Notice to Taxpayers.

THE Commissioners of Cumberland county feel much gratified in being able to announce to the citizens of the county, that by their prompt payment of the State and County Tax, they have enabled the County Treasurer to pay over to the Treasurer of the Commonwealth the State Tax assessed upon this County, so as to receive an abatement of five per cent upon the amount thus paid, agreeably to the act of Assembly. But while they would congratulate the citizens of Cumberland county that a majority have evinced a laudable spirit in thus promptly affording to the State Treasurer the means to meet the engagement of the Commonwealth and to pay the interest upon the State Debt at maturity, they would remind the few, who are yet in arrearages in the payment of their taxes, that there is a debt due by the county and bearing interest, which renders it very desirable that those yet in arrears should make payment to the County Collectors as soon as practicable.

The commendable promptness with which the majority have paid their State and County Tax, has enabled the Treasurer to pay over the State tax without the necessity of the Commissioners obtaining a loan for that purpose, which has hitherto been required—and the prompt payment of the balance of the State and County Tax yet due, will place in the hands of the Commissioners the means to pay the annual interest of the County debt and also about twelve thousand dollars of the principal.

Notice!

I WOULD hereby notify all persons concerned, who are in arrears either by bond, note, book account, to call and settle up their respective dues, as I have disposed of my entire stock of Hardware to Messrs. Fisher & Fortney of Harrisburg. I have sold for no other reason than to settle up my books, and the sooner calls are made the better, as by July next all the accounts will be left in the hands of a legal officer for collection. Several attempts have heretofore been made to settle up my books but failed, so we now give fair warning that if one way fails, there's a way that will not fail. Those having business with me will find me at my residence, corner of Louther and Pitt streets.
