Messrs. Wyatt & Ketcham—Gentlemen, understanding that you are the general agents for the sale of Dr. Urham,s Vegetacle Electuary, for the cure of Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with Piles, and have tried various remedies, but with no beneficial effects—indeed, I began to consider my tasts titletly hopeless. But about the first of September last, I was prevailed upon by a friend to make a trial of the above named medicine. I took his advice and rejoice to say that I am not only relieved, but, as I believe, perfectly cured. I most earneatly recommend it to all who may have the misfortune to be affleted with that annoying and dangerous disease.

Very respectfully, your obedient servant.

Messrs. Wyatt & Retcham—Gents: For thirty years I have been afflicted with Piles, general debility and inflammation, causing tumors and prolapsus of the bowels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description. I was confined to bed, inhole to help mysell, and at last given up by my physician and triends in despair of ever gaining health: in fact for three days before I comnteneed using Dr. Upham's Electuary, I was entirely speechless and my burial clothes were made. But under Providence, and the use of Dr. Upham's Electuary, I hour make known the virtues of Dr. Upham's Electuary, and to recommend it to my afflicted fellow freatures. It helped me beyond the Affectations of all that knew my case, and I can only say to others that it is im myt opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure in every case.
