It Never Fails.

CURE YOURSELF.—From time immemorial there has existed in larger cities and populous towns, a species of disease, the dependence and propagation of which results from the violation of divine and moral laws. To those AFFLICTED, the AMERICAN COMPOUND is presented, as being the most certain, speedy, and valuable specific ever offered to the unfortunate. It has wherever known acquired a reputation that daily experience continues to strengthen. Thousands have been cured by its use, and as it leaves no odor on the breath, requires neither restriction in diet or business, nor contains either mercury or noxious drugs in the least injurious to the system, it is boldly presented as the best remedy for such diseases yet offered. It is used by physicians and pronounced superior to any known remedy. Full directions accompany each bottle.

Medicines.

Health! O, Blessed Health!

Thou art above all gold and treasures; tis thou who enlargest the soul, and openeth all its powers to receive instruction and to relish virtue. He that has thee has little more to wish for; and he that is so wretched as to have thee not, wants every thing beside. Let us be thankful, BRANDRETH'S PILLS will give us health; get them these blessed Pills, which a century's use has fully established to be the best medicine ever bestowed on man. For the prevailing colds and coughs, they will be found everything that medicine is capable of imparting. In Cholic and in Inflammation of the bowels, these Pills will at once relieve, and perseverance in their use, according to the directions, will surely do all that medicine can do to restore the health of the patient.

In diseases arising from the use of mercury or from any cause or vitiation; from bad blood or otherwise, their use will produce the most happy results. In all attacks of Rheumatism, Erysipelas, Salt Rheum, and in cases of chronic or recent Costiveness, the use of the Brandreth Pills will be productive of infinite service—sometimes occasioning so great a change for the better as to cause great thankfulness.

In all cases of Indigestion, Worms, Asthma, Diseases of the Heart, and in all affections of the Stomach and Bowels, the Brandreth Pills will be found a never failing remedy.

To insure the full benefit of these celebrated Pills, they should be kept in the house, so that upon the first commencement of sickness they may be at once resorted to. One dose then is better than a dozen after the disease has become established in the system.

The Brandreth Pills are purely vegetable, and so innocent that the infant of a month old may use them if medicine is required, not only with safety but with a certainty of receiving all the benefit medicine is capable of imparting. Females may use them during all the critical periods of their lives. The Brandreth Pills will insure their health, and produce regularity in all the functions of life.

Mr. Cercovich, of Caracas, says: "I have entirely cured myself of the Fever and Ague, which I have had for six months, by taking from eight to twelve of Brandreth's Pills for one month." Vide his letter to Dr. Prandreth dated Feb. 8, 1847.

N. B. There is no surety that you get the genuine BRANDRETH PILLS, unless you purchase of the duly authorized Agent.

The BRANDRETH'S PILLS are sold for 25 cents per box, at Dr. B. Brandreth's Principal Office, 241 Broadway, New York, and by the following duly authorized Agents:

SHEPHERD'S SARSAPARILLA,

For the Permanent Cure of all Diseases arising from an Impure state of the Blood.

THIS Medicine operates particularly upon the Blood, and cures disease without vomiting or purging. It never fails to cure the most obstinate cases of Rheumatism, Diseases of the Lungs, Coughs, Colds, Bronchitis, White Swelling, Scrofula, Ulcers and Sores of long standing.

It is cheaper than any other medicine in use, there being 32 doses in each bottle, which costs only 75 cents; and to those using it according to direction one bottle will last 10 days. Certificates are pouring in from all parts of the country attesting the virtue of this medicine in cases of long standing, which have been given up by physicians as hopeless and beyond the reach of medicine to cure.

WHOOPING COUGH, Shepherd's Sarsaparilla never fails to cure.

CONSUMPTION cured by the use of Shepherd's Sarsaparilla.

The following is from a gentleman of respectable standing in Baltimore, who was effectually cured of that dreadful disease, Consumption, by a few bottles of Shepherd's Sarsaparilla.

Baltimore, Aug. 29, 1847

This is to certify that I was fast sinking under symptoms of Consumption of the Lungs, until I was recommended to try Shepherd's Sarsaparilla, which fortunately I did and am under the strongest conviction that it saved my life. I am now rapidly recovering and hope in a short time to be restored to perfect health, and under no consideration would I be without the medicine.

DAVID RICKETTS,
No. 23, Hill street.

Shepherd's Vermifuge, or Worm Destroyer.

We challenge the world to produce a medicine better adapted to the expulsion of worms from the human body than Shepherd's Vermifuge. It has been used by thousands with entire satisfaction. It has the advantage of most other Vermifuges, as it never sickens the person using it. It has cured children that have been subject to fits for years, and that had been given up by physician, parents and friends. It should always be used as a purgative for children, as it strengthens them, and at the same time carries off the coarser particles of food, and worms, if they are troubled with them.

The following certificate has been handed to us by Judge Koons, of Luzerne county, Pa. It speaks for itself

Town Hill, Pa. Jan 20, 1847.

JOHN KOONS, Esq.

DEAR SIR—You will please send me 4 bottles more of Shepherd's Vermifuge. The three bottles purchased of you a short time ago have been used with the happiest effects. They were given to three of my children—in one case 65 worms were expelled, in another 104, and in the last 67. I am anxious to give the rest of my family the benefits of this medicine, and therefore order as above. This is decidedly the best article for destroying worms that has ever been in this part of the country. I have tried Orrick's, Reaker's, Merrick's and Miller's, but without any good effect.

