Dr. Wood's Sarsaparila & Wild Cherry Bitters.

ARE an Infallible Medicine for Dyspepsia or Indigestion, the universal complaint, Headache, Depression of Spirits, Pimples and Pustules on the face, Habitual Costiveness, Rheumatism, Affections of the Bladder and Kidneys. Billious Fevers. It is a perfect preventative of Bilious and Western Fevers, and the best remedy ever used in restoring the patient, after being prostrated by Fever, &c. Erysipelas, Enlargement of the Bones, Fever and Ague, Flatulency, Foulness of Complexion, General Debility, for general prostration, caused by disease, medicine, or indiscretions committed in youth, abberration of mind, confusion of ideas, loss of memory, dimness of vision, a hopeless expression of countenance; and for this class of disease generally, this medicine has never had its equal. Gout, Giddiness, Gravel, Impure Blood; Jaundice; Loss of Appetite; Liver Complaint; Leprosy; Looseness.

MERCURIAL DISEASES.—Never fails to eradicate entirely, all the effects of Mercury infinitely sooner than any other medicine. Night Sweats; Dervous Debility; Nervous Complaints of all kinds; Neuralgia; Organic Affections; Palpitation of the Heart; Painter's Cholic. Pains in the head, side, back; limbs, joints and organs; Rush of blood to the head; Zeurvy; Zalt Rheum; Zwelling; sick Headache; Stiffness of the Joints; Scrofula or King's Evil; Syphilis in its worst forms; Ulcers of every description, and the Erysipelas; Exposure and Imprudence in Life.

FEMALE COMPAINLTS—Ladies of pale complexion and consumptive habits, and such as are debilitated by those obstructions which females are liable to, are restored by the use of a bottle or two to bloom and vigor. It is by far the best remedy ever discovered for weakly children, and such as have had humors, being pleasant they readily take it. It immediately restores the appetite, strength and color.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude before taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the human frame, which is the great cause of barrenness.

The following are some of the certificates and complimentary notices that have been received by the proprietor, of the efficacy of this medicine.

Mr. Philip Wilcox, of the well known firm of Wilcox & Richmond, shipwrights, of New Bedford, was entirely cured of a confirmed canker of the stomach, throat and mouth, with sore lips usually accompanying this disease, and his general health much improved by the use of only one bottle. Mr. Wilcox has suffered severely for a number of years with this disease, and attributes his cure entirely to the use of the Bitters.

Col. John Baylies, Deputy Zheriff of Bristol county, Mass., has voluntarily certified that he was cured by the Bitters, of Jaundice, Indigestion, Headache and Vertigo.

Col. Gibbs, of Zandwich, testifies that several persons in that town, well known to him, have been benefitted by the use of the Bitters, and in every case they have given the most perfect satisfaction.

J. R. Perkins, Esq. Attorney at Law, of New Bedford, was cured of an unpleasant eruption of the face, by the use of the Bitters.

[From the Daily Evening Bulletin.]

It is not our custom to puff Patent Medicines unless we know them to be really excellent.—Having ourselves a knowledge of Dr. Wood's Sarsaparilla and Wild Cherry Bitters, and having severyl friends who have been benefitted by their use, we do not hesitate to recommend them to the public. Both Sarsaparilla and Wild Cherry are articles of established reputation in the medical world, and this preparation is made with great care and appears to combine all the medicinal qualities of both in an unusual manner. For sale by the proprietor, E. Thornton, Jr. Water street, and by the Druggists generally. Any one suffering from diseases of the blood, indigestion, or headache, would do well to give these Bitters a trial.

Prepared by E. Thornton, Jr. Sold Wholesale and Retail by WYATT & KETCHAM, 121 Fulton street, New York; SAMUEL ELLIOTT, Carlisle, and Druggists generally throughout the United States. Price 1$, large bottles.

Dr. Keeler's Vegetable Panacea.

For the removal and permanent cure of all diseases, arising from an impure state of the Blood and habit of the body, viz. Chronic affections of the chest, Chronic Pleurisy, Bronchitis, Catarrh etc. Scrofula in all its stages, Tetter, Scald-head, Cutaneous affections of the face and extremities, Chronic Hepatic diseases, Chronic Rheumatism, Chronic Enlargements of the ligaments and Joints White Swellings, Siphilis; Siphilitic affections, Mercurial and hereditary predispositions and constitutional disorders, etc.

