciting, after molecular tells. Correspondence," what purports to be "part of a private correspondence from the Cabinet at Washington to Gen. Scott." We cannot believe the letter to be genuine, though the same assizes; alter, making varies at empts to indicate the verdict they wanted to return, and confounding plaintiff with de-fendent, and defendent with plaintiff; and hitherto we have not detected the Mexicans. surly. In all, the mind has evidently been in palming off pretended letters from tho affected; and in some, where there has been extreme abstinence, their waking hours have Covernment at-Washington forgenuine ones. defendent and the plaintiff must pay, and the defendent was guilty, and alfogether hud-dling the whole affair, were relieved by the been characterized by decided mental above The reader will bear in mind that it has undergone two translations, and without further ado we amex it as it purports to have been foreman pointing out the plaintiff's counsel, given in the Republicano, No 173-the date and roared out, 'Theer! we found for he."-Liverpool Albion. omitted : Our position has become dificult, and il.o NEWSPAPERS, --- A gentleman from the country mentioned to us yesterday; that his discount suffered on the drafts drawn against the commissary general of the armies, at nunal subscription amounted to about \$75-New Orleans, renders our situation still more critical; as I dars not risk to exchange these but he nevertheless believed that each paper was not only a source of pleasure but of pro-fit to him, inasmuch as the information com-municated, enabled him to realize in his pudratts against oth us on Washington. * A new loan cannot be ratified, nor would t be advisable. Could we entertain any siness, at least the full price of the annual cost. He cited the case of the Inquirer for hope of succes with the wrong turn the elec-tions have taken? Without that indispensaof wisdom," Here is a man who had dran-ed the cup of ambition to its very dregs, who had enjoyed more of power and fame than any ruler of the age, we may almost say of all time, and who yet comes to the same conclusion with the inspired preacher, that and is vanity." In the originating gewgaw of a crown, in the hitching gewgaw of a crown, in the hitching gewgaw all maukmd, he had failed to find. (happi-range) wo the oblication of the same of a cover, in the hitching applause of all maukmd, he had failed to find. (happi-range) wo the oblication of the same of a cover, in the hitching applause of all maukmd, he had failed to find. (happi-range) wo the oblication of the same of a cover, in the hitching applause of all maukmd, he had failed to find the pro-ter of the bad failed of find the pre-ter of the bad failed of find the pre-ter of the same of a cover, in the had failed of find the pre-ter of the bad failed of find the pre-ter of the pre-ter of the bad failed of find the pre-ter of the pre-ter of the bad failed of find the pre-ter of the ba le resource, could we raise the troops of he line you demand? The states of the Union fear an accumutation of paper and her banks would become bankrupt under an agglomeration of notes. How can we hope to venture upon further engagements in new enlistments of volunteers ? Besides, General, the men whose terms have expired are much dissatisfied, and it is communicated like electric gas to the new recruits, and the information received at this department is anything but flattering. Will the States raise the ten thousand men you demand ?-Ldoubt if much and I fear that you will re-main simtheredure of Mexico, which you ness.³³ Would that our own American youth his been oblained by means of a newspaper could learn and profit by the lesson that rank advertisement. Phild Inquire. and influence and station confer to such Love in Boyhoon AND. MANHOOD.—The boon is may be attained without consuming love of a boy differs from that of a man in toil and theart-purping addition if well-regulations for which all sections imperious feeling, from which all sections lated passions; and the peaceful enjoyment. and influence and station confer no such main similar control of any extern which you represent so densely populated and formida-ble, in a state of inactivity, which has also been very unexpectedly the fate of Gen. Taylor. To your foresight and skill (I, am sorry to say so.) is confided our fate, state of the next schence is obsorre though of a happy hane. Hear and ponder the words of the most illustrious chieflain of a is mere blind, activity or newly awakenee emotions. Hence the rasiness of early love

BONAPARTE-A LESSON OF WISDOM .-- Uner this head the Springfield Republican gives an extract, which we annex, from Count Montholon's book on Bonaparte, lately republished. It refers to one of those con versations of the great Emperer, which, the Republicant justly remarks, are walk paleu-lated to open the window to his heart, and in the first time, perceived any emotion in her. Philadelphia? said she—and all the mother suffused her eye. It you live in Philadel-phia, perhaps you know our Ben. Who, Madam? Why Ben Franklin: my Ben, oh berwithe Jonust child that ever bessed which, we may teel assured, he spoke with he utmost sincerity. It is indeed a "leason of wisdom," Here is a man who had dram. ture, she took a number of them into her pland it. family, during the session r that she had then four members of the Council, and six of the House of Representatives who bearded with herm the Printer, your son? why he is herm that all her beds were dull, mand then herm that all her beds were dull, mand then the same room. Oh ! God forgive .me ! ex-claimed the old lady, raising her watery eyes to Heaven, and have 1 suffered an acquaintance of my Benny to sheep on this hard chuir while I mysell have resided on a good soft bed!

How the Dector discovered, himself, to his mother he bas not informed, us ; but, from the above experiment, he was firmly, en-vinced, and was often heard to declare, that valued affection does not cristing. ward with the

PLAIN TALKING .- An ollior some where in the interior of this State walks into a lady in this way, because she has a greater taste for
