Latest from Europe.

The steamship Caledonia arrived at Boston on Sunday. The news is interesting. England remains quiet, and the Chartist Convention was in session in London without exciting much interest. In Ireland there is still much angry agitation, but as yet no open outbreak. In France the party of Lamartine has carried the elections in spite of the efforts of the ultra Republicans and Communists, and Lamartine will probably be elected President. The National Assembly met on the 4th, and was organized amid much enthusiasm. Its first days proceedings are not important. In the other parts of Europe there is still much commotion.

A DISTINGUISHED PRISONER.—The Delaware County Republican furnishes its readers with an amusing sketch of a "militia training" that was to have come off at Chester, on Tuesday, the 9th inst. The "citizen soldiers" were all upon the ground, when upon some pretext or other the Brigade Inspector, with a portion of his staff, were induced to visit an unoccupied room in the jail—we believe to judge of its fitness for an armory. While in the room, some wicked wag turned the key upon the "officials," and they were kept in "durance vile" until 3 o'clock in the afternoon. When they were released, the "nation's bulwark" had returned to their homes, and the "pomp and circumstance of glorious war" which was to have astonished the natives was postponed to a "more convenient season."

Dr. Swayne's Syrup of Wild Cherry.—It strengthens the system, and appears to heal the ulcers on the lungs, creating new and rich blood—a power possessed by no other medicine.

Chester county, April 25, 1848.

Dr Swayne—Dear Sir—I verily believe your Compound Syrup of Wild Cherry has been the means of saving my life. I caught a severe cold, which gradually grew worse, attended with a severe cough, that resisted all the remedies which I had recourse to, and still increased until my case exhibited all the symptoms of Pulmonary Consumption. Every thing I tried seemed to have no effect, and my complaint increased so rapidly that my friends, as well as myself, gave up all hope of my recovery. At this time I was recommended to try your invaluable medicine, and did so with the most happy results. The first bottle had the effect to loosen the cough, causing me to expectorate freely, and by the time I had used six bottles I was entirely well, and am now as hearty a man as I ever was in my life, and would be happy to give any information respecting my case, that other sufferers may derive the benefit for which I am so grateful. For the truth of the above statement I refer you to Peter Rush, Grocer, West Chester, of whom I purchased the medicine. Respectfully yours,

JAMES MORAN.

IMPORTANT CAUTION.—Remember, all Balsams, Bitters, Syrups, &c. claiming the name of Wild Cherry, (except Dr Swayne's) are FICTITIOUS and COUNTERFEIT. The genuine is put up in square bottles, covered with a beautiful wrapper, bearing the likeness of Wm Penn, also Dr Swayne's signature. None other is genuine.

Prepared and sold by D. H. Swayne, N. W. corner of Eighth and Race streets, Philadelphia.

Sold in Carlisle by S. W. HAVERSTICK and S. ELLIOTT.

☞ A gentleman from Vermont writes as follows:

Cambridge, Vt. June 18, 1846.

Mr. Seth W Fowle—Dear Sir—For several years past my usual good health has been occasionally interrupted by spells of coughing, produced by colds—a year ago last winter I was brought to the verge of the grave by a very severe cough, accompanied with pain in both sides, between the shoulders, &c. which with long continued night sweats and other alarming symptoms, reduced me so low that my friends despaired of my recovery. I consulted physicians and tried the various remedies of the day but none of them cured me At last I procured Dr. Wistar's Balsam of Wild Cherry, and it saved my life—I have not enjoyed better health for many years, therefore I can recommend others who need it to try it.

SAMUEL BENTLEY.

The genuine signed I. BUTTS on the wrapper—Cas old a riale by S. ELLIOTT, sole agent.

Wright's Indian Vegetable Pills in the City of Mexico.—Great Success.

Extract of a letter from the Editor of the Greenville (S C.) Mountaineer;

Dr. W Wright—Dear Sir,—* * * A week of two ago I sent you a "Mountaineer" containing a letter from one of our Volunteers in the city of Mexico, in which he pays richly the Indian Vegetable Pills, under all circumstances, the highest need of praise I have ever known a medicine of any kind to receive. The Volunteer, William M Goodlett, Esq. is a gentleman of high standing, an accomplished and well educated man, and was recently High Sheriff of this District. By one of your advertisements in a Charleston paper, I happened to notice the location of your office, and thought you might extract an article of some value in regard to your medicine—therefore I sent the paper.

The following is the paragraph of the letter referred to above.

"My health is very fast improving. I procured a few days ago, some of Dr. wright's Indian Vegetable Pills, and they have acted on my system like magic. Elias Earle is quite well."

Thus it appears that Wright's Indian Vegetable Pills are fast obtaining celebrity among the brave and patriotic Volunteers who have gone to Mexico to defend the rights and honor of their country. Long may they live. All who intend going to the South or West, should not fail to take a supply of the Pills with them. They are invaluable.

☞ Beware of counterfeits and imitations. Remember that the original and only genuine Indian Vegetable Pills have the written signature of WILLIAM WRIGHT on the top label of each box.

The genuine is for sale by CHARLES OGILBY, sole agent for Carlisle, and general agent for Cumberland county, to whom country dealers will be supplied at the Philadelphia prices.

Atwood's Empire Cooking Stove.

IN again calling attention to this unequalled STOVE, the proprietor has the pleasure to inform the public that (externally) it has undergone an entire change—the pipe and hearth placed opposite each other, and a SUMMER HEARTH AND BOILING APPARATUS, being added, thus rendering it faultless, and unless there is another faultless Stove in the market, this is unquestionably the best, as it now embraces every valuable improvement possessed by any other Stove, in addition to some peculiar to itself, secured by Letters Patent.

The success of this Stove, since its introduction is unexampled. Nothing has ever been offered for culinary purposes that has given such general satisfaction. Stoves have been copied after its form; some dealers have even used its fundamental principles, but the proportions were so unlike the original, that they bear the relative value that a counterfeit does to a genuine coin.

Complete COOK and other COOK STOVES in great variety. Persons desiring these admirable Stoves, are requested to call at the Stove and Tin-Ware manufactory of the subscriber; on Main street, Carlisle, who is agent for Cumberland county.

CURE YOURSELF.—From time immemorial there has existed in larger cities and populous towns, a species of disease, the dependence and propagation of which results from the violation of divine and moral laws. To those AFFLICTED, the AMERICAN COMPOUND is presented, as being the most certain, speedy, and valuable specific ever offered to the unfortunate. It has wherever known acquired a reputation that daily experience continues to strengthen. Thousands have been cured by its use, and as it leaves no odor on the breath, requires neither restriction in diet or business, nor contains either mercury or noxious drugs in the least injurious to the system, it is boldly presented as the best remedy for such diseases yet offered. It is used by physicians and pronounced superior to any known remedy. Full directions accompany each bottle.