Among all of the various Medicinal preparations that science has discovered and are prepared for the alleviation of human suffering from disease that arises from a vitiated condition of the Blood and organs of nutrition, foremost stands the PANACEA. When other remedies have failed to destroy the corrupt principle of disease, as it was worming its mole-like way into the deep tissues of the body and undermining the foundations of Health, this remedy pervading every tissue, organ and part of the body has by its powerful alterative influence uprooted every vestige of disease in the system. As the genial rays of a vernal sun, infuses new Life in the vegetable world, so does the Panacea invigorate the debilitated and sickly, and as new life fresh and blooming springs up from the parched earth after copious showers, so does health follow the footsteps of this natures great remedy.

Prepared and sold Cor. 3d and South streets Philadelphia. Sold wholesale and retail by SAMUEL ELLIOT, Carlisle, Dr. M'Pherson Harrisburg, and by druggists and Merchants throughou the County.

Medicines.

The Great English Remedy.

Dr. Barber's Liniament FOR HORSES.

THIS most valuable Embrocation has been used with wonderful success in the cure of some of the most troublesome diseases with which the horse is affected, (without destroying the hair) such as old strains, swellings, stiffness of joints, galls produced by the collar and saddle, strains of the shoulders, stifle, hoof, pastern and coffin joints, strains of the whirlbone, knee, and fetlock, poll evil, fistules, curbs, splints, spavin, windgalls, puffs, &c.

It very soon cures old or fresh wounds, cuts, bruises, fistules, poll evil, curbs, etc., and gives instant relief in the scratches, grease, etc., and the diseases incident to horses having white feet and noses produced by St John's Wort, which so often destroys the hoofs and bones of the feet, and resists the action of sulphur and vitriol ointments, and other remedies equally powerful.

No application has heretofore proved so useful in relaving stiffness of the tendons and joints, and producing such immediate and beneficial effects in cracked heels, brought on by high feeding, splints and sprains.

This Embrocation is highly recommended to farriers, keepers of livery stables, wagoners, stage proprietors, and private gentlemen owning horses, as an invaluable remedy, and should be constantly kept in their stables.

Also farmers, whose horses are so liable to kicks, cuts and wounds, will find it equally advantageous to keep it constantly on hand.—It is equally beneficial in the treatment of working cattle, for galls, sore necks, cuts, wounds, etc.

To the Citizens of Cumberland Co.

"There is something more precious than Gold or Diamonds—HEALTH."

THERE are some diseases that visit us at stated seasons of the year, and which not unfrequently become alarmingly fatal, during the summer and autumn months; especially the young; there being not less than seventy thousand dying annually with derangements of the stomach and bowels alone. Does not every feeling of our nature become enlisted in the human desire to lessen this frightful mortality, are we not bound by every principle of religion to administer relief when in our power; and we discharge our duty when we point out the greatest remedy ever yet discovered, for this purpose, to the public. If there be one, or if they have a friend, or a child, or a neighbor, who may chance to read this notice, that is suffering with Diarrhoea, Dysentary, Cholera Morbus, Summer Complaints, Colic, Flatulency, &c., &c., then let them try Dr. Keeler's Cordial and Carminative, and we guarantee a speedy cure.

Lancaster Co., Neffville, Dec. 11, 1846.

Dr. Keeler—Sometime last summer your agent left me some of your Infant cordial and Carminative, urging me to try it. It so happened that I had a case, a young child about six months old, whose stomach and bowels were in a very disordered condition, caused by a deficiency of its mother's milk. The child was a mere skeleton, there was much tormina, tenesmus and constant evacuations. I administered every medicine I could think of, with but a slight alleviation of the complaint. I then thought of giving your medicine a trial commencing with small doses. I soon however perceived the child could bear full dose as recommended in directions; before it had taken half a bottle, the stomach and bowels had recovered their natural tone, every other bad symptom yielded, and the child rapidly recovered.

