FAMILY OF LOUIS PHILLIPPE, The London papers represent that the ex-King and his family remain in the closest retirement at Claremont, New London, but occasionally pay a visit to Queen Victoria. IMPORTS OF BAR IRON.—On the 3d inst. the arrival of bar iron in New York from Liverpool, England, were 20,488 bars, and .. 350 tons of pig iron. The trial of Col. Polk's 'near neigh bor, Gen. Pillow, the Hero of Duck River, as far as it has progressed, shows this miser able administration and its minions in their true light. Gen. Scott has more than sustained his charges against the would be hero of the 'Leonidas' letter.

Hon. James Cooper has written home that he will embark for this country from Liverpool, about the last of May. He proposes yet visiting France, England, Ireland and Scotland.

Wistan's Balana.—Notwithstanding our aversion to puffing, as many do, every thing that comes along in the shape of Paient. Medicines, and the fact that we scarcely ever take medicines of any kind, yet we feel that we should be doing injustice to the community by witholding longer the favorable opinion we have of Wistar's Balsam, in cases of colds and pulmonary complaints. Having witnessed its good effects, in several instances, we believe it to be an excellent article.

### DIED.

On Friday night last, the 21st inst, Miss JANE McCLELLAN, aged 15 years, daughter of Mr. Mitchel McClellan, of this borough. This young lady was the hope of her parents and many friends. She has been cut down in her youth by a cold, which settled on her breast, and consigned her to an untimely grave.

Who would not sympathize with her bereaved parents under this heavy affliction? One on whom

much expectation rested has been taken away! One whose intellect and facinating manners gave promise of much usefulners in tuture life, has unexpected fy closed her career : One who was young and in ruddy health a few months ago, is now numbered with the dead—while many advanced in years, and suffering with disease, are spared, and their lives pro-longed. What shall we say? "Even so, Pather, for so it seemed good in thy sight."- Com.

Mr. J. H. R. would respectfully suggest to the Lady who sent him an anonymous mote a few days, sines; that the proper way of spelling oyster cellar is thus—Oyster Cellar,—and not "oyster seller."

We challenge the world to produce a medicine better adapted to the expulsion of worms from the human body than Shepherd's Virmifuge. It has been used by thousinks with cotice satisfaction. It has the advantage of most other Virmifuges, as it never sickens the person using it. It has cured children that have been subject to fits for years, and that had been given up by physician parents and friends.