Yours with esteem,
SAMUEL SNYDER.

Medicines.

Dr. Keeler's Panacea,

FOR the removal and permanent cure of all diseases arising from an impure state of the blood and habit of the body, viz:

Chronic diseases of the Chest, Pleurisy, Bronchitis, Catarrh, or Scrofula in all its forms, Tetter, Scald head, Cutaneous affections of the face and extremities, chronic Rheumatism and Hepatetis, chronic Enlargements of the Joints, White Swellings, Syphilitic Affections, Constitutional disorders, arising from debility, Mercurial and Hereditary predispositions, &c.

☞ In every change that is taking place in the body, it is manifest that it is brought about by something having a substantive existence. If we suppose the organs of our body originally perfect, they must continue perfect unless changed by the intervention of something that bears an unhealthy relation to it. In all cases of disease, there must be the interposition of some new ingredient which by playing its part as a cause, served to modify the properties before connected with the body. It is absurd to talk of spontaneous disease taking place in organs previously healthy, without the interposition of some morbific agent; as well might we expect a piece of chalk to transfer itself spontaneously into Plaster of Paris, without the aid of Sulphuric Acid. In all diseases there is a prior cause which must be removed, thro' the agency of the Blood. For this purpose there is no remedy superior to the Panacea. In evidence the following is submitted to the public:

Philadelphia, June 7, 1847.

Having been apprised of the nature of the Panacea, it affords me much pleasure to be able to recommend it as a valuable remedy for all those chronic, constitutional and glandular diseases, to which it is especially adapted. To those who are afflicted, and require medicine as an alterative, they cannot obtain it in a more agreable, active and uniform state than is to be found in the Panacea. I have used it in several instances with decided and signal success. Yours, &c.

Dr. Traphagen's Balsamic Extract of Sarsaparilla,

IS the best and cheapest Preparation of Sarsaparilla ever offered to the public, being distilled from the first quality of Honduras Sarsaparilla Root—and one bottle of this preparation is warranted superior to two bottles of any other in the market, and will retain its virtues unimpairable in any climate. It is pleasant to the taste, and from infancy to age this Extract will eradicate disease, invigorate the body, and is the best medicine for the prevention and cure of disease ever discovered in any age of the world. Its action is mild, and it cures without sickening or debilitating the patient. Thousands have used it in the Dr.'s private practice, and consider it the greatest blessing ever offered man. The Great English Remedy.

Dr. Barber's Liniment

FOR HORSES.

This most valuable Embrocation has been used with wonderful success in the cure of some of the most troublesome diseases with which the horse is affected, (without destroying the hair) such as old strains, swellings, stiffness of joints, galls produced by the collar and saddle, strains of the shoulders, stifle, hoof, pastern and coffin joints, strains of the whirlbone, knee, and fetlock, poll evil, fistules, curbs, splints, spavin, windgalls, puffs, &c.

It very soon cures old or fresh wounds, cuts, bruises, fistules, poll evil, curbs, etc., and gives instant relief in the scratches, grease etc., and the diseases incident to horses having white feet and noses, produced by St John's Wort, which so often destroys the hoofs and bones of the feet, and resists the action of sulphur and vitriol ointments, and other remedies equally powerful.

No application has heretofore proved so useful in relaxing stiffness of the tendons and joints, and producing such immediate and beneficial effects in cracked heels, brought on by high feeding, splints and sprains.

This Embrocation is highly recommended to farriers, keepers of livery stables, wagoneral stage proprietors, and private gentlemen owning horses, as an invaluable remedy, and should be constantly kept in their stables.

Also farmers, whose horses are as liable to kicks, cuts and wounds, will find it equally advantageous to keep it constantly on hand.—It is equally beneficial in the treatment of working cattle, for galls, sore necks, cuts wounds, etc.

Medicines.

Dr. Keeler's Panacea,

FOR the removal and permanent cure of all diseases arising from an impure state of the blood and habit of the body, viz:

Chronic diseases of the Chest, Pleurisy, Bronchitis, Catarrh, or Scrofula in all its forms, Tetter, Scald head, Cutaneous affections of the face and extremities, chronic Rheumatism and Hepatetis, chronic Enlargements of the Joints, White Swellings, Syphilitic Affections, Constitutional disorders, arising from debility, Mercurial and Hereditary predispositions, &c.

☞ In every change that is taking place in the body, it is manifest that it is brought about by something having a substantive existence. If we suppose the organs of our body originally perfect, they must continue perfect unless changed by the intervention of something that bears an unhealthy relation to it. In all cases of disease, there must be the interposition of some new ingredient which by playing its part as a cause, served to modify the properties before connected with the body. It is absurd to talk of spontaneous disease taking place in organs previously healthy, without the interposition of some morbific agent; as well might we expect a piece of chalk to transfer itself spontaneously into Plaster of Paris, without the aid of Sulphuric Acid. In all diseases there is a prior cause which must be removed, thro' the agency of the Blood. For this purpose there is no remedy superior to the Panacea. In evidence the following is submitted to the public:

Philadelphia, June 7, 1847.

Having been apprised of the nature of the Panacea, it affords me much pleasure to be able to recommend it as a valuable remedy for all those chronic, constitutional and glandular diseases, to which it is especially adapted. To those who are afflicted, and require medicine as an alterative, they cannot obtain it in a more agreable, active and uniform state than is to be found in the Panacea. I have used it in several instances with decided and signal success. Yours, &c.