I have no hesitation in saying that your medicine is the very best for the above complaints I have administered in a 21 years' practice.

Very respectfully, your friend,
H. B. BOWMAN, M. D.

GARLEGAN'S BALSAM OF HEALTH.

An Appoved Remedy for Dyspepsia, Cholics &c., &c.

THE two reasons why this medicine be recommended to the public,—one is, that most persons who have sought it buy it again, thereby showing that they regard it as a valuable Family medicine; the other is that certificates are in the possession of the Proprietor of permanent cures having been effected not only in persons afflicted for a short time, but also in cases of long standing.

It is composed altogether of a vegetable matter, is perfectly harmless, can be taken at all times, and is no hindrance to business. It restores and revives the animal spirits, cleanses the stomach from all morbid humors which cause indigestion and acidities. It also removes nervous tremors, rhumatic pains, and prevents their return; cures all colics of the stomachs and bowels, almost immediately takes away palpitation of the heart, and promotes the free circulation of the blood.

The direction accompanying each bottle contains a number of certificates one of which is given in this advertisement.

DEAR SIR:—about two years ago I was severely afflicted with dispepsia, which I had for the last fifteen years previous to the above named time, which was very much increased by my having a blood vessel ruptured upon my lungs, occasioned by lifting—which increased my complaint, dispepsia and general debility and weakness, to such a decree, that two or three years previous to my using the Garlegant's Balsam, I never ate a meal but my stomach became so painful that I had immediately to throw it up. Seeing Garlegant's Balsam advertised I was induced to try a bottle; after taken the very first dose it appeared to strengthen my stomach; and every dose of the first bottle helped me so much that in the course of a few days my stomach began to retain and digest every thing I ate. I continued to use the Balsam until I used several bottles, which cured me entirely, and restored me to perfect health, which I have enjoyed ever since, and not before for fifteen years. I cheerfully recommend it to all persons who are afflicted with dispepsia or dibility of stomach.

DELAWARE MUTUAL INSURANCE CO'Y,

OF PHILADELPHIA,

On the Mutual Insurance principle, combined with a large joint-stock capital. Premiums reduced to nearly half the usual rates.

BY the Act of Incorporation the stock is pledged for the payment of any losses which the Company may sustain. And as an *additional security* to the assured, the act requires that the *profits* of the business shall be *funded* and *remain* with the corporation, as a *guarantee* and *protection* to the *insured* against *loss*. This fund will be represented by scrip issued by the Company, bearing interest not exceeding six per cent. per annum. The insured are entitled to a pro rata share of the profits of the Company, and will receive that proportion of the aforesaid fund in scrip, which the amount of earned premiums paid by him, bears to the total sum of earned premiums and capital stock.

The scrip thus issued, to be transferable on the books of the Company as stock.

No dividend of scrip can be made when the losses and expenses exceed the amount of earned premiums.

The insured are protected from loss at the customary rates of premiums, *without any individual liability* or *responsibility* for the losses or expenses of the Corporation. The *assured* have all the rights of membership,—can vote at all elections, and are eligible as Directors of the Corporation.

The subscriber has been appointed agent for this Company, and as the *mutual principle* is superseding every other mode of Insurance, he would confidently recommend it to his friends and the public.

The North American Company has closed their Agency. Those having policies expiring in that office can have them renewed in the Delaware Company on much more favorable terms.

For full particulars enquire either by letter or person to JOHN J. MYERS.

Medicines.

DR. LE ROY'S VEGETABLE UNIVERSAL PILLS.

THE only known medicine that at the same time purges, purifies, and strengthens the system. Dr. Le Roy's Pill are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one through its admixture with other substances, purifying and purging, while the other is strengthening the system. Thus those pills are at the same time, tonic and opening; a desideratum long and eagerly sought for by medical men, but never before discovered. In other words they do the work of two medicines, and do it much better than any two we know of: for they remove nothing from the system but the impurities, so that while they purge they strengthen, and hence they cause no debilitation, and are followed by no reaction. Dr. Le Roy's Pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus make impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines, which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taken them do not become pale and emaciated, but the contrary, for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations.

M'ALLISTER'S OINTMENT.

