Messrs. Wyatt & Ketcham—Gentlemen, understanding that you are the general agents for the sale of Dr. Upham, s Vegetacle Electuary, for the cure of Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine, I have been afflicted for many years with Piles, and have tried various remodies, but with no beneficial effects—indeed, I began to consider my case utterly hopeless. But dies, but with no beneficial effects—indeed, I began to consider my case utterly hopeless. But about the first of September last, I was prevailed upon by a friend to make a trial of the above maned medicine. I took his advice and rejoice to say that I am not only relieved, but, as I believe, perfectly cured. I most carnestly recommend it to all who may have the misfortune to be ufflicted with that annoying and dangerous disease.

Very respectfully, your obedient servant, ELY MOORE.

THE only known medicine that at the pame time purpos, purifies, and atrongthem, the ystem. Dr. Lecktoy's Pill are a new medicine the high has just appeared, and is fast taking the places of all others of the tame class. These pills are composed of many ingredients, that the two phinoinal ones are. Sursaparilla, and Wild Cherry, to chited that they act together; the one through this did that they act together; the one through this did their substances, purifying and purging, while the other is strengthening the system. Thus those pills are in the same time tonic and opening; a desideratum long and digenly sought for by medical men, but never before discovered. In other words they do the work of two medicines, and do 1 fruch better than any taobate. Know off for they remove nothing from the system but, the impurities, so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no reaction. Dr. Le Boy's Pills have a wonderful influence on the blood; they not only, purify without weakoning it, but they remove all noxious particles from the chyle before it, is convened into fluid, and thus make impure blood, an utter impossibility. As there is no debilitation, so there is, no pauses or sickness attending the operations of this most excellent of medicines, which hever strains or tortures the digastic functions, but causes them to work in a perfectly insurant manner, and honce, property, of the Sarsaparilla, united as it is with other, ingredients, to remove all that is foreign and impure, it is a equally the property of the Wild Cherry to retain all that is mutural and sound; and hence a robust state of localities by Dr. J.