IT has power to cause all external SORES, SCROFULOUS humors, SKIN DISEASES, POISONOUS WOUNDS, to discharge their putrid matters, and then heals them.

It is rightly termed All-healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption and liver, involving the utmost danger and responsibility, and I declare before heaven and man, that not one single case has it failed to benefit when the patient was within the reach of mortal means.

I have had physicians learned in the profession, I have had ministers of the Gospel, Judges of the bench, Aldermen, Lawyers, gentlemen of the highest erudition, and multitudes of the poor use it in every variety of way and there has been but one voice—one universal voice—saying, "McAllister, your Ointment is GOOD."

CONSUMPTION.—It can hardly be credited that a salve can have any effect upon the lungs seated as they are within the system. But, if placed upon the chest, it penetrates to the lungs separates the poisonous particles that are consuming them, and expels them from the system.—It is curing persons of Consumption continually.

HEADACHE.—The salve has cured persons of the headache of 12 year's standing, and who had it regular every week so that vomiting often took place.

Deafness and Ear Ache are helped with like success.

RHEUMATISM.—It removes almost immediately the inflammation and swelling when the pain ceases. Read the direction around the box.

COLD FEET.—Consumption, Liver Complaint, pain in the chest or side, falling off of the hair one or the other always accompanies cold feet. (This ointment is the true remedy.) It is a sure sign of disease to have cold feet.

In scrofula, old sores, erysipelas, saltrheum, liver complaint, sore eyes, quinsy, sore throat, bronchitis, broken or sore breasts, piles, all chest diseases such as asthma, oppressions, pains—also, sore lips, chapped hands, tumors, cutaneous eruptions, nervous diseases and of the spine, there is no medicine now known as good.

SCALD HEAD.—We have cured cases that actually defied every thing known, as well as the ability of 15 or 20 doctors. One man told us he had spent $500 on his children without any benefit, when a few boxes of ointment cured them.

BALDNESS.—It will restore the hair sooner than any other thing.

BURNS.—It is the best thing in the world for Burns. (Read the directions around the box.

WORMS.—It will drive every vestige of them away.

There is probably no medicine on the face of the earth at once so sure and so safe in the expulsion of worms.

CORNS.—Occasional use of the Ointment will always keep corns from growing. People need never be troubled with them if they will use it.

PILES.—Thousands are yearly cured by this Ointment.

JAMES MCALLISTER & Co.
Sole proprietors of the above medicine.

CAUTION.—No OINTMENT will be genuine unless the names of James McAllister or James McAllister & Co., are written with a pen upon every label.

Sold by Samuel Elliot, S. W. Haverstick and Dr. J. J. Myers, in Carlisle; J. & L. Rehgel, Mechanicsburg; Singiser & Paul, Churchtown, and John Diller, Newville.

AS A FURTHER EVIDENCE

That the principle of curing disease by cleansing and purifying the body, is strictly in accordance with the laws which govern the animal economy; and if properly carried out by the use of

WRIGHT'S INDIAN VEGETABLE PILLS, Will certainly result in the complete abolition of disease; we offer the following testimonials, from persons of the highest respectability in New York who have recently been cured of the most obstinate complaints, solely by the use of Wright's Indian Vegetable Pills of the North American College of Health.

CERTIFICATES OF CURES.

From New York City.

DR. WM. WRIGHT:—Dear Sir,—At your recommendation, I some time since made trial of Wright's Indian Vegetable Pills, of the North American College of Health, and can conscientiously assert that for Purifying the blood and renovating the system, I have received more benefit from their use than from any other medicine it has heretofore been my good fortune to meet with.

I am, dear sir, with many thanks, your obliged friend,
CHARLES M. TATE,
No. 60 Hammersly street, New York.

From Warwarsing, N. Y.

DEAR SIR,—I have been afflicted for several years with inward weakness and general debility, accompanied at times with pain in the side and other distressing complaints. After having tried various medicines without effect, I was persuaded by a friend to make trial of Dr. Wright's Indian Vegetable Pills, which I am happy to state have relieved me in a most wonderful manner. I have used the medicine as yet but a short time, and have no doubt, by a perseverence in the use of the medicine according to directions, that I shall in a short time be perfectly repaired.

I most willingly recommend said Pills to all persons similarly afflicted, and in the full belief that the same beneficial results will follow their use.

I remain, yours sincerely,
HENRY A. FOOTE,
Warwarsing, Ulster Co., New York.

BEWARE OF COUNTERFEITS.—The public are cautioned against the many spurious medicines which in order to deceive, are called by names similar to Wright's Indian Vegetable Pills.

THE PILES!

Cure for Life secured.

DR. UPHAM'S INTERNAL REMEDY for the cure of Piles. The Vegetable Pile Electuary, invented by Dr. A. Upham, a distinguished physician of New York city, is the only really successful remedy for that dangerous and distressing complaint, the Piles, ever offered to the American public.

The Electuary contains no Mineral Medicine, no Aloes, Colocynth, Gamboge, or other powerful and irritating purgative. No fear of taking cold while under its influence; no change in diet necessary. If taken according to directions, a cure for life is guaranteed.

Another Certificate added to the hundreds that have already been received, of the efficacy of Dr Upham's Electuary.

NEW YORK, August 25, 1846.

Messrs. Wyatt & Ketcham—Gents: For several years past I have been troubled with Piles, and a very costive state of my complaint not being ever so severe as to disable me from business, and a dread I had of physicians and patent Medicines, that until this spring I never used any medicine or applied to a physician for relief. The Piles then being so severe that I allowed several operations to be performed without any benefit. Determined after this to try other means, I read an advertisement of a cure guaranteed by the use of Dr. Upham's Electuary. I purchased three boxes at your store, and from the use of which I found myself entirely cured of the Piles, and my health much improved. I remain, Sirs, your much indebted friend.

M. A. ROOT'S Gallery of Daguerreotype Portraits and Family Groups,

No. 140 Chesnut St., 3d door below Fifth St,
PHILADELPHIA.
(ADMISSION FREE.)

THE pictures taken at this establishment are pronounced by artists and scientific men, unrivalled for depth of tone and softness of light and shade, while they display all the artistic arrangement of the highest effort of the painter.

Citizens or strangers visiting the Gallery, can have their Miniatures or Protraits taken in this superior style, and neatly set in Morocco cases, Gold Lockets or Breastpins &c, in a few minutes.

We copy the following from the Philadelphia Saturday Courier:

AMERICAN SUPERIORITY.

The public journals have at different periods announced, as a remarkable proof of the skill and proficiency of American Artists, that Daguerreotypes are now made in this city superior in every respect to those made in any of the European cities. The success of American artists was confirmed in a very gratifying and conclusive manner, by Mr. Barnum's publicity stating at the close of his Tom Thumb exhibition in this city, that Mr. Root had made fifty-one good pictures with only a single failure. In addition to which Mr. R. had been furnished with the following conclusive certificate, signed it will be perceived by the parents of Tom Thumb, by Mr. Barnum, his teachers and secretary, all of whom were with him in Europe:

PHILADELPHIA June 4 1847.

The Daguerreotype of Tom Thumb and his family, including his several teachers, footman driver, equipage &c. and his various costumes and characters, made by Mr. A. Root, (FIFTY-ONE in all) present a degree of accuracy and truthfulness to Nature, with a bold charm of outline, softness, expression, beauty and delicacy of finish and uniform brilliance that we have never seen equalled. They are decidedly superior to any thing of the kind witnessed by us either in this country or in London, Paris or any of the cities of Europe which we have visited. We take pleasure in bearing testimony to the courtesy and skill so uniformly manifested by Mr. Root, the eminently successful Daguerreotypist.

Signed S. E. STRATTON (the Father)
CYNTHIA STRATTON (the Mother)
P. T. BARNUM
(Exhibitor of Tom Thumb in England and America and Proprietor of the New York and Baltimore Museum.
W. W. WEBSTER (Secretary)
THEODORE CATLIN
(Advertiser and Secretary of Tom Thumb in Europe)
H. G. SHERMAN (his Preceptor)

This is certainly very striking testimony in favor of American superiority, coming as it does from those who have examined specimens of the best productions in the art in most of the principle cities of Europe.
